Report on Workshop Organised On "Quality Enhancement Strategies In COVID Pandemic Era".

Date: October 4th to 5th, 2021

Organizer: Biyani Girls B.Ed. College

Objective:

Introduction:

The Workshop on Quality Enhancement Strategies in the COVID Pandemic Era, conducted online from October 4th to 5th, 2021, provided valuable insights and strategies for educators to navigate the challenges brought about by the pandemic. The workshop was organized to address the need for innovative approaches to maintain the quality of education amidst the disruptions caused by COVID-19.

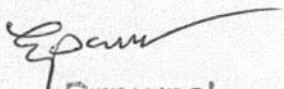

Keynote Speaker:

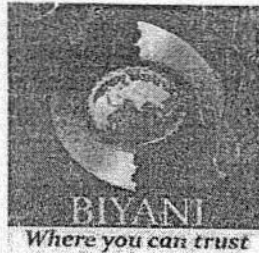

Dr. N.S. Dharmadhikari, a renowned expert in the field of education, delivered the keynote address. Dr. Dharmadhikari emphasized the importance of adaptability and resilience in the face of adversity. He highlighted the role of technology in facilitating effective teaching and learning experiences during the pandemic and encouraged participants to embrace change and explore new pedagogical approaches.

Workshop Sessions:

The workshop consisted of interactive sessions covering various aspects of quality enhancement strategies in the COVID pandemic era. Topics included:

1. Innovative Teaching Methodologies: Strategies for engaging students in online and hybrid learning environments, including the use of multimedia tools, interactive platforms, and gamification techniques.

Principal
Biyani Girls B.Ed. College
Jaipur

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

2. Assessment and Evaluation: Approaches to designing meaningful assessments and ensuring academic integrity in virtual classrooms, with a focus on formative and summative assessment methods.

3. Student Support Services: Initiatives to support the mental health and well-being of students and faculty members, including counseling services, peer support networks, and mindfulness practices.

4. Professional Development: Opportunities for faculty members to enhance their digital literacy skills, pedagogical knowledge, and research capabilities through professional development programs and collaborative learning communities.

Program Coordination:

The workshop was coordinated by Dr. Sunita Sharma, who ensured the smooth organization and execution of the event. Dr. Sharma's leadership and dedication contributed significantly to the success of the workshop.

Conclusion:

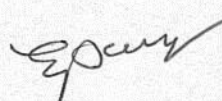

The Workshop on Quality Enhancement Strategies in the COVID Pandemic Era provided a platform for educators to exchange ideas, share best practices, and learn from experts in the field. Participants gained valuable insights into innovative teaching methodologies, assessment strategies, and student support services tailored to the unique challenges posed by the pandemic. The workshop served as a catalyst for ongoing discussions and collaborations aimed at continuously improving the quality of education in the COVID era and beyond.

Report on Seminar on "Preparation for crucial times ahead" by Dr. Bubbles Chatty

Date: November 30, 2021

Venue: Biyani Girls B.Ed. College, Jaipur

Introduction:

On 30 November 2021, Biyani Girls Bed College had the privilege of hosting a seminar titled "Preparation for Crucial Times Ahead" delivered by the esteemed Dr. Bubbles Chatty. The seminar aimed to equip the attendees, predominantly female students, with essential insights and strategies to navigate the uncertainties and challenges of the future effectively.

Key Points Covered:

- 1. Understanding the Changing Landscape:** Dr. Chatty commenced the seminar by highlighting the dynamic nature of the world and its impact on various aspects of life, including education, career, and personal development. She emphasized the need for proactive preparation to adapt to and thrive in rapidly evolving circumstances.
- 2. Developing Resilience:** Central to Dr. Chatty's discourse was the concept of resilience. She stressed the importance of cultivating mental, emotional, and physical resilience as a fundamental skill to overcome obstacles and setbacks. Practical techniques for building resilience, such as stress management strategies and self-care practices, were discussed in detail.
- 3. Embracing Lifelong Learning:** Lifelong learning emerged as a cornerstone of preparation for the future. Dr. Chatty emphasized the significance of adopting a growth mindset and continuously expanding one's knowledge and skills through formal education, self-study, and practical experiences. She encouraged the attendees to embrace curiosity and actively seek opportunities for personal and professional development.
- 4. Fostering Adaptability:** In a world characterized by rapid change, adaptability is crucial for success. Dr. Chatty underscored the importance of cultivating adaptability by being open to new ideas, embracing innovation, and proactively seeking opportunities for growth and advancement. Strategies for enhancing adaptability, such as flexible thinking and problem-solving skills, were explored during the seminar.

