THE CONTEXT

Impact of Technology on Social and Educational Perspective in India during Pandemic situation

Abstract:

The Covid-19 Pandemic has overwhelmed the entire world and India also has borne the brunt the same. The only way to control and defeat this pandemic was to make people follow social distancing and also to restrain them from moving out to avoid social connect. On the other hand school and colleges reconceptualized education with digital classrooms and online learning for millions of students across the length and breadth of the country. The work from home economy is arguably one of the biggest transformation stories of the 21st century with a direct impact on almost half of the world's population. In this aspect technology played most important role for reducing stress in everybody's life. Technology has worked to connect one person to another. Whether it is the platform of twitter, insta, Google meet, zoom etc. people got connected to each other. But on the other hand some demerits we can see also by the use of technology in daily life. As the health issues, psychological problems are growing. The relationships are getting affected. So we can't deny the bad effects of use of technology. In such a situation, technology has affected the field of education a lot. A lot of changes are being introduced into the educational system in India, and more than 1 year, students have relied on online education that raised the question, what will be the future of technology in India and how it will be beneficial for future generation. Technological programs allow people of a wide age group to learn at their own pace. This is very beneficial for the students who find learning in large classes intimidating; online classes may be less stressful options. Many teachers are making the best of this situation by exploring new methods of teaching and assessment.

OBJECTIVES

- ❖ To understand the role of technology in advancing education and society during the pandemic.
- ❖ To identify the impact of Technology on student's mental health and learning.
- ❖ To understand the sudden transition to synchronized online learning during the Covid and its impact on our education system.
- ❖ To identify how technology is affecting a child's overall development during pandemic.
- ❖ To understand the effect of online education on the social behaviour and social adjustment of the learners and teacher.
- ❖ To identify how the technology that is helping fight against pandemic society and education world.
- ❖ To understand the online education as a Catalyst for Reforming education.
- ❖ To understand the challenges for Reforming Society and Education through Technology.

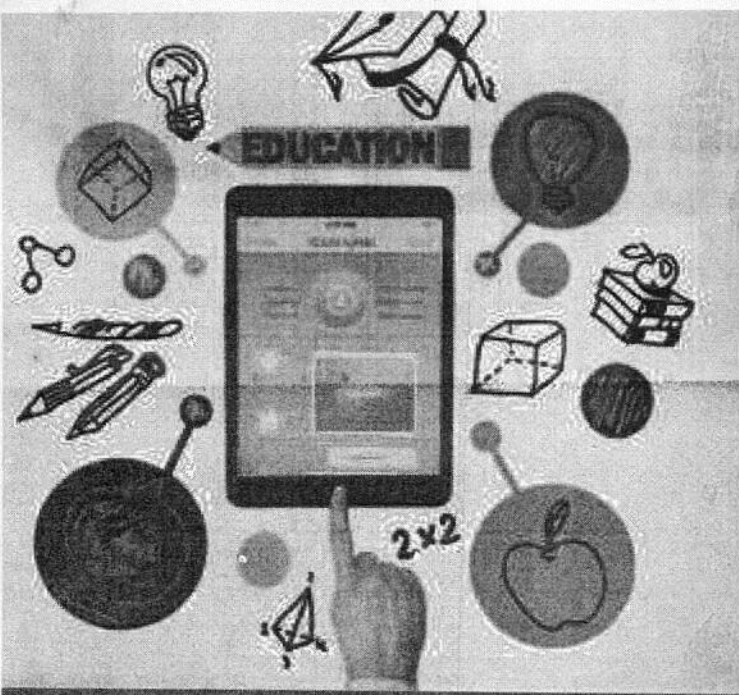

Sub Themes

Role of Technology has helped in advancing education and society during the pandemic.

- ❖ Impact of technology on student's mental health and learning.
- ❖ The sudden transition to synchronized online learning during the Covid and its impact on our education system.
- ❖ Effects of technology on child's overall development during pandemic.
- ❖ The effect of online education on the social behaviour and social adjustment of the learners and teacher.
- ❖ The technology that is helping fight against pandemic society and education world.
- ❖ The online education as a Catalyst for Reforming Education.
- ❖ The challenges for reforming society and education through technology.

