### Report on Cyber Security Awareness Program

Date: December 09, 2019

Venue: Biyani Girls B.Ed. College, Jaipur

#### Executive Summary:

The Cyber Security Awareness Program conducted at Biyani Girls B.Ed. College on December 09, 2019, was a comprehensive initiative aimed at equipping students and faculty with essential knowledge and practices to enhance their cyber safety. Coordinated by Ms. Bharti Sharma, the event addressed the growing concerns related to cyber threats and promoted a culture of digital resilience.

#### Event Highlights:

**Objective and Purpose:** The primary objective of the Cyber Security Awareness Program was to educate participants about the risks associated with cyber activities and impart practical skills to safeguard personal and institutional data. The program sought to create a proactive and informed community regarding online security.

**Participant Engagement:** The program garnered active participation from students, faculty, and staff members of Biyani Girls B.Ed. College. Interactive sessions, discussions, and real-life case studies were incorporated to engage participants in understanding the relevance and urgency of adopting secure online practices.

#### Expert Presentations:

Renowned experts in the field of cybersecurity were invited to deliver insightful presentations. These sessions covered a wide range of topics, including common cyber threats, phishing attacks, password management, and the importance of regular software updates. Participants benefitted from the expertise shared by the speakers.

#### Hands-On Workshops:

Practical workshops were conducted to provide participants with hands-on experience in implementing cybersecurity measures. This included demonstrations on setting strong passwords, identifying phishing emails, and installing antivirus software. The workshops aimed at empowering participants with actionable knowledge.

**Cyber Hygiene Pledge:** As a symbolic commitment to practicing good cyber hygiene, participants were encouraged to take a Cyber Security Pledge. This initiative aimed at fostering a sense of responsibility among individuals to follow best practices and share the acquired knowledge with their peers.

**Distribution of Educational Materials:** Informative brochures, pamphlets, and other educational materials were distributed to all participants. These materials served as quick references for cyber security tips and guidelines, enabling participants to reinforce their learning beyond the event.

**Question-Answer Session:** A lively question-answer session allowed participants to seek clarification on specific cyber security concerns. This interactive segment facilitated a deeper understanding of the issues discussed during the program and provided personalized guidance to attendees.

**Conclusion:** The Cyber Security Awareness Program at Biyani Girls B.Ed. College, under the guidance of Coordinator Bharti Sharma, successfully educated and empowered participants in navigating the digital landscape securely. The event not only heightened awareness but also equipped the college community with practical skills to protect themselves against cyber threats.

**Report on Session on Sarkari Vidhayalayan Ka Nijikaran**

**Date:** March 07, 2022

**Venue:** Biyani Girls B.Ed. College, Jaipur

### **Objective:**

The session on "Sarkari Vidhayalayan Ka Nijikaran" aimed to provide insights into the heating topic of privatization of government schools and discuss about how it would affect both educators and society and its pros and cons. Privatization of government schools has been a subject of intense debate and scrutiny in education policy circles globally. It aims to provide an in-depth analysis of the phenomenon, exploring its drivers, impacts, challenges, and potential implications for the future of education.

### **Session Highlights:**

Points discussed and emphasised were-

#### 1. Overview of Privatization Trends:

- The rise of privatization initiatives in education systems worldwide.
- Various forms of privatization, including charter schools, voucher programs, and public-private partnerships.
- Factors driving the privatization trend, such as market-oriented reforms, globalization, and dissatisfaction with public education outcomes.

#### 2. Advantages of Privatization:

- Enhanced educational quality through competition and innovation.
- Greater autonomy and flexibility for school administrators and teachers.

  
PRINCIPAL  
BIYANI GIRLS B.ED. COLLEGE  
SEC-3, VIDHYADHAR NAGAR, JAIPUR

## BIYANI GIRLS B.ED. COLLEGE, JAIPUR

- Increased accountability and efficiency in resource allocation.
- Expansion of educational choices and opportunities for students and parents.

### 3. Disadvantages and Challenges:

- Exacerbation of inequality and segregation, particularly for disadvantaged and marginalized communities.
- Loss of public accountability and transparency in school governance.
- Concerns about equitable access, as privatized schools may exclude or unreserved certain student populations.
- Potential erosion of the public education system's foundational values and mission.

### 4. Case Studies and Empirical Evidence:

- Examination of privatization experiences in various countries and regions, including the United States, Chile, Sweden, and India.
- Analysis of academic achievement, equity, and social outcomes associated with privatization initiatives.
- Identification of successful models and best practices for mitigating the negative impacts of privatization.

### 5. Policy Implications and Recommendations:

- Strategies for balancing the benefits and risks of privatization while safeguarding educational equity and access.
- Policy recommendations for strengthening public accountability, oversight, and regulation of privatized schools.