Biyani Girls B.Ed. College
Jaipur

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

5. Building Support Networks: Dr. Chatty emphasized the value of building strong support networks to navigate through challenging times. She highlighted the importance of seeking guidance, mentorship, and support from peers, educators, and professionals in various fields. The seminar encouraged attendees to cultivate meaningful relationships and leverage their networks for personal and professional growth.

Interactive Sessions:

The seminar included interactive sessions where attendees actively engaged with Dr. Chatty, asking questions and sharing their experiences and insights. These sessions facilitated meaningful discussions and allowed for a deeper exploration of the seminar's key themes, fostering a supportive and collaborative learning environment.

Conclusion:

In conclusion, the seminar on "Preparation for Crucial Times Ahead" by Dr. Bubbles Chatty at Biyani Girls Bed College provided invaluable insights and practical strategies for the attendees to prepare for the challenges and opportunities of the future. Dr. Chatty's expertise and engaging delivery left a lasting impression on the participants, empowering them to approach the future with confidence and resilience.

Acknowledgment:

We extend our sincere gratitude to Dr. Bubbles Chatty for her enlightening seminar, and to all the attendees for their active participation and enthusiasm in making the event a success.

Session 1: Inaugural Ceremony

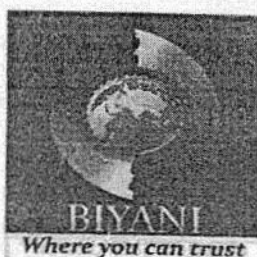

Introduction:

The seminar on "New Challenges and Scopes in Education and Physical Education" commenced with an inaugural ceremony at Biyani Girls Bed College. The ceremony aimed to address emerging challenges and explore new opportunities in the fields of education and physical education.

Key Highlights:

1. **Opening Address:** The ceremony began with an opening address by the college principal, emphasizing the importance of the seminar in addressing contemporary issues in education and physical education. The principal highlighted the significance of adapting to changing times and leveraging new opportunities for the benefit of students.
2. **Welcome Speech:** The organizing committee delivered a warm welcome speech, extending greetings to all participants and expressing gratitude to the esteemed speakers and attendees for their presence. The speech set a positive tone for the seminar, fostering a sense of unity and collaboration among participants.
3. **Inaugural Address:** A prominent keynote speaker delivered the inaugural address, providing insights into the evolving landscape of education and physical education. The speaker emphasized the need to embrace change, promote inclusivity, and focus on holistic development in educational practices.

Technical Session 1:

1. Talk 1 by Dr. Sanjay Biyani: Dr. Sanjay Biyani, a distinguished educator, delivered a thought-provoking talk focusing on the challenges and opportunities in education. He emphasized the importance of innovation, technology integration, and personalized learning approaches to address the evolving needs of students.
2. Talk 2 by Dr. M.R. Bhadu: Dr. M.R. Bhadu shared insights into the scope of physical education in the modern era. He highlighted the role of physical activity in promoting overall well-being and emphasized the need for inclusive and diverse physical education programs.
3. Talk 3 by Dr. Subhasis Bhadra: Dr. Subhasis Bhadra discussed innovative teaching methodologies in physical education. He introduced interactive and engaging techniques to enhance student participation and motivation in physical activities.

Technical Session 2:

1. Talk 4 by Dr. Piyush: Dr. Piyush presented on the integration of technology in education and physical education. He discussed the use of virtual reality, augmented reality, and gamification to create immersive learning experiences and enhance student engagement.
2. Talk 5 by Dr. A.S. Sajwan: Dr. A.S. Sajwan focused on the challenges faced by educators in adapting to online and hybrid learning models. He provided practical strategies and tools to effectively manage virtual classrooms and engage students in remote learning environments.