ABOUT THE COLLEGE

Biyani Group of Colleges was established with a vision to bring structural reforms in wide academic areas based on industry-academia collaborations and helping young minds to define and shape their career and let them realize their goal in an increasingly competitive world. Ever since its establishment in 2005, this group has been working on the mission of youth empowerment by delivering technical and value-based quality education and personality development skills to the students to help build a sustainable society. With the prime objective of providing professional education of an international quality, Biyani Group of Colleges establishes revolutionary educational ventures that have transformed thousands of lives with the vision of "Youth Empowerment". With this aim we have provided the best infrastructure and facilities, hi-tech classrooms & workshops and a dedicated placement cell at a location which ideally suits the students as well as industry professionals. We intend to develop our institution into a premier institution of the country which grooms the students into world-class professionals.

INVITATION OF PAPER

Biyani Girls B.Ed College invites papers preferably research based from teachers, teacher educators, researchers and the functionaries working in the areas of school and teacher education on the aforementioned themes. The paper should be typed in MS-Word, English font size 12 (Times New Roman) with in 2000 words. References should be given in APA style. Abstract must be written within 250-300 words. The contributors are requested to send the full paper and abstract to the convener through email (biyaniseminar2022@gmail.com).

Last date of submission of paper : 15th July, 2022

Report on NAAC Sponsored Webinar

Date: 18th-19th July 2022

Organizer: National Assessment and Accreditation Council (NAAC)

Introduction:

The NAAC-sponsored webinar held on 18th-19th July 2022 addressed the significant theme of "Impact of Technology on Social and Educational Perspectives in India During the Pandemic Situation." This two-day event aimed to explore the role of technology in shaping social and educational landscapes in India amidst the challenges posed by the COVID-19 pandemic. Professor Manish Biyani, an eminent academican and expert in educational technology, was the keynote speaker for this event.

Key Highlights:

Opening Session: The webinar commenced with an opening session featuring keynote addresses by distinguished guests, including Professor Manish Biyani, who provided insights into the transformative potential of technology in mitigating the disruptions caused by the pandemic in the educational sector.

Panel Discussions: The event featured interactive panel discussions with experts from academia, industry, and government bodies. Panelists deliberated on various aspects such as digital divide, online pedagogy, skill development through technology, and the role of EdTech start-ups in revolutionizing education delivery systems.

Principal

Biyani Girls B.Ed. College
Jaipur

Case Studies and Best Practices: Throughout the webinar, participants shared case studies and best practices adopted by educational institutions and organizations to leverage technology effectively during the pandemic. These real-life examples provided valuable insights into innovative approaches and successful implementation strategies.

Impact Assessment: Presentations and discussions revolved around the impact assessment of technological interventions on social inclusivity, learning outcomes, student engagement, and teacher professional development. Emphasis was placed on evaluating the effectiveness and sustainability of digital initiatives in diverse educational settings across India.

Challenges and Opportunities: Participants critically examined the challenges posed by digitalization, including issues of digital infrastructure, accessibility, equity, and privacy concerns. However, discussions also highlighted the opportunities for innovation, collaboration, and capacity building in the post-pandemic era.

Policy Recommendations: The webinar concluded with the formulation of policy recommendations aimed at fostering a conducive ecosystem for integrating technology into the Indian education system. Recommendations encompassed infrastructure development, curriculum redesign, teacher training, regulatory frameworks, and public-private partnerships.

Principal

Biyani Girls B.Ed College
Jaipur

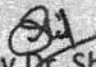

Conclusion:

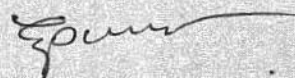

The NAAC-sponsored webinar on the impact of technology on social and educational perspectives in India during the pandemic situation provided a platform for fruitful exchange of ideas, experiences, and strategies. It underscored the transformative potential of technology in addressing the challenges posed by the pandemic while also highlighting the need for concerted efforts to ensure equitable access and sustainable utilization of digital resources in education. The insights generated from this event are expected to inform policy formulation and practice in the ongoing efforts to reimaging and revitalize the Indian education landscape in the digital age.

