Report on BICON

Date: 25 January, 2023

Introduction:

Bicon, a distinguished event held on January 25, 2023, at Biyani Girls Bed College in Jaipur; stood as a testament to academic excellence and innovation. Dr. Sanjay Biyani, a luminary in the realm of education, graced the occasion as the chief guest, elevating the significance of the event.

Event Highlights:

Bicon at Biyani Girls Bed College was a confluence of intellect, creativity, and ingenuity. The event encompassed a diverse range of activities, including academic presentations, research symposiums, and panel discussions. Students and scholars from various institutions converged to share their insights and discoveries, fostering a spirit of collaboration and intellectual exchange.

The event commenced with an inaugural ceremony, where Dr. Sanjay Biyani delivered an enlightening address, emphasizing the importance of innovation and knowledge dissemination in today's rapidly evolving world. His words resonated with the audience, inspiring them to push the boundaries of their academic pursuits.

PRINCIPAL
BIYANI GIRLS B.ED. COLLEGE
SEC-3, VIDHYADHAR NAGAR, JAIPUR

Throughout the day, attendees were treated to a series of thought-provoking sessions and presentations. Academic presentations showcased cutting-edge research and scholarly endeavors across disciplines, while panel discussions provided a platform for experts to delve into pressing issues and emerging trends.

Dr. Sanjay Biyani's presence infused the event with wisdom and gravitas, underscoring the college's commitment to nurturing intellectual curiosity and academic excellence. His guidance and encouragement served as a catalyst for the participants, igniting their passion for learning and innovation.

Conclusion:

As Bicon concluded at Biyani Girls Bed College, it left an indelible mark on all who participated. The event not only celebrated academic achievement but also fostered a culture of inquiry and collaboration among students and scholars. It served as a catalyst for inspiration and discovery, propelling the college towards new heights of academic excellence.

Under the esteemed patronage of Dr. Sanjay Biyani, Bicon emerged as a resounding success, reaffirming the college's position as a hub of intellectual discourse and innovation. The event will be remembered as a milestone in the academic journey of the institution, inspiring future generations to embrace the pursuit of knowledge with passion and purpose.

Report on NAAC Sponsored Webinar

Date: 18th-19th July 2022

Organizer: National Assessment and Accreditation Council (NAAC)

Introduction:

The NAAC-sponsored webinar held on 18th-19th July 2022 addressed the significant theme of "Impact of Technology on Social and Educational Perspectives in India During the Pandemic Situation." This two-day event aimed to explore the role of technology in shaping social and educational landscapes in India amidst the challenges posed by the COVID-19 pandemic. Professor Manish Biyani, an eminent academician and expert in educational technology, was the keynote speaker for this event.

Key Highlights:

Opening Session: The webinar commenced with an opening session featuring keynote addresses by distinguished guests, including Professor Manish Biyani, who provided insights into the transformative potential of technology in mitigating the disruptions caused by the pandemic in the educational sector.

Panel Discussions: The event featured interactive panel discussions with experts from academia, industry, and government bodies. Panelists deliberated on various aspects such as digital divide, online pedagogy, skill development through technology, and the role of EdTech start-ups in revolutionizing education delivery systems.

PRINCIPAL
BIYANI GIRLS B.ED. COLLEGE
SEC-3, VIDHYADHAR NAGAR, JAIPUR

Case Studies and Best Practices: Throughout the webinar, participants shared case studies and best practices adopted by educational institutions and organizations to leverage technology effectively during the pandemic. These real-life examples provided valuable insights into innovative approaches and successful implementation strategies.

Impact Assessment: Presentations and discussions revolved around the impact assessment of technological interventions on social inclusivity, learning outcomes, student engagement, and teacher professional development. Emphasis was placed on evaluating the effectiveness and sustainability of digital initiatives in diverse educational settings across India.

Challenges and Opportunities: Participants critically examined the challenges posed by digitalization, including issues of digital infrastructure, accessibility, equity, and privacy concerns. However, discussions also highlighted the opportunities for innovation, collaboration, and capacity building in the post-pandemic era.

Policy Recommendations: The webinar concluded with the formulation of policy recommendations aimed at fostering a conducive ecosystem for integrating technology into the Indian education system. Recommendations encompassed infrastructure development, curriculum redesign, teacher training, regulatory frameworks, and public-private partnerships.

Conclusion:

The NAAC-sponsored webinar on the impact of technology on social and educational perspectives in India during the pandemic situation provided a platform for fruitful exchange of ideas, experiences, and strategies. It underscored the transformative potential of technology in addressing the challenges posed by the pandemic while also highlighting the need for concerted efforts to ensure equitable access and sustainable utilization of digital resources in education. The insights generated from this event are expected to inform policy formulation and practice in the ongoing efforts to reimaging and revitalize the Indian education landscape in the digital age.