Jaipur

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

3. Talk 6 by Dr. Pratibha Singh: Dr. Pratibha Singh concluded the technical sessions with a discussion on inclusive education practices in physical education. She emphasized the importance of accommodating diverse learning needs and abilities to ensure equitable access to physical activities for all students.

Conclusion:

The seminar's inaugural ceremony and technical sessions provided a platform for meaningful discussions and knowledge sharing on the challenges and scopes in education and physical education. The insights shared by the esteemed speakers will contribute to enhancing teaching practices and promoting holistic development in educational institutions.

Acknowledgment:

We extend our sincere gratitude to all the speakers, organizers, and participants for their valuable contributions to the success of the seminar.

Report on Session on “Data Collection” by Dr. Manish Saini

Date: 09 February 2022

Venue: Biyani Girls B.Ed. College, Jaipur

Introduction:

On 09 February 2022, Biyani Girls B.Ed College hosted a session on Data Collection techniques, facilitated by Dr. Manish Saini, an esteemed expert in the field. The session aimed to introduce the importance of data collection methodologies to Bed students, equipping them with essential skills for conducting research and inquiry in educational contexts.

Key Points Discussed:

1. Overview of Data Collection:

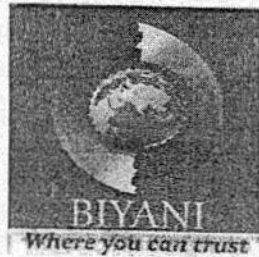

Dr. Manish Saini initiated the session by providing an overview of the significance of data collection in educational research. He emphasized the role of data as a foundational element in evidence-based decision-making and the formulation of informed strategies for educational improvement.

2. Types of Data:

The presenter elucidated the different types of data commonly collected in educational research, including:

- Quantitative data: Numerical data that can be measured and analyzed statistically.

Principal
Biyani Girls B.Ed College
Jaipur

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

- Qualitative data: Descriptive data that provides insights into attitudes, behaviors, and experiences through non-numeric information.

- Mixed methods data: Combining both quantitative and qualitative data to gain a comprehensive understanding of research questions.

3. Data Collection Techniques:

Dr. Saini introduced a range of data collection techniques commonly employed in educational research, including:

- Surveys and questionnaires: Structured instruments for gathering information from a large number of participants.

- Interviews: Semi-structured or structured conversations with individuals or groups to elicit in-depth insights.

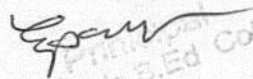

- Observations: Systematic recording and analysis of behaviors, interactions, and phenomena in real-world settings.

- Document analysis: Examination of existing documents, records, and artifacts to extract relevant information.

4. Considerations for Effective Data Collection:

The presenter highlighted key considerations to ensure the effectiveness and validity of data collection processes, including:

- Clear research objectives and questions to guide data collection efforts.

Biyani Girls B.Ed College
Jaipur

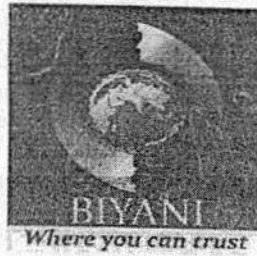

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

- Selection of appropriate data collection methods aligned with research goals and participants' characteristics.
- Attention to ethical considerations, including informed consent, confidentiality, and data protection.

5. Practical Applications:

Throughout the session, Dr. Manish Saini provided practical examples and case studies illustrating the application of various data collection techniques in educational research. Participants were encouraged to critically evaluate the strengths and limitations of different approaches, considering their relevance to specific research contexts.

Principal
Biyani Girls B.Ed College
Jaipur

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

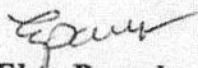

Conclusion:

The session on Data Collection by Dr. Manish Saini at Biyani Girls B.Ed College provided Bed students with valuable insights and practical skills for conducting research in educational settings. By demystifying the complexities of data collection and highlighting best practices, Dr. Saini empowered students to approach research endeavors with confidence and methodological rigor.

