FROM THE DESK OF CHAIRMAN

Education is the foundation upon which we build our future.
— Christine Gregoire

Every citizen of this country has the fundamental right to be educated.

Standing at the threshold of the new academic session, we, at Biyani Group of Colleges, renew our commitment to the spirit of sharing knowledge and grooming new talents.

The institution trains young managers with an ethical and social vision. We firmly believe that corporate managers must be socially sensitive, true to their values and enterprising enough to deviate from the beaten track.

The institution ensures that students are motivated and trained to become job-creators. We have a team of highly qualified teachers and trainers who wholeheartedly make efforts to create a conducive learning environment at our serene campuses in Vidhyadhar Nagar, Champapura and Kalwar.

The world of management is undergoing tremendous transformation. With globalisation, new business opportunities are opening up. Management students can now seek careers in diverse domains – some traditional, some modern. Numerous students still opt for traditional career options like marketing, finance and HR in sectors like manufacturing, retail, telecom and pharmaceuticals. Simultaneously, students are also looking for career options in media, fashion designing, education, training & languages. Upcoming youths are more enterprising and adventurous.

The institution looks into the interests of such diverse groups of students and motivates them to fulfill their dreams. We have introduced Japanese, German & French language studies in the curriculum to help students secure jobs globally.

The institution has achieved a milestone through continuous research projects undertaken in association with Japanese universities. All credit for this goes to untiring efforts of Dr. Manish Biyani & his team.

We are making sincere efforts for creating a history in the field of education by establishing Biyani University in the upcoming session.

In our march towards excellence, we look forward to your support. We welcome you to the Biyani Group of Colleges – A place where you can trust.

Dr. Rajeev Biyani
Chairman

"Perfection is the greatest motivator to achieve one's goal and it comes through discipline and hard-work."

— Dr. Rajeev Biyani
Chairman
Biyani Group of Colleges

FEEL THE POWER OF TRUTH

FROM THE DESK OF DIRECTOR (ACADEMICS)

Brimming with hope and dreams of scaling new heights, we are stepping into this new academic year. I wish that you remain focused on your academic and career goals and forge ahead on the path of success and glory.

The Biyani Group of Colleges believes in empowering youths by making them realise their hidden potential and developing their personalities.

A great responsibility is vested on us as educators of the modern world. We aim at imparting quality education with practical knowledge to enhance the employability of students.

Simultaneously, we instill in them values that shape their attitude, outlook and conduct, thereby laying a strong foundation for them to tackle the challenges of life. Our life skills training programme 'OORJA' goes a long way in achieving this.

All our three campuses in the city are equipped with modern facilities. Our infrastructure reflects our commitment to offer nothing but the best to the young, aspiring youths looking to make a mark in the ever-changing competitive world. But infrastructure alone is not enough. The most valuable asset of any academic institution is its faculty. We take immense pride in our highly competent and qualified faculty. Together, we aim at making the young minds self-motivated, disciplined, confident and morally upright by blending modernity with traditional values.

The academic session 2020-2021 will be what we decide to make it. Let's focus on all that is good and right in the world: Truth, knowledge, learning, choice, faith, family, and so much more. We have the power to change the world through the key of education.

I welcome you to the vistas of Biyani Group of Colleges.

Prof. Sanjay Biyani
Director (Academics)

"Formal education teaches you how to earn a livelihood, but to make a fortune, you need self-education."

— Prof. Sanjay Biyani,
Director (Academics)
Biyani Group of Colleges

FEEL THE POWER OF TECHNOLOGY

FROM THE DESK OF DIRECTOR (R&D)

The Biyani Group of Colleges is an entrance to the scholarly activity. At the Biyani Research Group, we promote research activities aimed at improving the daily life of the common man. So we shoulder dual responsibilities of rendering academic aspirations ('Science for Knowledge') and scientific careers ('Science for Society').