Report: Day 1 of ICSSR Sponsored National Seminar on "Methods of Measuring and Interpretation of Outcomes in Educational and Social Research"

Date: April 14th, 2022

Venue: Biyani Girls B.Ed College

Organizer: Biyani Girls B.Ed College

Objective:

The ICSSR Sponsored National Seminar aimed to provide a platform for researchers and academicians to discuss various methods of measuring and interpreting outcomes in educational and social research. The seminar aimed to enhance understanding and proficiency in research methodologies and their application in educational and social contexts.

Key Highlights:

- 1. Opening Remarks:** The seminar commenced with opening remarks by Prof. Manish Biyani, the Research Director of Biyani Girls B.Ed College. Prof. Biyani welcomed all the participants and emphasized the significance of the seminar in advancing research in the field of education and social sciences.
- 2. Chief Guest Address:** Prof. PC Trivedi, Former Vice-Chancellor of JNVU Jodhpur, graced the occasion as the Chief Guest. Prof. Trivedi shared his insights on the importance of research in addressing contemporary challenges in education and society. He encouraged researchers to adopt rigorous methodologies for obtaining reliable outcomes.

3. Invited Lectures:

- **Dr. Harjeet Kaur Bhatiya:** Dr. Bhatiya delivered a lecture on innovative methods of measuring educational outcomes, focusing on the use of technology and data analytics in educational research.

PRINCIPAL
BIYANI GIRLS B.ED
SEC-3, VIDHYADHAR

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

- **Dr. Devika Agarwal:** Dr. Agarwal shared her expertise on qualitative research methodologies and their relevance in understanding social phenomena and human behavior.

- **Dr. Deepak Kumar Gupta:** Dr. Gupta discussed statistical methods for interpreting research outcomes, emphasizing the importance of data analysis and interpretation in drawing meaningful conclusions.

4. Panel Discussion: A panel discussion followed the invited lectures, where participants had the opportunity to engage with the speakers and discuss various aspects of research methodologies, measurement techniques, and interpretation of research outcomes.

5. Interactive Sessions: Throughout the day, interactive sessions were conducted to facilitate discussions among participants, allowing them to share their experiences, insights, and challenges related to research in educational and social sciences.

Conclusion:

Day 1 of the ICSSR Sponsored National Seminar on "Methods of Measuring and Interpretation of Outcomes in Educational and Social Research" was a productive and enlightening session. The presentations, discussions, and interactions provided valuable insights into research methodologies and their application in educational and social contexts.

Acknowledgment:

We extend our gratitude to all the speakers, participants, and organizers for their contributions to making Day 1 of the seminar a success. Special thanks to Prof. Manish Biyani and Prof. PC Trivedi for their leadership and support in organizing the seminar.

Report: Day 2 of ICSSR Sponsored National Seminar on "Methods of Measuring and Interpretation of Outcomes in Educational and Social Research"

Date: April 15th, 2022

Venue: Utsav Auditorium

Organizer: Biyani Girls B.Ed College

Objective:

The second day of the ICSSR Sponsored National Seminar continued the discussion on various methods of measuring and interpreting outcomes in educational and social research. The focus was on exploring innovative approaches and strategies for conducting research and analyzing data in the field of education and social sciences.

Key Highlights:

- 1. Presentation on Azadi Ka Amrit Mahotsav:** The day commenced with a presentation on Azadi Ka Amrit Mahotsav, celebrating 75 years of India's independence. The presentation highlighted the significance of this milestone and its implications for education and social development.
- 2. Guest Lecture by Dr. Deepak Kumar Gupta:** Dr. Deepak Kumar Gupta, a data analyst and CEO of CDART Pvt. Ltd., delivered a guest lecture on the role of data analytics in educational and social research. He discussed various data analysis techniques and their application in deriving meaningful insights from research data.
- 3. Presentation by Prof. Anjali Sharma:** Prof. Anjali Sharma, HOD of a Central University in Kishangarh, shared her expertise on innovative research methodologies in educational research. She discussed emerging trends and best practices in conducting research studies in the field of education.
- 4. Contribution from Dr. Sampark Acharya:** Dr. Sampark Acharya from Rajasthan Shikshak Mahavidyalaya presented his insights on the challenges and opportunities in interpreting research outcomes in the context of social sciences.

PRINCIPAL

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

He discussed the importance of contextually relevant interpretations for effective decision-making.