Overall, it was a highly informative and interactive session that equipped participants with essential tools for gathering and analyzing data effectively. The knowledge gained from the session will undoubtedly support students in their academic pursuits and professional endeavors, enabling them to contribute meaningfully to the field of education through evidence-based practice and research.

Report of seminar on : "How to Get Your Research Paper Published"

Date: February 11th, 2022

Organizer: Biyani Girls B.Ed College

Presenter: Prof. Anoop Mukhopadhyay, Dean Faculty of Science

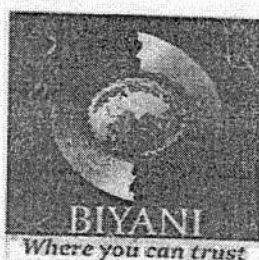

Objective:

The seminar aimed to provide valuable insights and practical guidance to researchers and academicians on the process of publishing research papers. Prof. Anoop Mukhopadhyay, an esteemed academician, shared his expertise and experiences to help participants navigate the intricacies of the publication process effectively.

Key Highlights:

- 1. Introduction to Research Publication:** Prof. Anoop Mukhopadhyay commenced the seminar by providing an overview of the importance of research publication in academia. He emphasized how publishing research papers contributes to knowledge dissemination, academic recognition, and career advancement.
- 2. Understanding the Publication Process:** The presenter elaborated on the various stages involved in the publication process, including manuscript preparation, journal selection, peer review, revisions, and final publication. He provided practical tips and strategies to navigate each stage successfully.
- 3. Choosing the Right Journal:** Prof. Mukhopadhyay discussed the importance of selecting the appropriate journal for submitting research papers. He highlighted factors to consider when choosing a journal, such as scope, impact factor, audience, and publication policies.
- 4. Writing Effective Research Papers:** The seminar included guidance on writing effective research papers, covering aspects such as structure, language, clarity, and adherence to journal guidelines. Prof. Mukhopadhyay shared best practices for crafting well-organized and compelling manuscripts.

Docum
Biyani Girls B.Ed College
Jaipur

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

5. Dealing with Peer Review: Participants received insights into the peer review process and strategies for effectively responding to reviewers' comments and critiques. Prof. Mukhopadhyay emphasized the importance of addressing reviewers' feedback constructively to enhance the quality of the manuscript.

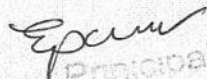

6. Ethical Considerations in Publishing: The seminar addressed ethical considerations in research publication, including plagiarism, authorship, conflicts of interest, and data integrity. Prof. Mukhopadhyay underscored the importance of upholding ethical standards to maintain the integrity and credibility of research publications.

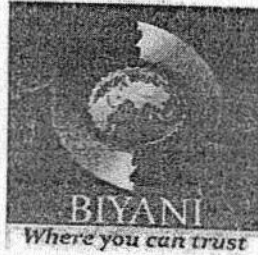

Conclusion:

The seminar on "How to Get Your Research Paper Published" facilitated by Prof. Anoop Mukhopadhyay provided valuable insights and practical guidance to participants seeking to navigate the research publication process successfully. It equipped researchers and academicians with the knowledge and tools necessary to effectively communicate their research findings and contribute to the advancement of knowledge in their respective fields.

Acknowledgment:

We extend our sincere appreciation to Prof. Anoop Mukhopadhyay for his insightful presentation and expertise in guiding participants through the intricacies of research publication. Special thanks to all attendees for their active participation and engagement in the seminar.

Report of webinar on Resource Sharing Through DELNET Database Services in the Present Digital Era

Date: 12th February 2022

Organizer: Biyani Girls B.Ed College

Presenter: Mr. Deep Singh, Chief Librarian at Gyan Vihar University

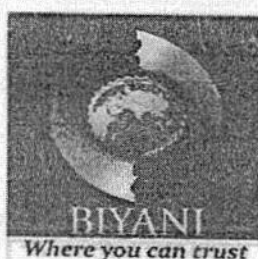

Objective:

The webinar aimed to familiarize participants with the significance of resource sharing in the digital era and to introduce DELNET (Developing Library Network) database services as an effective tool for accessing and sharing resources among libraries and educational institutions.