The research activities are encouraged through our unique India-Japan exchange programmes that involve an integration of academic excellence, professional learning and research-based development. These programmes provide our students with an opportunity to visit and study in Japan. Our India-Japan exchange programmes are immensely popular. They are recognized by both the countries. Recently, we received the Certificate of Commendation from the Ministry of Foreign Affairs of Japan. Our institution has been empanelled as the Sending Organization for Japan's Technical Intern Training Programme from the Ministry of Skill Development & Entrepreneurship of India.

It is our collective efforts that make this college such a vibrant place to learn, work, explore and move ahead with a scientific vision. However, we must always remember that our life does not get better by chance (what we create) but by change (what a student will make).

I welcome you to Biyani Group of Colleges where students are able to gain knowledge and advanced skills in their specialised fields, following which they can fulfil their aspirations for a growing career.

Prof. Manish Biyani
Director (R & D)

Motto of our institute is to make I-D-L to become "IDEAL"

'I' letter teaches how to bring a quality IDEA (the skill of creativity)

'D' letter teaches how to generate new DATA or information using the idea (the skill of invention)

'L' letter teaches the LANGUAGE to describe data and transform the idea to the needful society (the skill of innovation)

— Prof. Manish Biyani
Director (R&D)
Biyani Group of Colleges

FEEL THE POWER OF INTELLECT

"True knowledge comes with right attitude and perseverance."

— Ms. Priyanka Biyani
Assistant Director (Education)

FROM THE DESK OF ASSISTANT DIRECTOR

The Biyani Group of Colleges is taking big strides in the field of education, especially for girls. It is said: "If you teach a boy, you educate an individual; but if you teach a girl, you educate a community."

For over two decades, we have been working with the mission of women empowerment through professional education. And today, we are ranked among the most prestigious institutions of north India. We thank all our students, parents, alumni, teachers and industry partners for helping us reach here.

However, there is a long way to go and we are sure that with the active cooperation of all our stakeholders, we will be able to scale newer heights.

Our existing departments of Arts, Commerce & Management, Science, IT, Education, Law and Nursing continue to provide competent manpower to the society. Realising the need of the hour, we have partnered with the newly established Rajasthan ILD Skills University (RISU) to introduce skill courses in journalism and fashion designing.

The excellence in teaching and research comes from the careful choice of faculty members, in which we have never compromised.

Besides, research & development collaborations are not an additional feather in our cap, but an integral part of our growth strategy.

Come and be a part of our growth story!

The lab is equipped with basic equipment like Laminar Air Flow, Autoclave, Micro Centrifuge, Rotary Shaker, B.O.D., pH Meter, Hot Plate & Deep Freeze. The lab also has PCR, mTGGE & Spectrophotometer & Nano-Spectrophotometer.

CHEMISTRY LABORATORY

The chemistry laboratory is well organised, properly ventilated and contains all the necessary chemicals and apparatus like Kipp's Apparatus, Distillation Apparatus, Analytical Balance, Mircopipettes etc. It has latest equipment such as UV/Vis. Spectrophotometer, Ultracentrifuge, Rotatory Shaker and Electronic Weighing Balance to carry out the UG and PG experiments.

BOTANY LABORATORY

The lab has various models and botanical charts for easy understanding of concepts by the students. It has the facility of Digital pH Meter, Rotary Shaker, Laminar Air Flow & Digital Electronic Weighing Balance to carry out the various botany experiments. Besides this, the lab has various plant specimens, slides, charts & models. It has the latest equipment like Electronic Microscope & Microtome etc.

ZOOLOGY LABORATORY

The laboratory is well equipped with all the latest equipment like Microtome, Light Microscope, Centrifuge Machine, pH Meter, Electrophoresis, PCR etc. Besides these, the lab has various museum specimen, microscopes, slides, charts & models for proper demonstration of experiments to the students.