Report on:- Faculty Development Program "Chanakya"

Date:- August 1 to 05 ,2022

Venue:Biyani Girls B.Ed. College, Jaipur

Introduction:

Biyanl Girls Bed College organized a Faculty Development Program (FDP) titled "Chanakya," facilitated by renowned educators Prof. Sanjay Biyani and Dr. Sumedha Bajpai. The program aimed to enhance the professional skills and teaching methodologies of faculty members, empowering them to excel in their roles as educators.

Objectives:

1. To provide faculty members with insights into innovative teaching methodologies and pedagogical approaches.
2. To equip faculty with practical strategies for enhancing student engagement, motivation, and learning outcomes.
3. To foster a collaborative learning environment and promote continuous professional development among faculty members.

Event Details:

- The Chanakya FDP was conducted over a series of interactive workshops and seminars, spanning multiple days.
- Prof. Sanjay Biyani and Dr. Sumedha Bajpai, renowned experts in education and leadership, led the sessions, sharing their expertise and insights with the participating faculty members.
- The workshops covered a wide range of topics including effective classroom management, student-centered teaching approaches, assessment and feedback strategies, and fostering critical thinking and creativity among students.

[Signature]
Principal

Biyanl Girls B.Ed. College
Jaipur

- Faculty members actively participated in discussions, group activities, and case studies, applying the concepts and techniques learned to their respective teaching contexts.
- The program also included hands-on training sessions on utilizing technology in teaching, leveraging educational resources, and promoting inclusive and equitable learning environments.

Key Outcomes:

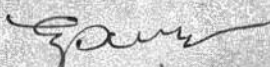

- Faculty members gained valuable knowledge and skills to enhance their teaching practices and improve student engagement and learning outcomes.
- Participants developed a deeper understanding of their roles as educators and the importance of fostering holistic development and lifelong learning among students.
- The FDP facilitated networking and collaboration among faculty members, fostering a supportive community of practice and shared learning.
- Feedback from participants indicated high levels of satisfaction with the program content, delivery, and overall learning experience.

Conclusion:

The Faculty Development Program "Chanakya" led by Prof. Sanjay Biyani and Dr. Sumedha Bajpai at Biyani Girls Bed College was a resounding success, empowering faculty members with valuable insights, skills, and strategies to excel in their teaching roles. Through this initiative, the college demonstrated its commitment to promoting excellence in education and fostering a culture of continuous learning and professional growth among its faculty members.

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

Report: Unlocking the Power of MS Word

Date: August 3rd to August 5th, 2022

Resource person : Mr. Rafeeqe Qureshi

The workshop titled "Unlocking the Power of MS Word" was conducted from August 3rd to August 5th, 2022, with the aim of enhancing participants' proficiency in utilizing Microsoft Word for various professional and personal tasks. Led by Mr. Rafiq Qureshi, the workshop delved into advanced features, tips, and tricks to optimize productivity and efficiency when working with the software.

Objectives: 1. To familiarize participants with advanced functionalities of MS Word. 2. To enhance participants' efficiency in document creation, formatting, and editing.

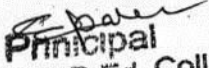

3. To explore time-saving techniques and shortcuts within MS Word.

4. To provide practical hands-on experience and application of learned concepts.

Workshop Highlights:

1. Understanding Advanced Formatting:-Participants gained insights into advanced formatting options such as styles, themes, and templates, enabling them to create professional-looking documents with ease.

Report on:- Awareness Program on Cyber Security Fraud and Awareness

Date:- October 15 , 2022

Venue:-Biyani Girls B.Ed. College, Jaipur

Introduction:

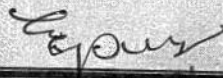

Biyani Girls Bed College organized an Awareness Program on Cybersecurity Fraud and Awareness on May 11, 2023. The program aimed to educate students and staff about the various types of cyber threats, frauds, and scams prevalent in today's digital world, and to provide them with essential knowledge and strategies to protect themselves from cyberattacks.

Objectives:

1. To raise awareness about the importance of cybersecurity and the risks associated with cyber frauds and scams.
2. To educate participants about common cyber threats such as phishing, malware, identity theft, and online frauds.
3. To provide practical tips and best practices for safeguarding personal and sensitive information online.
4. To empower students and staff to become proactive in protecting themselves and their digital assets from cyber threats.