Key Highlights:

- 1. Introduction to Resource Sharing:** Mr. Deep Singh initiated the webinar by highlighting the importance of resource sharing in the current digital landscape. He emphasized how collaborative efforts can enhance access to a wide range of resources and facilitate academic and research endeavours.
- 2. Overview of DELNET Database Services:** The presenter provided an overview of DELNET, elucidating its role as a major resource-sharing network connecting libraries across India and beyond. He explained the various services offered by DELNET, including online cataloguing, interlibrary loan, document delivery, and digital resource repository.
- 3. Benefits of DELNET Membership:** Mr. Singh elaborated on the benefits of becoming a member of DELNET, such as access to a vast collection of books, journals, e-resources, and databases, as well as opportunities for collaborative research and professional development.
- 4. Demonstration of DELNET Services:** The webinar included a live demonstration of DELNET services, showcasing the process of searching for resources, placing requests for interlibrary loan, accessing digital repositories, and utilizing other online tools and utilities offered by DELNET.

Principal
Biyani Girls B.Ed College
Jaipur

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

5. Case Studies and Success Stories: Mr. Deep Singh shared case studies and success stories illustrating how DELNET has facilitated resource sharing and collaborative initiatives among libraries and academic institutions, leading to enhanced access to information and knowledge dissemination.

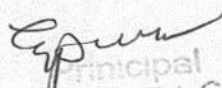

6. Q&A Session: The webinar concluded with an interactive question-and-answer session, where participants had the opportunity to seek clarification on various aspects of DELNET services and resource-sharing practices.

Conclusion:

The webinar on "Resource Sharing Through DELNET Database Services in the Present Digital Era" presented by Mr. Deep Singh provided valuable insights into the importance of collaborative resource sharing in the digital age. It demonstrated how DELNET serves as a vital platform for connecting libraries and facilitating access to a diverse range of resources, thereby enriching the academic and research endeavours of educational institutions.

Acknowledgment:

We extend our sincere appreciation to Mr. Deep Singh for his informative presentation and expertise in elucidating the intricacies of DELNET database services. Special thanks to all participants for their active engagement and participation in the webinar.

INTRODUCTION

DELNET was established in 1988 as city based library network in Delhi, and was popularly known as Delhi Library Network, networking the libraries of the Delhi.

- Got registered as a society in 1992.
- On 13th September 2000, Delhi Library Network - DELNET became DELNET-Developing Library Network.
- DELNET with passage of time and technological advancements not only widened its scope but has crossed the geographical boundaries. Presently, it is the major resource sharing library network in India connecting more than 5,900 libraries in 33 States and Union Territories in India and eight other countries.

The main objectives of DELNET is to promote resource sharing among the member libraries by collecting, disseminating information and by providing networked services to the extent that they can best meet their research activity.

Report on Session on "Action Research" by Dr. Arti Gupta

Date: 04 March 2022

Venue: Biyani Girls B.Ed. College, Jaipur

Introduction:

On 04 March 2022, Biyani Girls B.Ed College hosted a session on Action Research, facilitated by Dr. Arti Gupta, an esteemed expert in the field. The session aimed to introduce the concept of Action Research to the faculty and students, shedding light on its significance in educational contexts.

Key Points Discussed:

1. Understanding Action Research:

Dr. Arti Gupta commenced the session by providing a comprehensive overview of Action Research. She defined it as a systematic approach to problem-solving and improvement in which practitioners engage in a cyclical process of planning, acting, observing, and reflecting. She emphasized the participatory nature of Action Research, highlighting its potential to empower educators to address challenges within their own classrooms.

2. Phases of Action Research:

The presenter delineated the key phases involved in Action Research:

- Identification of the problem or area for improvement.
- Planning and implementation of interventions.
- Data collection through various methods such as surveys, observations, and interviews.
- Analysis and interpretation of data.

