Report on Session on "No Child Marriage"

Date: January 18, 2023

Venue: Biyani Girls B.Ed. College, Jaipur

Introduction:

On January 18, 2023, Biyani Girls BEd College organized a session titled "No Child Marriage" to raise awareness about the detrimental effects of child marriage and advocate for its prevention. The session aimed to empower students with knowledge about the legal, social, and health implications of child marriage and encourage them to become agents of change in their communities.

Session Highlights:

- 1. Introduction to Child Marriage:** The session began with an introduction to child marriage, highlighting its prevalence and consequences worldwide. Participants learned about the definition of child marriage, which refers to any formal or informal union where one or both parties are under the age of 18.
- 2. Legal Framework:** A discussion on the legal framework surrounding child marriage followed, focusing on relevant laws and regulations in India. Participants were informed about the Prohibition of Child Marriage Act, 2006, which aims to prevent the solemnization of child marriages and protect the rights of minors.
- 3. Impact on Education and Health:** The session explored the impact of child marriage on education and health outcomes, particularly for girls. Participants learned about the correlation between child marriage and early school dropout rates, as well as the increased risk of maternal and infant mortality associated with early childbirth.

Report on 5-Day Self Defence Workshop

Date: 3rd January 2022 - 7th January 2022

Venue: Biyani Girls B.ED College

Introduction:

Biyani Girls B.ED College organized a comprehensive 5-day self-defence workshop aimed at empowering the students with essential skills and knowledge to protect themselves in various situations. The workshop was conducted by Ms. Sunita Meena, an experienced trainer from Nirbhaya Squad, renowned for her expertise in self-defence techniques.

Day 1: Understanding Self-Defence Basics (3rd January 2022)

Ms. Sunita initiated the workshop by emphasizing the importance of self-defence in today's world. She introduced basic concepts such as situational awareness and the psychology of an attacker. Practical demonstrations of simple yet effective physical techniques were provided, focusing on strikes, blocks, and escapes.

Day 2: Techniques for Physical Defence (4th January 2022):

The focus of the second day was on learning physical techniques for self-defence. Ms. Sunita demonstrated various moves including punches, kicks, and grabs, ensuring that each participant had a clear understanding of proper execution and effectiveness.

Day 3: Self-Defence against Common Attacks (5th January 2022):

Participants were taught how to defend themselves against common types of attacks such as grabs, chokes, and holds. Ms. Sunita emphasized the importance of staying calm and confident in such situations, and provided practical drills for mastering the techniques.

Day 4: Defence in Real-Life Scenarios (6th January 2022):

The workshop progressed to simulating real-life scenarios where participants had to apply the learned techniques. Role-playing exercises helped students understand

Report on Mental health awareness program

Date: October 19th, 2021

Organizer: Biyani Girls B.Ed. College

Speaker: Dr. Shipra Gupta

Objective:

Introduction:

Mental health awareness is a critical issue, especially among students who face various academic, personal, and social challenges. To address this important topic, Biyani Girls B.Ed College organized a mental health awareness program for its students. The program was led by Dr. Shipra Gupta, a respected psychologist, who aimed to educate and empower students to prioritize their mental well-being.

Event Details:

The mental health awareness program at Biyani Girls B.Ed College was designed to provide students with valuable insights and resources to support their mental health and well-being. Dr. Shipra Gupta, with her expertise in psychology and counseling, delivered an informative and interactive session that focused on raising awareness about mental health issues and promoting strategies for self-care and support.

Key Highlights:

1. Understanding Mental Health: Dr. Shipra Gupta began the program by providing an overview of mental health and the importance of prioritizing mental well-being. She discussed common mental health issues faced by students, such as stress, anxiety, depression, and academic pressure, and emphasized the need to break the stigma surrounding mental illness.

2. Recognizing Signs and Symptoms: The program focused on helping students recognize the signs and symptoms of mental health disorders. Dr. Shipra Gupta discussed warning signs to look out for, such as changes in mood, behavior, sleep patterns, and academic performance. She encouraged students to pay attention to their mental health and seek help if needed.

3. Promoting Self-Care: Dr. Shipra Gupta shared practical strategies for self-care and stress management to help students cope with the challenges of daily life. She introduced techniques such as mindfulness meditation, deep breathing exercises, and healthy lifestyle habits that can positively impact mental well-being. She also emphasized the importance of maintaining social connections and seeking support from friends, family, and mental health professionals.

4. Creating a Supportive Environment: The program aimed to create a supportive and inclusive environment where students felt comfortable discussing mental health concerns and seeking help. Dr. Shipra Gupta encouraged open communication and destigmatized conversations about mental illness. She provided information about available resources and support services both within the college and in the community.