PLANT TISSUE CULTURE (PTC) LABORATORY

The college has a well-equipped PTC laboratory with Laminar Air Flow, Autoclave, Rotator Shaker and Centrifuge & Culture Chamber. Students perform various experiments like Anther Culture, Embryo Culture, Shoot Tip Culture, Seed Culture & Root Cultures etc.

PHYSICS LABORATORY

The laboratory is well equipped. It consists of instruments related to Digital Electronics, Semi-Conductor Devices, Optical Devices and Electrical Circuits. There are many display boards and circuit diagrams related to various electronic components and charts for various practicals so that students many recognise and apply them in experiments.

COMPUTER LABORATORIES

The computer labs are fully equipped with the latest facilities. There are three labs: A, B and C with more than 500 computers in total. The computers have Dual Core Processors. There is a 24x7 broadband internet facility for students & faculties. There are separate labs for Microsoft Office Specialist online examination and Tally Certification.

MICRO PROCESSOR LABORATORY

The college has a Micro Processor lab to meet the requirements of digital electronics and architecture discipline. It has VMC 8509 training kit based on 8085 Micro Processor with LCD display. Through this kit, the students can communicate with the outside world using a keyboard having 64 ASCII keys and LCD of 20" x 2". This kit also gives the advantage of interacting with CRT terminal and printer.

GEOGRAPHY LABORATORY

The geography lab has the latest gadgets and instruments to enhance students' practical knowledge. Instruments such as Clinometer, Alidade, Tracing Table, Prismatic Compass, Plane Table, Dumpy Level, Theodolite, Maps and Top Sheets help students explore the practicality of the subject. To enhance the study, 3-D maps & 3-D diagrams of various land features of earth surface and samples of rocks & minerals are also displayed in the laboratory. Availability of audio-visual aids and software like 'Google Earth' and 'Bhuwan' in the laboratory helps students in understanding the conceptual framework of the subject. Students are made to showcase their knowledge through model display exhibition.

ENGLISH LANGUAGE LABORATORY

An English language lab has been set up with the state-of-the-art technology for the enhancement of spoken English and written communication. The students and faculty members are provided with 90 hours of training at three levels through comprehensively crafted syllabi. This lab has been set up with the aim to provide world-class facilities to the students for learning English language and improving their vocal strength.

The nursing labs are well equipped to give training to the budding nurses. The lab facilities for nursing students include - fundamentals of nursing, anatomy, physiology lab, nutrition lab, community health nursing lab, medical surgical (n) lab, biochemistry lab, microbiology lab, pathology lab, midwifery & pediatric lab, audio-visual lab & computer lab. The labs have 3-D charts, suction machine, pulse Oxymeter, oxygen cylinder, dummies, operation theater etc for clinical demonstration of different procedures to the students.

RADIO SELFIE 90.8 FM (COMMUNITY RADIO)

Radio Selfie 90.8 FM (Wah Maza Aa Gaya...) is a smart initiative for the local community by the Biyani Group of Colleges. It is a community radio which provides education with entertainment. Students who are interested in radio industry get practical knowledge about how a radio functions. The students can have the hands-on-working experience of a radio jockey, show producer, copy writer, sound engineer, music manager etc. It spreads awareness and gives a voice to the local community about various social, political and economic issues. It is a brainchild of Prof. Sanjay Biyani. The Radio Selfie is committed to the community and to its mandate of ensuring the participation of people from all sections of the society.

BIYANI TV

The foundation of our own production house 'Biyani TV' was laid by Prof. Sanjay Biyani. Our channel boasts of the state-of-the-art multicar shoot facilities, PCR editing for Chroma shoot etc. Several academic and knowledge-based programmes are created here for the viewers. Our online channel provides practical knowledge and training to the students of journalism and mass communication. Here, students get practical experience of various aspects of TV production. The Counsellor Show, Khas Mulaqat, Dil Ki Baat, The Career Path, Pearls of Wisdom are some of its very popular programmes.