Principal
Biyani Girls B.Ed. College
Jaipur

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

- Reflection on findings and implications for practice.
- Iterative cycles of action and reflection for continuous improvement.

3. Benefits of Action Research:

Dr. Gupta elucidated the myriad benefits of engaging in Action Research for educators:

- Enhanced understanding of teaching and learning processes.
- Tailored solutions to address specific challenges in the classroom.
- Professional growth and development through reflective practice.
- Empowerment of teachers as agents of change within their educational contexts.
- Contribution to the wider body of educational research and knowledge.

4. Practical Applications:

Throughout the session, Dr. Arti Gupta provided real-world examples and case studies illustrating the application of Action Research in educational settings. Participants were encouraged to envision how they could apply the principles of Action Research to their own teaching contexts, fostering a sense of ownership and agency.

5. Challenges and Considerations:

Acknowledging the complexities inherent in Action Research, Dr. Gupta discussed potential challenges such as time constraints, ethical considerations, and the need for support and collaboration. She underscored the importance of approaching Action Research with a spirit of curiosity, openness, and humility, recognizing that not all interventions may yield the desired outcomes.

Arti Gupta
Principal
Biyani Girls B.Ed College
Jaipur

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

Conclusion:

The session on Action Research by Dr. Arti Gupta at Biyani Girls B.Ed College served as a catalyst for stimulating discussions and reflections among participants. By demystifying the concept and providing practical insights, Dr. Gupta empowered educators to embark on their own journeys of inquiry and improvement through Action Research. The session underscored the transformative potential of Action Research in enhancing teaching and learning practices, ultimately enriching the educational experiences of students.

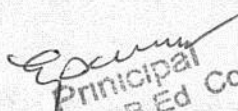

Overall, it was a highly informative and engaging session that left attendees inspired and equipped with the tools to embrace Action Research as a means of fostering positive change within their educational contexts.

by Dr. Mousumi Debnath

Date: 26 February 2022

Venue: Biyani Girls B.Ed. College, Jaipur

Introduction:

On February 26, 2022, Biyani Girls B.Ed. College organized a national webinar on "How to Write a Research Grant Proposal" featuring Dr. Mousumi Debnath as the esteemed speaker. The webinar aimed to equip participants with essential knowledge and skills required for crafting effective research grant proposals, thereby enhancing their competitiveness in securing funding for research projects.

Key Highlights:

The webinar covered the following key topics and insights:

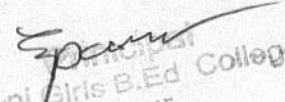

1. Understanding Research Grant Proposals:

Dr. Mousumi Debnath commenced the webinar by providing an overview of research grant proposals, elucidating their significance in academia and research funding agencies. She highlighted the importance of clarity, coherence, and adherence to guidelines in writing successful grant proposals.

2. Components of a Grant Proposal:

Participants were guided through the essential components of a research grant proposal, including the title, abstract, introduction, literature review, objectives, methodology, timeline, budget, and expected outcomes. Dr. Debnath emphasized the need for precision, conciseness, and relevance in each section to effectively communicate the research project's significance and feasibility.

3. Writing Strategies and Tips:

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

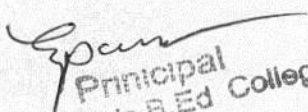

The webinar delved into practical writing strategies and tips for crafting compelling grant proposals. Participants learned techniques for structuring their proposals, articulating research questions, framing hypotheses, selecting appropriate methodologies, and outlining potential challenges and mitigation strategies. Dr. Debnath underscored the importance of aligning the proposal with the funding agency's priorities and evaluation criteria to enhance its chances of success.

4. Evaluation and Review Process:

Insights were provided into the evaluation and review process employed by funding agencies to assess grant proposals. Participants gained an understanding of the criteria used by reviewers to evaluate proposals, such as scientific merit, innovation, feasibility, and potential impact. Dr. Debnath shared valuable insights on addressing reviewer feedback and revising proposals iteratively to improve their quality and competitiveness.