5. Interactive Discussions: The program included interactive discussions, activities, and Q&A sessions to engage students actively in the learning process. Dr. Shipra Gupta encouraged students to share their experiences, concerns, and questions related to mental health. Through these discussions, students were able to gain valuable insights and support from their peers and the speaker.

Report on Session on how to reduce the exam fear

Date: August 11th, 2021

Organizer: Biyani Girls B.Ed. College

Speaker: Dr. Sanjay Biyani

Objective:

Introduction:

Exam fear is a common phenomenon experienced by students, often leading to stress and anxiety during examination periods. Recognizing the need to address this issue and support students in managing exam-related stress, Biyani Girls B.Ed College organized a session on reducing exam fear. The session was conducted by Dr. Sanjay Biyani, the esteemed founder of the Biyani Group of Colleges, who shared valuable insights and strategies to help students overcome exam anxiety and perform their best.

Event Details:

The session on reducing exam fear was a highly anticipated event at Biyani Girls B.Ed College, drawing a large number of students eager to learn how to manage exam-related stress. Dr. Sanjay Biyani, with his vast experience in education and counseling, delivered an engaging and informative session that aimed to empower students with practical techniques and mindset shifts to conquer exam fear.

Key Highlights:

1. Understanding Exam Fear: Dr. Sanjay Biyani began the session by discussing the common causes and manifestations of exam fear. He explained how fear of failure, performance pressure, and self-doubt can contribute to exam anxiety, impacting students' confidence and performance.

2. Identifying Triggers: The session focused on helping students identify the specific triggers and sources of their exam fear. Dr. Sanjay Biyani encouraged students to reflect on their thoughts, feelings, and behaviors surrounding exams, allowing them to gain insights into their individual fears and concerns.

3. Techniques for Managing Stress: Dr. Sanjay Biyani introduced students to various techniques for managing stress and anxiety during exams. These included relaxation exercises, deep breathing techniques, positive visualization, and time management strategies. He emphasized the importance of self-care and maintaining a healthy balance between study and leisure activities.

4. Changing Mindset: The session emphasized the importance of adopting a positive mindset towards exams. Dr. Sanjay Biyani encouraged students to reframe their thoughts and beliefs about exams, viewing them as opportunities for learning and growth rather than sources of fear and anxiety. He emphasized the value of self-belief and confidence in one's abilities.

5. Seeking Support: Dr. Sanjay Biyani highlighted the importance of seeking support from teachers, mentors, and peers during challenging times. He encouraged students to reach out for help when needed and to communicate their concerns openly with trusted individuals who can provide guidance and support.

Report on Debate Competition Entitled "Vigyan - Vardaan ya Abhishap"

Date: May 22, 2021

Mode: Online (Google meet)

Organized by: M.Ed. Students

Introduction:

On May 22, 2021, M.Ed. students organized a thought-provoking debate competition titled "Vigyan - Vardaan ya Abhishap" (Science - Boon or Curse). The competition aimed to provide a platform for participants to express their views on the impact of science and technology on society. It sought to foster critical thinking and intellectual discourse on the benefits and drawbacks of scientific advancements.

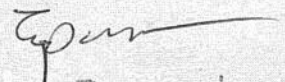

Format:

The debate followed a structured format, with participants divided into teams representing the affirmative (Vardaan) and negative (Abhishap) sides of the topic. Each team consisted of speakers who presented arguments supporting their respective positions. The debate was moderated by [Specify Moderator], who ensured fairness and adherence to the rules.

Key Points Discussed:

1. Affirmative Side (Vardaan):

- Advocated the view that science and technology are blessings that have significantly improved human life.
- Cited examples such as medical advancements, technological innovations, and improved living standards to support their arguments.

Principal
Biyani Girls B.Ed College

Where you can trust

- Emphasized the role of science in addressing global challenges and enhancing human progress.

2. Negative Side (Abhishap):

- Argued that while science has brought about advancements, it has also led to various ethical and environmental concerns.
- Highlighted issues such as environmental degradation, ethical dilemmas in scientific research, and the potential misuse of technology.
- Stressed the importance of ethical considerations and responsible use of scientific knowledge.

Judging Criteria:

- Clarity and coherence of arguments
- Use of evidence and logical reasoning
- Relevance to the topic
- Presentation skills and persuasiveness
- Overall impact and effectiveness of the debate

Result and Prize Distribution:

After a lively and intellectually stimulating debate, the judges deliberated and announced the winning team based on the criteria mentioned above. [Specify Winning Team] emerged as the victors, demonstrating exceptional debating skills and persuasive arguments. Prizes were awarded to the winning team members in recognition of their achievement.

Conclusion:

The debate competition on "Vigyan - Vardaan ya Abhishap" provided participants with a platform to engage in meaningful dialogue and critical analysis of the impact of science and technology on society. It encouraged students to explore diverse perspectives and articulate their views on a complex and relevant topic.