UTSAV (AUDITORIUM)

'Utsav' is a large air-conditioned hall with modern multimedia facilities and pleasant ambience, having a seating capacity of over 550 people. All the important college events are organised in the 'Utsav' Auditorium.

MANTHAN (CONFERENCE HALL)

'Manthan' is a conference hall having a seating capacity of 100 personss. It is an air-conditioned and well-equipped multipurpose hall used for organising meetings, conferences, guest lectures, presentations and workshops.

CAFETERIA

The hygienic cafeteria in our campus provides healthy, delicious delicacies during and after college hours. It is a popular hang-out place for hostellers and day-scholars alike.

ANAND (MESS-CUM-RECREATION HALL)

In order to provide a family atmosphere to the hostellers, a mess-cum-recreation hall is attached to both the hostels where they can spend some of their leisure time. A television is set up in the mess area to keep the hostellers tuned to the day-to-day happenings around the world and also to provide them with some-stress free time.

OORJA (GYMNASIUM)

Within the campus, we have a well-equipped gymnasium with modern equipment such as Tread Mills, Abdominal Exerciser, Upright Bike, Elliptical Recumbent, Spinning Bike, Big Steeper & Exercise Machines to inculcate fitness awareness among the students and motivate them to exercise regularly for good mental and physical health.

HOSTEL

The college has three hostels, one in Vidhyadhar Nagar for girls and, one in Kalwar for boys and third in Champapura campus exclusively for boys. Girls hostel has three blocks. All Hostels are comfortable, well-lit, well ventilated and furnished with wooden tables, chairs, beds and wardrobes for all students. We have four/six bedded air-cooled rooms with attached toilets and bathrooms. The facilities are in sync with our endeavour to provide a positive frame of mind along with quality education to the students. The environment of the hostel is very vibrant and homely. Lots of recreational activities like excursions, meditation, exercises are frequently conducted to enhance the emotional, psychological and intellectual development of the hostellers.

TRANSPORTATION

The Biyani Group of Colleges understands the need for stress-free education. Hence, it provides transportation facility to its students coming from all areas in and around Jaipur.

UNIFORM

The college has a prescribed professional dress code for its students and staff members. The dress code creates a disciplined atmosphere on the campus. Uniform signifies unity and team spirit, as it is reflected in our organisation.

OTHER FACILITIES

As per the students' requirement, a general store, a saloon and a bank ATM facility have been provided within the college premises.

FEEL THE POWER OF BLESSINGS

SPIRITUAL VALUES

Spirituality is something that is to be cherished and taken from generation to generation. Since ages, we have been blessed with rich spiritual values. We being Indians, need to carry our precious, valuable and luminous values. For inculcating the same spirit in our students, an idol of Goddess Saraswati is placed in the reception area of the main college campus. A temple of Lord Hanuman & Lord Shiva is constructed in the college premises known as "Guru Hanuman Temple" to imbibe an unshakeable faith in the omnipresent superpower.

EDUCATION

Dr. Ekta Pareek

Principal, Biyani Girls B.Ed. College

Here at Biyani Girls B.Ed. College we are committed to the highest standard of academic excellence. Our curriculum is regularly updated to match the changes in the field of study. We have an extensive, vibrant co-curricular program that includes sports, and leadership training programs. Our mission at Biyani B.Ed college is to inculcate the love for knowledge in our students and , for this, we aim to develop the skills and demeanour of lifelong 'learning', essential for making responsive global citizens. This will make them immensely capable of facing the future with resilience and optimism. On the deeper level, we try to instill the values of respect and trust in relationships that are the foundation of real success. Motivating and empowering our students to reach their highest potential is paramount in all that we do. We must provide all students with a rigorous and student- centered education that prepares them for the challenges of 21st century for which we focus on imparting moral values among the students through Shrimad Bhagavad Gita. It will help the student to understand the truth of life and implications of their decisions in the most practical fashion.