5. Q&A Session:

An interactive question and answer session allowed participants to engage with Dr. Mousumi Debnath, seeking clarification on various aspects of grant proposal writing, sharing their experiences, and receiving expert guidance on addressing common challenges and pitfalls.

Conclusion:

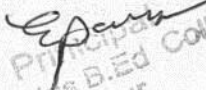

The national webinar on "How to Write a Research Grant Proposal" facilitated by Dr. Mousumi Debnath provided participants with invaluable insights and practical guidance for enhancing their grant writing skills. By equipping researchers, academicians, and aspiring scholars with the requisite knowledge and tools for crafting compelling grant proposals, the webinar contributed to fostering a culture of research excellence and innovation at Biyani Girls B.Ed. College.

Report: Day 1 of ICSSR Sponsored National Seminar on "Methods of Measuring and Interpretation of Outcomes in Educational and Social Research"

Date: April 14th, 2022

Venue: Biyani Girls B.Ed College

Organizer: Biyani Girls B.Ed College

Objective:

The ICSSR Sponsored National Seminar aimed to provide a platform for researchers and academicians to discuss various methods of measuring and interpreting outcomes in educational and social research. The seminar aimed to enhance understanding and proficiency in research methodologies and their application in educational and social contexts.

Key Highlights:

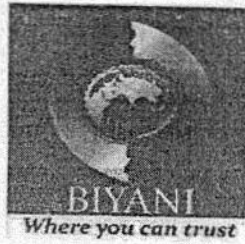

1. Opening Remarks: The seminar commenced with opening remarks by Prof. Manish Biyani, the Research Director of Biyani Girls B.Ed College. Prof. Biyani welcomed all the participants and emphasized the significance of the seminar in advancing research in the field of education and social sciences.

2. Chief Guest Address: Prof. PC Trivedi, Former Vice-Chancellor of JNVU Jodhpur, graced the occasion as the Chief Guest. Prof. Trivedi shared his insights on the importance of research in addressing contemporary challenges in education and society. He encouraged researchers to adopt rigorous methodologies for obtaining reliable outcomes.

3. Invited Lectures:

- **Dr. Harjeet Kaur Bhatiya:** Dr. Bhatiya delivered a lecture on innovative methods of measuring educational outcomes, focusing on the use of technology and data analytics in educational research.

- **Dr. Devika Agarwal:** Dr. Agarwal shared her expertise on qualitative research methodologies and their relevance in understanding social phenomena and human behavior.

- **Dr. Deepak Kumar Gupta:** Dr. Gupta discussed statistical methods for interpreting research outcomes, emphasizing the importance of data analysis and interpretation in drawing meaningful conclusions.

4. Panel Discussion: A panel discussion followed the invited lectures, where participants had the opportunity to engage with the speakers and discuss various aspects of research methodologies, measurement techniques, and interpretation of research outcomes.

5. Interactive Sessions: Throughout the day, interactive sessions were conducted to facilitate discussions among participants, allowing them to share their experiences, insights, and challenges related to research in educational and social sciences.

Conclusion:

Day 1 of the ICSSR Sponsored National Seminar on "Methods of Measuring and Interpretation of Outcomes in Educational and Social Research" was a productive and enlightening session. The presentations, discussions, and interactions provided valuable insights into research methodologies and their application in educational and social contexts.

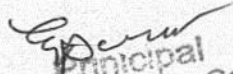

Acknowledgment:

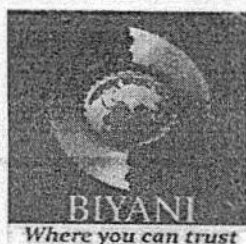

We extend our gratitude to all the speakers, participants, and organizers for their contributions to making Day 1 of the seminar a success. Special thanks to Prof. Manish Biyani and Prof. PC Trivedi for their leadership and support in organizing the seminar.