Report on Session: "Effect of Internet on Students"

Date: December 31, 2020

Mode: Online (Google Meet)

Presented by: M.Ed. Students

Introduction:

On December 31, 2020, M.Ed. students organized a session to discuss the profound impact of the internet on students' lives. The session aimed to explore both the positive and negative effects of internet usage among students and to provide insights into effective strategies for managing internet usage responsibly.

Key Objectives:

1. To examine the various ways in which the internet influences students' academic performance, social interactions, and overall well-being.
2. To identify the potential risks and challenges associated with excessive internet usage among students.
3. To discuss practical strategies for promoting responsible internet usage and mitigating the negative effects.

Session Highlights:

1. **Understanding the Influence of the Internet:** The session commenced with an overview of the pervasive influence of the internet on students' lives. Participants discussed how the internet has revolutionized education, providing access to vast

resources and facilitating remote learning opportunities. Additionally, the impact of social media on students' social interactions and mental health was explored.

2. Exploring Positive Effects: Participants highlighted the numerous benefits of internet usage for students, including access to educational materials, opportunities for collaboration and networking, and enhanced communication with peers and educators. The internet's role in promoting digital literacy and facilitating self-directed learning was also discussed.

3. Addressing Negative Effects: The session also addressed the potential negative effects of excessive internet usage, such as decreased academic performance, social isolation, cyber bullying, and addiction. Participants engaged in a candid discussion about the challenges students face in managing their internet usage effectively and the need for greater awareness and support.

4. Promoting Responsible Internet Usage: Practical strategies for promoting responsible internet usage among students were discussed. These included setting boundaries on screen time, practicing digital hygiene, fostering critical thinking skills to evaluate online information, and encouraging open communication between students, parents, and educators.

5. Role of Educators and Parents: Participants emphasized the crucial role of educators and parents in guiding students' internet usage and promoting digital citizenship. They underscored the importance of providing education and support to help students navigate the online world safely and responsibly.

Conclusion:

The session on the "Effect of Internet on Students" provided valuable insights into the multifaceted impact of internet usage on students' lives. Participants gained a deeper understanding of both the positive and negative effects of internet usage

Principal

Report on Debate on "Save Girl Child" by B.Ed. and M.Ed. Students

Date: January 28, 2020

Venue: Biyani Girls B.Ed. College, Jaipur

Introduction:

Biyani Girls B.Ed. College organized a thought-provoking and engaging debate on the crucial topic of "Save Girl Child" on January 28, 2020. The event brought together B.Ed. and M.Ed. students to express their perspectives and contribute to the ongoing dialogue on gender equality and female empowerment.

Event Highlights:

1. Diverse Participation:

The debate witnessed active participation from both B.Ed. and M.Ed. students, showcasing a diversity of perspectives and insights on the topic. Students from different academic levels brought unique viewpoints to the discussion.

2. Varied Topics Explored:

Participants explored a range of related topics, including gender bias, female education, female foeticide, and societal perceptions of the girl child. The diversity of subjects allowed for a comprehensive examination of the challenges and solutions associated with saving the girl child.

3. Format of the Debate:

The debate was structured to include multiple rounds, including opening statements, individual speeches, and a question-and-answer session. This format

Principal
Biyani Girls B.Ed. College

allowed for a thorough exploration of the various facets of the "Save Girl Child" theme.

4. Research and Analysis:

Students demonstrated their research and analytical skills by presenting well-supported arguments. They drew on statistics, case studies, and real-life examples to strengthen their positions, fostering a deep and informed conversation.

5. Expressive Communication:

Effective communication skills were on display as participants articulated their thoughts persuasively and passionately. The eloquence of the speakers contributed to the impact of the debate.

6. Judicious Evaluation:

A panel of judges, comprised of faculty members or external experts, evaluated the participants based on criteria such as content, delivery, and overall impact. This ensured a fair and constructive assessment of each participant's performance.

7. Audience Engagement:

The audience, consisting of students, faculty, and possibly external guests, actively engaged in the debate. Questions and comments from the audience added depth to the discussion and fostered a sense of collective responsibility for addressing the issues at hand.

Conclusion:

The "Save Girl Child" debate at Biyani Girls B.Ed. College, coordinated by Ms. Sunita Kumari Sharma, was a resounding success. The event not only provided a platform for students to express their opinions on a critical societal issue but also encouraged critical thinking, research, and effective communication skills. Date: September 16, 2019

Venue: Biyani Girls B.Ed. College

Speaker: Dr. Sanjay Biyani

Executive Summary:

The Panel Discussion on World Ozone Day, held at Biyani Girls B.Ed. College on September 16, 2019, served as a platform for insightful discussions and awareness-building on the critical issue of ozone layer preservation. Dr. Sanjay Biyani, as the keynote speaker, and under the coordination of Ms. Sunita Kumari, the event successfully addressed the significance of World Ozone Day and the collective responsibility to safeguard the ozone layer.

