**Report on Awareness Programme on Government Policies of Rajasthan**

Date: February 8, 2023

Venue: Biyani Girls B.Ed College,

### Introduction:

An awareness programme focusing on the government policies of Rajasthan was organized at Biyani Girls B.Ed College on February 8, 2023. The event aimed to educate students about various policies implemented by the Government of Rajasthan, fostering a deeper understanding of governance and socio-economic development initiatives in the state.

### Overview of the Programme:

The awareness programme commenced with an inaugural session, featuring esteemed speakers and dignitaries from the government sector. The speakers provided insights into the significance of government policies in driving progress and development at the state level, emphasizing the role of informed citizenry in policy implementation and evaluation.

### Key Highlights:

**Presentation on Government Policies:** A series of presentations were delivered, highlighting key government policies and initiatives implemented by the Government of Rajasthan across different sectors, including education, healthcare, agriculture, women empowerment, rural development, and infrastructure. The presentations provided an overview of the objectives, strategies, and outcomes of each policy, elucidating their impact on the socio-economic landscape of the state.

**Interactive Sessions:** Following the presentations, interactive sessions were conducted to engage students in discussions and dialogue regarding the

implications of government policies on various stakeholders, including citizens, communities, and institutions. Students had the opportunity to ask questions, seek clarifications, and share their perspectives on the effectiveness and challenges associated with policy implementation.

**Case Studies and Success Stories:** Case studies and success stories showcasing the positive outcomes and transformative effects of government policies were presented to inspire and motivate the audience. These real-life examples demonstrated how government interventions have contributed to improving livelihoods, enhancing social welfare, and fostering inclusive development in different regions of Rajasthan.

**Q&A and Feedback:** The programme concluded with a question-and-answer session, allowing participants to seek further information and clarification on specific policies or issues discussed during the event. Feedback from attendees was also solicited to assess the effectiveness of the programme and identify areas for improvement in future awareness initiatives.

#### **Outcome and Conclusion:**

The awareness programme on government policies of Rajasthan proved to be informative, engaging, and enlightening for the participants, comprising students, faculty, and staff of Biyani Girls B.Ed College. By enhancing awareness and understanding of government policies, the event empowered participants to become informed citizens and active contributors to the socio-economic development of Rajasthan.

The programme underscored the importance of proactive engagement with government policies and civic affairs, encouraging students to stay informed, critically evaluate policy decisions, and actively participate in democratic processes. Moving forward, similar awareness initiatives can play a pivotal role in promoting civic education, citizenship awareness, and participatory governance among the youth, thereby fostering a culture of responsible citizenship and democratic participation in Rajasthan.

Report on "Educational rights "on constitutional day celebration

Date: November 26th, 2021

Organizer: Biyani Girls B.Ed. College

### Objective:

### Introduction:

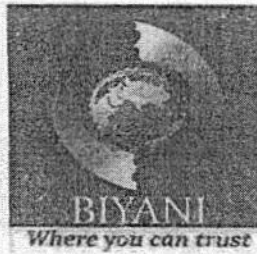

Constitutional Day, also known as National Law Day, is celebrated in India on November 26th to commemorate the adoption of the Indian Constitution. In honor of this significant occasion, Biyani Girls B.Ed. College organized a special program to raise awareness about educational rights enshrined in the Constitution. Coordinated by Dr. Sarita Sharma, a dedicated faculty member, the program aimed to empower students with knowledge about their educational rights and responsibilities as citizens of India.

### Event Details:

#### Speech by Dr. Sanjay Biyani:

The Constitutional Day celebration commenced with an enlightening speech by Dr. Sanjay Biyani, the esteemed founder of the Biyani Group of Colleges. Dr. Biyani highlighted the historical significance of Constitutional Day and the pivotal role played by the Indian Constitution in shaping the nation's democratic framework. He emphasized the importance of education as a fundamental right guaranteed by the Constitution and urged students to be proactive in advocating for their educational rights. Dr. Biyani's inspiring address set the stage for the program, motivating students to actively engage in the activities planned for the day.