Report: Day 2 of ICSSR Sponsored National Seminar on "Methods of Measuring and Interpretation of Outcomes in Educational and Social Research"

Date: April 15th, 2022

Venue: Utsav Auditorium

Organizer: Biyani Girls B.Ed College

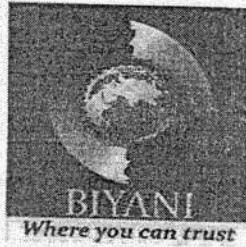

Objective:

The second day of the ICSSR Sponsored National Seminar continued the discussion on various methods of measuring and interpreting outcomes in educational and social research. The focus was on exploring innovative approaches and strategies for conducting research and analyzing data in the field of education and social sciences.

Key Highlights:

- 1. Presentation on Azadi Ka Amrit Mahotsav:** The day commenced with a presentation on Azadi Ka Amrit Mahotsav, celebrating 75 years of India's independence. The presentation highlighted the significance of this milestone and its implications for education and social development.
- 2. Guest Lecture by Dr. Deepak Kumar Gupta:** Dr. Deepak Kumar Gupta, a data analyst and CEO of CDART Pvt. Ltd., delivered a guest lecture on the role of data analytics in educational and social research. He discussed various data analysis techniques and their application in deriving meaningful insights from research data.
- 3. Presentation by Prof. Anjali Sharma:** Prof. Anjali Sharma, HOD of a Central University in Kishangarh, shared her expertise on innovative research methodologies in educational research. She discussed emerging trends and best practices in conducting research studies in the field of education.
- 4. Contribution from Dr. Sampark Acharya:** Dr. Sampark Acharya from Rajasthan Shikshak Mahavidyalaya presented his insights on the challenges and opportunities in interpreting research outcomes in the context of social sciences.

He discussed the importance of contextually relevant interpretations for effective decision-making.

5. Closing Remarks by Principal Dr. Ekta Pareek: The seminar concluded with closing remarks by Principal Dr. Ekta Pareek. She expressed her gratitude to the speakers, participants, and organizers for their contributions to the seminar. Dr. Pareek emphasized the importance of continuing discussions and collaborations in advancing research in education and social sciences.

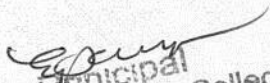

Conclusion: Day 2 of the ICSSR Sponsored National Seminar provided a platform for insightful discussions and knowledge sharing on research methodologies in education and social sciences. The presentations and lectures by esteemed speakers enriched the understanding of participants and contributed to the advancement of research practices.

Acknowledgment: We extend our heartfelt thanks to all the speakers, participants, and organizers for their active involvement and valuable contributions to the seminar. Special appreciation to Dr. Ekta Pareek for her leadership and guidance throughout the event.

Workshop Report: Intellectual Property Rights

Date: April 26th, 2022

Venue: Biyani Girls B.Ed College

Organizer: IQAC Cell, Biyani Girls B.Ed College

Collaborator: Dr. Pratibha Sharma, Examiner of Patent and Designs Department of Promotion of Industry and Internal Trade, Indian Patent Officer, Government of India

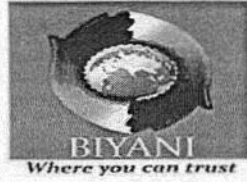

Objective:

The workshop on Intellectual Property Rights (IPR) aimed to enhance awareness and understanding of IPR among faculty members and students. It focused on the importance of protecting intellectual property and the various aspects of patents, trademarks, copyrights, and trade secrets.

Key Highlights:

- 1. Opening Address:** The workshop began with an opening address by the organizers, highlighting the significance of intellectual property in today's knowledge-driven economy. The importance of IPR in fostering innovation, creativity, and economic growth was emphasized.
- 2. Expert Session by Dr. Pratibha Sharma:** Dr. Pratibha Sharma, an experienced Examiner of Patent and Designs from the Department of Promotion of Industry and Internal Trade, Government of India, conducted an expert session on various aspects of Intellectual Property Rights. She provided insights into the process of patent registration, trademark protection, copyright laws, and the importance of safeguarding intellectual assets.
- 3. Interactive Sessions:** The workshop included interactive sessions where participants had the opportunity to engage with Dr. Pratibha Sharma and ask questions related to IPR. Participants raised queries regarding patent filing procedures, patent infringement, copyright infringement, and the role of IPR in research and innovation.
