In case any dispute or difference with Management of the Institute, Chairman shall nominate an arbitrator whose decision shall be final and binding upon both the parties. Venue of arbitration shall be at the discretion of the arbitrator. No party shall have a right to go to a court of law.

You will be allowed one casual leave per month during the probation period.

Obligations on part of the employee :

You are liable to be terminated without any notice on grounds of incompetence and indiscipline.

Your security deposit equal to one month of salary will be kept by the institution by making half month's pay deduction, in 2 installments from first 2 month's salary & it will be refunded to you on the completion of your appointment on 31st March, 2010.

You are required to complete atleast one academic session and you will not be permitted to leave before completing the session. As you know that completion of whole academic session is very important from student's point of view and all of a sudden movement of faculty will certainly create problems for the students. To discourage such type of practice we have decided to forfeit your security deposit if you leave the college in between session.

You will not be given any experience certificate if you leave the college in between session or in case of termination of your service due to incompetence & indiscipline.

You will follow rules & regulations of the college & charter of duties enclosed with this letter.

You are advised to go through our college manual which are kept with administrator.

We hope that through this arrangement we will achieve our mission of women empowerment through technical education. Please return the second copy of the same duly signed by you in token acceptance of this letter.

You are liable to be terminated without any notice on grounds of incompetence and indiscipline.

Your security deposit equal to one month of salary will be kept by the institution by making half month's pay deduction, in 2 installments from first 2 month's salary & it will be refunded to you on the completion of your appointment on 31st March, 2023.

You are required to complete atleast one academic session and you will not be permitted to leave before completing the session. As you know that completion of whole academic session is very important from student's point of view and all of a sudden movement of faculty will certainly create problems for the students. To discourage such type of practice we have decided to forfeit your security deposit if you leave the college in between session.

You will not be given any experience certificate if you leave the college in between session or in case of termination of your service due to incompetence & indiscipline.

You will follow rules & regulations of the college & charter of duties enclosed with this letter. You are advised to go through our college manual which are kept with administrator.

We hope that through this arrangement we will achieve our mission of women empowerment through technical education. Please return the second copy of the same duly signed by you in token acceptance of this letter.

With best wishes.
