Biyani Girls B.Ed. College came into existence in the year 2006 by starting B.Ed. course for which it is affiliated to the university of Rajasthan, Jaipur and approved by NCTE, New Delhi. Other courses which have commenced from the session 2008-09 are M.Ed. and B.S.T.C.

1.1 HISTORY OF BIYANI GIRLS B.ED. COLLEGE

“**Sa VidhyaYaVimuktaye**”, we must provide freedom from the “Monster of Unemployment” to our students to ensure the real meaning of education. The current educational scenario is not suitable in this respect in which “Industry Demand” and “Education” are like the digit 36. That means the current education system is not properly planned as per the industry demand. Removal of this gap is extremely important for placements. Our Hi-tech inception in the field of technical education is infact a beginning towards our employment enriching horizon for girls.

The Biyani Shikshan Samiti was formed by a team of young dynamic, result-oriented persons. It was registered under the Rajasthan Society Registration Act, 1958 having Reg. No. 500/Jaipur/1997-98. The overall objective of the Samiti is to empower women through technical education. The foundation stone of the present college campus was laid by Param Pujya Shri Kirit Bhai Ji in the month of Feb’2005.

With this aim an idol of ‘**Saraswati**’ is placed in the porch of the main college campus. Recently a ‘**Hanuman**’ and ‘**Shiv Parivar**’ temple is constructed in the college premises, which was formally inaugurated by Param Pujya Shri Kirit Bhai ji on 30 April 2009.
- 1.3** The College with its motto “**Women Empowerment through Technical Education**” is moving ahead in leaps and bounds. The present education system focuses mainly on theoretical knowledge -facts and figures. There is a wide gap between the need of industry and the practical perception of students. The college has introduced a special module called “**Personality Enhancement Programme**” (PEP) along with the academic curriculum with the purpose of equipping the young aspirants with the tools of the trade or professionalism. Under the PEP a wide range of activities / lectures are organized in which specialists from different fields are invited to interact with the students. The subjects include communication skills, inter personal behaviour, confidence building, stress management, Yoga, meditation etc. These programmes are conducted under the overall control and supervision of a Dean, PEP and a counselor.