5. Closing Remarks by Principal Dr. Ekta Pareek: The seminar concluded with closing remarks by Principal Dr. Ekta Pareek. She expressed her gratitude to the speakers, participants, and organizers for their contributions to the seminar. Dr. Pareek emphasized the importance of continuing discussions and collaborations in advancing research in education and social sciences.

Conclusion: Day 2 of the ICSSR Sponsored National Seminar provided a platform for insightful discussions and knowledge sharing on research methodologies in education and social sciences. The presentations and lectures by esteemed speakers enriched the understanding of participants and contributed to the advancement of research practices.

Acknowledgment: We extend our heartfelt thanks to all the speakers, participants, and organizers for their active involvement and valuable contributions to the seminar. Special appreciation to Dr. Ekta Pareek for her leadership and guidance throughout the event.

Report on Biyani "BICON-2019" International Conference 2019

Date: September 25, 2019

Venue: Biyani Girls B.Ed. College

Introduction:

Biyani Girls B.Ed. College organized the Biyani Conference (BICON) on September 25, 2019, focusing on the theme "Issue and Challenges to Achieve Sustainable Development Goals." The conference aimed to foster discussions and generate insights into the obstacles hindering the achievement of sustainable development goals (SDGs) and propose strategies for overcoming them.

Session 1: Inaugural Ceremony

The inaugural ceremony set the tone for the conference and featured esteemed speakers

1. Dr. Lalit K. Bansal: Dr. Bansal delivered the keynote address, emphasizing the importance of addressing contemporary issues and challenges to achieve sustainable development goals. He highlighted the need for interdisciplinary collaboration and innovative solutions to tackle complex sustainability issues.
2. Dr. Sanjay Biyani: Dr. Sanjay Biyani, one of the organizers, welcomed the participants and emphasized the role of education in promoting sustainable development. He stressed the importance of empowering students and educators to become agents of change in their communities.
3. Dr. Rajiv Biyani: Dr. Rajiv Biyani, another organizer, outlined the objectives of the conference and expressed his optimism about the potential impact of collective efforts in addressing sustainability challenges. He encouraged participants to actively engage in discussions and contribute their insights.

Session 2: Invited Lectures

PRINCIPAL

BIYANI GIRLS B.ED. COLLEGE
SEC-3, VIDHYADHAR NAGAR, JAIPUR

The second session featured invited lectures by distinguished experts:

1. Dr. S.S. Somra: Dr. Somra delivered a lecture on the environmental challenges facing society and the implications for achieving sustainable development goals. He highlighted the need for integrated approaches to environmental conservation and sustainable resource management.
2. Dr. Sanjula Thanvi: Dr. Thanvi discussed the role of social development in advancing sustainable development goals. She emphasized the importance of addressing social inequalities, promoting inclusive growth
3. Justice K. Ranka: Justice Ranka provided insights into the legal and policy frameworks governing sustainable development. He discussed the role of the judiciary in interpreting and enforcing environmental laws and regulations to ensure sustainable development practices.

Conclusion:

The Biyani Conference (BICON) on "Issue and Challenges to Achieve Sustainable Development Goals" at Biyani Girls B.Ed. College was a significant platform for addressing pressing sustainability issues. The inaugural ceremony and invited lectures by distinguished speakers provided valuable insights into the multifaceted challenges hindering the achievement of sustainable development goals. As participants continue to engage in discussions and implement innovative solutions, they will contribute to advancing sustainable development agendas at local, national, and global levels.

programme was ended with high tea. All these lecturers were helpful to introduce and promote excellence and efficiency in higher education for women: a mission and indentify the challenges hindering the same.

Outcomes of the Seminar

1. This seminar has successfully proven helpful in promoting awareness of the skilled based higher education for women to curb unemployment. Many people came to know about the importance of higher education in the life of a women and its effect and benefits for our society.
2. This seminar also gave information of new dimensions of job for women with visual impairment. Through this seminar we came to know that there are a lot of job options are waiting for visually impaired girls like teaching, civil services, official job, media, guidance and counsellor etc. With the effective use of assistive technology visually impaired girls can make their access to the environment, society and different opportunities after getting higher education.
3. Another chief outcome of this seminar is to find out issues related present challenges and opportunities for women in higher education. Some challenges are gender disparity, difference in planning of policies and their implementation, early marriages, risk of sexual abuse, negative attitude of society, costly and expensive education etc. and some suggestions also given in this seminar to deal with these challenges.
4. Seminar also created awareness about the role of different government policies, funding agencies and stake holders for excellence in higher education for women.
