

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

(Session 2021-22)

Best Practice-1

Title - **CAP (community awareness program)**

community awareness program to aware students and society about the community problems , is the best practice of the college.

Context

Biyani Girls B.Ed.College is committed for women education. Girl students are the perspective teachers keeping this in Mind College has initiated some community awareness programs. In present scenario our society is facing so many problems such as child labour, superstition, excessive use of plastic, child marriage, population explosion, women foeticide etc. In teacher training program it is very important to make aware pupil teachers about these community issues so that they can face the challenges of society.

Objective

The main objectives of the **CAP** programme are-

1. To creat awareness against superstition among pupil teachers and society
2. To engage pupil teachers in awareness programme .
3. To make the pupil teachers feel connected with community
4. To develop communication skill among pupil teachers .
5. To increase the students participation in community activities .

Practice

During **CAP** programme following awareness program were conducted -

1. World Cancer day (04-02-22)
2. Corona vaccination awareness 17-1-22
- 3.**Awareness towards paper bag use** 08 /02 /2022
- 4.**SANITATION AND HYGINE** (7-1-22)

5. Save Girl Child (14-2-22)
6. Say No to Plastic (7-1-22)
7. Swatch Bharat (26-8-22)
8. Awareness Programme on POCOA Act Date -10/03/2022
9. Awareness Program on NO Child Labor Date -27/10/2022
10. Awareness Programme on World No Tobacco day (31-5-22)
11. Awareness program on Samajik Andhishvasho ke prati jagrukta (14-2-22)
12. Awareness Programme on Save Trees(26-08-22)

These awareness programs were very beneficial for the pupil teachers as well as for the community also.

Challenge

It was a great challenge for Institute to connect with community persons and students due to lack of time ,rigid curriculum and financial facilities.

Impact

More than 500 students and community persons were benefitted by these community programmes .There was a huge positive response of people towards these programs.

Resources

Trained students and other faculty members were involved in this programme.

Best Practice -2

Title

Covid-19 special initiative educational app GuruKPO Plus for community learning during pandemic situations

Context

During pandemic situations our community is looking towards online learning platforms to continue with the process of education. Biyani Girls B.Ed College launched Guru Plus app which allows students of community to attend classes from any location of their choice.

Objective

- To offer teachers an efficient way to deliver lessons to students of various community.
- To allows students and community to excess the learning material at a time of their comfort.
- To create paperless learning environment which is more beneficial to community environment.
- To create a perfect learning environment to the needs of community.

Practice

This app is the advance version of Guru KPO app .Guru KPO plus provides versatile study material at one place specially focus and specialising in the study material for the students of higher and professional education .The contents on the portal covers area related to teacher education along with training in soft skills. Students can download Guru KPO Plus app directly from Google play store.No login required. This is a good platform for the student's online learning.It contains all the relevant materials for the students. Under this scheme

college provides all possible support to the students through excellent notes prepared by our highly qualified team of academic persons, video lectures, e-contents, regular online classes etc.

Features of Guru KPO Plus app are-

* Anytime anywhere learning-watch our classes live recorded anytime with the comfort of all your devices.

*Interactive live classes-attend live classes. Participate live chat and get your doubts cleared during this class.

*Analyze- The app provides an in-depth analysis based on customised test and personalized learning path adopted by the students.

This Covid-19 special initiative educational app was very beneficial for all the students and teachers.

Challenge

Some challenges were lack of social and nonverbal cues, literacy skills and lack of familiarity with other participants.

Impact

More than 2000 students and community persons benefited by this app.

Resource

Video lecture studio was set up for the recording of lectures.