Event Details:

- The Awareness Program on Cybersecurity Fraud and Awareness featured presentations, discussions, and interactive sessions led by cybersecurity experts and professionals.
- The program covered various topics including the anatomy of cyber threats, common cyber fraud schemes, and real-life case studies of cyber incidents.

Principal
Biyani Girls B.Ed. College
Jaipur

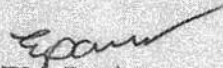

- Participants learned about the importance of strong passwords, secure browsing habits, and the risks associated with sharing personal information online.
- Practical demonstrations and simulations were conducted to illustrate how cyberattacks occur and how individuals can recognize and mitigate potential risks.
- Information about resources and tools available for reporting cyber incidents and seeking assistance in case of cybersecurity emergencies was also provided.

Key Outcomes:

- Participants gained a deeper understanding of cybersecurity threats and the importance of practicing safe online behavior.
- Awareness of common cyber frauds and scams increased among students and staff, enabling them to recognize warning signs and take appropriate precautions.
- The program facilitated discussions and knowledge sharing among participants, fostering a culture of cybersecurity awareness and vigilance within the college community.
- Participants were equipped with practical strategies and resources to enhance their cybersecurity posture and protect themselves from potential cyber threats in the future.

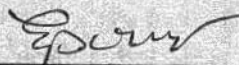

Conclusion:

The Awareness Program on Cybersecurity Fraud and Awareness at Biyani Girls B.Ed College on May 11, 2023, was instrumental in educating students and staff about the risks associated with cyber threats and empowering them to take proactive steps to safeguard their digital assets and personal information. Through this initiative, the college demonstrated its commitment to promoting cybersecurity awareness and creating a safer and more secure digital environment for its members.

BICON:2022-23

17th India-Japan International Conference

January 21-25, 2023 | 09:00 AM - 4:00 PM (IST)

ABOUT THE ORGANIZATION :

Biyani Group of Colleges is one of the most prestigious educational Organization, having 15 institutes. One of our institute, Biyani Girls College is the best girls college in North India as the college has been NAAC accredited by UGC with grade "A". The college is the best college in Rajasthan for MBA & MCA as we have been awarded with Certificate of Excellence by Rajasthan Technical University. BISMA has also been awarded by Lilawati Award 2022

The Organization has a blend of professional and technical education with environment for Research & Innovation. We train young minds with an ethical and social vision. The Centre of Excellence for digital innovation gives the exposure to the latest marketing trends and technological advancement in the industries.

The Research activities at Biyani Group of Colleges are encouraged through international exchange programs that involve an integration of academic excellence and research based development. Our association with the leading universities and industries of Japan unfolds quantum exposure for the students. We are the firm believers of quality education with overall development of the youth.

OBJECTIVE OF THE CONFERENCE :

The objective of Biyani International Conference (BICON) 2022-23, is to gather leading Academicians, Industrialists, Scientists and Research Scholars to share their knowledge, construct new strategies and discuss current developments in the respective fields.

Collaboration between Industry and Academia is encouraged by using futuristic pedagogies and practices in teaching, learning and assessment, as well as deeper engagement between higher education and the industrial ecosystem.

This Conference will mainly focuses on Education, Mental Health, Teacher Capacity Building, Partnership, Skills, Employability, Commercialization of Research and Entrepreneurship.

January 21, 2023; Saturday (Day-1)

ESTABLISHMENT OF NEW RELATIONSHIPS ON RESEARCH

Sub-Themes:

- Current Approaches and Challenges for Discovery of New Drugs for Cancer.
- Frontier of Active-site Science : New insights on Material Functions.
- Experimental and Theoretical Investigations of Chemical Dynamics.
- Fundamental understanding of Probing the Dynamics of Molecular Processes.
- Functions oriented Synthesis and Drug Designing.
- Chemical Innovative Approaches in Molecular Medicine & Transitional Clinical Research.

Report on BICON

Date: 25 January, 2023

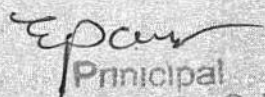

Introduction:

Bicon, a distinguished event held on January 25, 2023, at Biyani Girls Bed College in Jaipur, stood as a testament to academic excellence and innovation. Dr. Sanjay Biyani, a luminary in the realm of education, graced the occasion as the chief guest, elevating the significance of the event.