Event Highlights:

Objective and Purpose: The primary objective of the Panel Discussion was to commemorate World Ozone Day and raise awareness about the importance of the ozone layer in sustaining life on Earth. The event aimed to educate students and faculty on the threats to the ozone layer and the role they can play in its protection.

Keynote Address by Dr. Sanjay Biyani: Dr. Sanjay Biyani, an eminent figure, delivered a comprehensive keynote address, highlighting the historical context of World Ozone Day, the significance of the ozone layer, and the global efforts towards ozone layer protection. His insights set the stage for the subsequent panel discussion.

Panel Discussion: The panel discussion featured experts from various fields, including environmental science, climatology, and sustainable development. Panelists engaged in a dynamic discourse on topics such as ozone layer depletion, its consequences, and the need for sustainable practices to mitigate further damage.

Principal
Biyani Girls B.Ed. College

Report on Awareness Program on 'Water Harvesting'

Date: 7 August, 2019

Venue: Biyani Girls B.Ed. College

Introduction:

The Seminar was organized by Lions Club Diamond, Jaipur at Biyani Girls B.Ed. College.

Event highlight:

In Water Harvesting and conservation seminar the Biyani Girls B.Ed. College students demonstrated the Analytical Performance of DEPSOR for the sensitive detection of major heavy metal ions mainly mercury, cambium. lead, zinc and others with detection limits in ppb levels and below the permissible range set by WHO in front of dr. Rajendra singh (Waterman of India) and Jaipur Mayor Vishnu Lata.

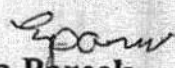

Objectives:

Rainwater harvesting provides the independent water supply during regional water restrictions, and in developed countries, it is often used to supplement the main supply. It provides water when a drought occurs, can help mitigate flooding of low-lying areas, and reduces demand on wells which may enable groundwater levels to be sustained.

Conclusion:

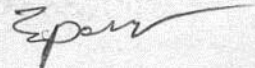

The project activities, budget and timelines have been carefully planned to ensure that the system is installed efficiently and effectively.

Report on Awareness Program entitled "Road Safety"

Date: 20th February 2019

Time: 10:00 AM

Venue: Biyani Girls B.Ed. College

Event: Road Safety Awareness Program in association with Traffic Police Jaipur

Introduction:

Biyani Girls B.Ed. College organized an impactful Road Safety Awareness Program in collaboration with Traffic Police Jaipur on 20th February 2019. The aim of the program was to educate and empower students about the importance of road safety practices to prevent accidents and ensure the well-being of all road users.

Guest of Honour:

Mr. Devendra Kumar Bishnoi, Police Commissioner of Jaipur, graced the occasion as the esteemed guest of honour. His presence added significance to the event and underscored the commitment of the local law enforcement authorities to promoting road safety awareness.

Objective:

The primary objective of the program was to raise awareness among students about the importance of adhering to traffic rules and adopting safe driving habits. By partnering with Traffic Police Jaipur, the college aimed to provide students with valuable insights into road safety measures and empower them to become responsible road users.

Principal
Biyani Girls B.Ed. College
Jaipur

Program Highlights:

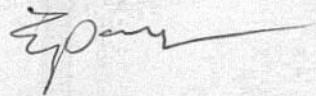

1. **Educational Presentations:** Informative presentations were delivered by representatives from Traffic Police Jaipur, highlighting key aspects of road safety such as traffic signals, pedestrian safety, helmet and seatbelt usage, and the dangers of driving under the influence of alcohol or drugs.
2. **Interactive Sessions:** Interactive sessions were conducted where students had the opportunity to engage with the guest of honor and traffic police officers. They could ask questions, share their experiences, and clarify doubts regarding road safety regulations and practices.
3. **Demonstrations:** Practical demonstrations were organized to illustrate the correct usage of safety equipment such as helmets, seatbelts, and reflective clothing. Students were encouraged to actively participate in these demonstrations to reinforce their understanding of safety measures.
4. **Awareness Campaign:** An awareness campaign was launched within the college premises to promote road safety among students. Posters, banners, and pamphlets were distributed, featuring messages and tips on safe driving and pedestrian behaviour.

Impact:

The Road Safety Awareness Program had a profound impact on the students, enhancing their awareness and understanding of road safety issues. By engaging with experts from Traffic Police Jaipur and learning firsthand about the importance of responsible road behaviour, students were inspired to become advocates for road safety within their communities.

Conclusion:

The collaboration between Biyani Girls B.Ed. College and Traffic Police Jaipur for the Road Safety Awareness Program exemplifies the importance of partnerships in promoting a culture of safety on the roads. Through educational initiatives and interactive sessions, the program equipped students with the

Principal
Biyani Girls B.Ed. College