### Activities Organized:

- 1. Educational Rights Workshop:** The program included an interactive workshop on educational rights facilitated by legal experts and educators. Participants learned about the various provisions related to education in the Indian Constitution, including the Right to Education (RTE) Act, the rights of minority educational institutions, and the importance of inclusive education. The workshop provided students with a comprehensive understanding of their educational rights and empowered them to assertively advocate for quality education.
- 2. Mock Parliament Debate:** A mock parliament debate was organized to simulate the legislative process and encourage students to voice their opinions on educational issues. Participants assumed the roles of parliamentarians and engaged in lively discussions on topics such as educational reforms, student rights, and government policies. The debate provided students with a platform to express their views and concerns, fostering critical thinking and democratic values.
- 3. Legal Awareness Campaign:** A legal awareness campaign was conducted to educate students about their legal rights and remedies in case of educational grievances. Legal experts delivered informative sessions on topics such as student rights, grievance redressal mechanisms, and legal aid services available to students. Participants were encouraged to seek legal assistance if they encountered any violations of their educational rights, empowering them to assert their rights effectively.

## BIYANI GIRLS B.ED. COLLEGE, JAIPUR

**4. Poster Exhibition:** An exhibition of posters highlighting key provisions of the Indian Constitution related to education was organized to visually depict students' educational rights. Participants creatively designed posters using vibrant colors and eye-catching graphics to convey important messages about the right to education, equal opportunities, and access to quality education. The exhibition served as a visual reminder of the constitutional principles guiding educational policies and practices in India.

### Conclusion:

The Constitutional Day celebration at Biyani Girls B.Ed. College was a meaningful and educational event aimed at promoting awareness about educational rights among students. Through a series of engaging activities and events, students gained valuable knowledge about their rights and responsibilities as citizens and learners. Dr. Sanjay Biyani's inspiring speech and Dr. Sarita Sharma's efficient coordination ensured the success of the program, leaving a lasting impact on the student body. The celebration reaffirmed the college's commitment to upholding the principles of democracy and promoting education as a fundamental right for all.

Date: August 20th, 2018

Venue: Biyani B.Ed. Girls College, Jaipur

Guest: Ms. Raju Pansari

#### Introduction:

On August 20th, 2018, a seminar titled "Grading System and Result Process" was organized at Biyani B.Ed. Girls College in Jaipur. The seminar aimed to provide insights into the grading system and result processing methods in educational institutions. Ms. Raju Pansari, an experienced academician specializing in educational administration, led the seminar.

#### Objectives:

1. To familiarize attendees with the concept and significance of grading systems in education.
2. To explain the process of result computation, including grading, GPA calculation, and transcript generation.
3. To discuss the advantages and challenges associated with the grading system.
4. To address queries and concerns regarding result processing among faculty and staff members.
5. To explore innovative approaches and best practices in result management.

#### Seminar Proceedings:

The seminar commenced at [start time] with a warm welcome by Ms. Raju Pansari, who introduced the agenda and objectives of the session. Attendees,

  
PRINCIPAL  
BIYANI GIRLS B.ED. COLLEGE  
SEC.-3, VIDHYADHAR NAGAR, JAIPUR

including faculty members, administrative staff, and invited guests, actively participated in the discussions.

Ms. Pansari began by providing an overview of the traditional grading system and its evolution into modern approaches such as the GPA (Grade Point Average) system. She highlighted the importance of grading in assessing student performance, facilitating academic progression, and promoting accountability.

The seminar delved into the intricacies of result processing, including the calculation of grades, conversion to GPA, and the generation of transcripts. Ms. Pansari shared practical tips and strategies for ensuring accuracy and efficiency in result management, emphasizing the use of technology-enabled solutions.

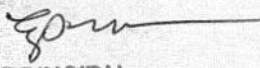

Furthermore, the seminar addressed the advantages of the grading system, such as promoting objectivity, transparency, and comparability across different educational institutions. Attendees engaged in discussions on the role of grading in fostering healthy competition and motivating students to excel academically.

Challenges associated with result processing, such as subjective bias, standardization issues, and student feedback mechanisms, were also explored. Ms. Pansari encouraged participants to share their experiences and insights, fostering a collaborative learning environment.

The seminar concluded with a Q&A session, where attendees had the opportunity to seek clarification on specific issues related to grading systems and result processing. Ms. Pansari provided valuable guidance and recommendations based on her expertise and experience in educational administration.

#### **Feedback and Conclusion:**

Feedback from participants indicated a high level of satisfaction with the seminar content, delivery, and interactive format. Many attendees expressed appreciation for the opportunity to deepen their understanding of grading systems and result processing methods.