Event Highlights:

Bicon at Biyani Girls Bed College was a confluence of intellect, creativity, and ingenuity. The event encompassed a diverse range of activities, including academic presentations, research symposiums, and panel discussions. Students and scholars from various institutions converged to share their insights and discoveries, fostering a spirit of collaboration and intellectual exchange.

The event commenced with an inaugural ceremony, where Dr. Sanjay Biyani delivered an enlightening address, emphasizing the importance of innovation and knowledge dissemination in today's rapidly evolving world. His words resonated with the audience, inspiring them to push the boundaries of their academic pursuits.

Throughout the day, attendees were treated to a series of thought-provoking sessions and presentations. Academic presentations showcased cutting-edge research and scholarly endeavors across disciplines, while panel discussions provided a platform for experts to delve into pressing issues and emerging trends.

Dr. Sanjay Biyani's presence infused the event with wisdom and gravitas, underscoring the college's commitment to nurturing intellectual curiosity and academic excellence. His guidance and encouragement served as a catalyst for the participants, igniting their passion for learning and innovation.

Conclusion:

As Bicon concluded at Biyani Girls Bed College, it left an indelible mark on all who participated. The event not only celebrated academic achievement but also fostered a culture of inquiry and collaboration among students and scholars. It served as a catalyst for inspiration and discovery, propelling the college towards new heights of academic excellence.

Under the esteemed patronage of Dr. Sanjay Biyani, Bicon emerged as a resounding success, reaffirming the college's position as a hub of intellectual discourse and innovation. The event will be remembered as a milestone in the academic journey of the institution, inspiring future generations to embrace the pursuit of knowledge with passion and purpose.

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

Report on:- Development Program (FDP) on ERP and LMS

Date:- May 11, 2023

Venue:-Biyani Girls B.Ed. College, Jaipur

Introduction:

Biyani Girls Bed College organized a Faculty Development Program (FDP) focused on Enterprise Resource Planning (ERP) and Learning Management System (LMS) implementation on May 11, 2023. The objective of this program was to train faculty members on effectively utilizing ERP and LMS platforms to enhance administrative efficiency and facilitate online teaching and learning.

Objectives:

1. To familiarize faculty members with the functionalities and features of ERP and LMS platforms.
2. To provide hands-on training on navigating and using ERP and LMS systems for administrative tasks and academic purposes.
3. To explore strategies for integrating ERP and LMS tools into teaching practices to enhance student engagement and learning outcomes.

Program Details:

- The FDP on ERP and LMS commenced with an introductory session outlining the importance and benefits of these systems in educational institutions.
- Experienced trainers and IT professionals conducted workshops and interactive sessions, demonstrating the use of ERP and LMS platforms.

Principal
Biyani Girls B.Ed. College
Jaipur

- Participants received hands-on training on various aspects of ERP, including student information management, finance, human resources, and inventory management.
- The program also focused on utilizing LMS features for course management, content creation, assessment, and communication with students.
- Practical demonstrations, case studies, and group activities were employed to reinforce learning and encourage active participation from faculty members.

Key Outcomes:

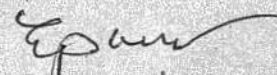

- Faculty members gained proficiency in using ERP and LMS platforms, enabling them to streamline administrative processes and improve communication within the college.
- Participants learned how to create and manage course materials, assessments, and discussions using LMS tools, facilitating a smoother transition to online teaching and learning.
- The FDP encouraged collaboration and knowledge-sharing among faculty members, fostering a supportive learning environment and promoting best practices in technology integration.

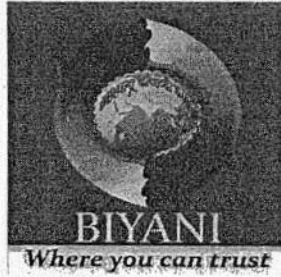

Conclusion:

The Faculty Development Program on ERP and LMS at Biyani Girls Bed College on May 11, 2023, was a valuable initiative aimed at equipping faculty members with essential skills and knowledge for utilizing technology in education. Through this program, the college demonstrated its commitment to innovation and excellence in teaching and administration, paving the way for enhanced efficiency and effectiveness in educational delivery.
