Report on workshop Entitled "How to Enhance IT Skill for Non-teaching Staff"

Date: 1 July to 3 July 2019

Venue: Biyani girls B.Ed College

Introduction:

From July 1 to July 3, 2019, Biyani Girls B.Ed. College conducted a workshop aimed at enhancing IT skills for non-teaching staff. The workshop was designed to equip participants with the necessary knowledge and proficiency in utilizing technology effectively in their administrative roles. The sessions were conducted by esteemed trainers Mr. Kamlesh Kumar and Mr. Madan Baijiya, who shared their expertise and insights in the field of IT.

Event Highlights:

The workshop on enhancing IT skills for non-teaching staff featured several key highlights:

- 1. Basic IT Training:** The workshop began with basic IT training sessions covering essential topics such as computer fundamentals, operating systems, and Microsoft Office applications. Participants learned practical skills in using word processing, spreadsheets, and presentation software.
- 2. Email Etiquette and Communication Skills:** Mr. Kamlesh Kumar conducted sessions on email etiquette and effective communication skills in the digital age. Participants learned best practices for composing professional emails, managing inboxes efficiently, and maintaining clear and concise communication.
- 3. Data Management and File Organization:** Mr. Madan Baijiya led sessions on data management and file organization techniques. Participants gained insights into organizing and managing electronic files, creating backups, and ensuring data security.

4. Introduction to Digital Tools and Software: The workshop introduced participants to a variety of digital tools and software applications relevant to their administrative tasks. Topics covered included database management systems, online collaboration platforms, and cloud computing services.

5. Hands-on Practice Sessions: Throughout the workshop, participants engaged in hands-on practice sessions to apply the concepts learned. They had the opportunity to practice using IT tools and software under the guidance of the trainers, gaining confidence and proficiency in their IT skills.

Conclusion:

In conclusion, the workshop on enhancing IT skills for non-teaching staff at Biyani Girls B.Ed. College was a valuable initiative aimed at empowering staff members with the necessary IT proficiency to excel in their administrative roles. Through engaging sessions conducted by Mr. Kamlesh Kumar and Mr. Madan Bajiya, participants gained practical skills and knowledge in using technology effectively in their day-to-day tasks.

Through the use of relevant case studies, the session aimed to bridge the gap between theory and practice. Participants gained a deeper understanding of how IPR laws are implemented in different situations, enabling them to comprehend the challenges and complexities involved.

Q&A Session:

An interactive question-and-answer segment provided participants with the opportunity to seek clarifications on specific aspects of IPR laws. Mr. Ranka addressed queries, fostering an engaging dialogue between the speaker and the audience, thereby enhancing the overall learning experience.

Networking Opportunities:

The session facilitated networking among legal professionals and aspiring practitioners. Attendees exchanged ideas, discussed recent legal developments, and formed connections that could potentially contribute to their professional growth in the field of intellectual property law.

Conclusion:

The session on Intellectual Property Rights by N.M. Ranka, Senior Advocate at the Rajasthan High Court, proved to be an enriching experience for participants. Through a combination of expert insights, practical applications, and engaging discussions, attendees gained a comprehensive understanding of the intricacies of IPR law. The expertise and engaging presentation style of N.M. Ranka made the event a valuable learning opportunity for all in attendance.

Report on Biyani "BICON-2019" International Conference 2019

Date: September 25, 2019

Venue: Biyani Girls B.Ed. College

Introduction:

Biyani Girls B.Ed. College organized the Biyani Conference (BICON) on September 25, 2019, focusing on the theme "Issue and Challenges to Achieve Sustainable Development Goals." The conference aimed to foster discussions and generate insights into the obstacles hindering the achievement of sustainable development goals (SDGs) and propose strategies for overcoming them.

Session 1: Inaugural Ceremony

The inaugural ceremony set the tone for the conference and featured esteemed speakers

1. Dr. Lalit K. Bansal: Dr. Bansal delivered the keynote address, emphasizing the importance of addressing contemporary issues and challenges to achieve sustainable development goals. He highlighted the need for interdisciplinary collaboration and innovative solutions to tackle complex sustainability issues.
2. Dr. Sanjay Biyani: Dr. Sanjay Biyani, one of the organizers, welcomed the participants and emphasized the role of education in promoting sustainable development. He stressed the importance of empowering students and educators to become agents of change in their communities.
3. Dr. Rajiv Biyani: Dr. Rajiv Biyani, another organizer, outlined the objectives of the conference and expressed his optimism about the potential impact of collective efforts in addressing sustainability challenges. He encouraged participants to actively engage in discussions and contribute their insights.

Session 2: Invited Lectures

Principal
Biyani Girls B.Ed. College
Jaipur

The second session featured invited lectures by distinguished experts:

1. Dr. S.S. Somra: Dr. Somra delivered a lecture on the environmental challenges facing society and the implications for achieving sustainable development goals. He highlighted the need for integrated approaches to environmental conservation and sustainable resource management.
2. Dr. Sanjula Thanvi: Dr. Thanvi discussed the role of social development in advancing sustainable development goals. She emphasized the importance of addressing social inequalities, promoting inclusive growth
3. Justice K. Ranka: Justice Ranka provided insights into the legal and policy frameworks governing sustainable development. He discussed the role of the judiciary in interpreting and enforcing environmental laws and regulations to ensure sustainable development practices.

Conclusion:

The Biyani Conference (BICON) on "Issue and Challenges to Achieve Sustainable Development Goals" at Biyani Girls B.Ed. College was a significant platform for addressing pressing sustainability issues. The inaugural ceremony and invited lectures by distinguished speakers provided valuable insights into the multifaceted challenges hindering the achievement of sustainable development goals. As participants continue to engage in discussions and implement innovative solutions, they will contribute to advancing sustainable development agendas at local, national, and global levels.

Report on Workshop Entitled "Child Psychology"

Date: 28 september 2019

Venue: Biyani Girls B.ed College

Lecture by: Dr. Shipra Gupta

Introduction:

On 28th September 2019, an insightful workshop on child psychology was conducted at [BIYANI GIRLS B.Ed. COLLEGE]. Session taken by Dr. Shipra Gupta . The workshop aimed to provide a comprehensive understanding of the intricacies of child development, psychology, and behavior. Attendees included educators, parents, and professionals working with children, all keen on gaining valuable insights into the world of child psychology.

Event Highlights:

1. Expert Facilitator:

The workshop was facilitated by an experienced and knowledgeable expert in the field of child psychology. The facilitator provided a solid foundation by covering key concepts, theories, and contemporary research in child psychology.

2. Interactive Sessions:

The workshop emphasized interactive learning methodologies. Participants engaged in discussions, case studies, and practical activities to apply theoretical knowledge to real-life scenarios. This interactive approach ensured that attendees actively participated in the learning process.

3. Developmental Stages:

A significant portion of the workshop was dedicated to exploring the various developmental stages of children. From infancy to adolescence, the facilitator delved into the cognitive, emotional, and social changes that occur during each

Principal

Biyani Girls B.Ed College
Jaipur

stage. Practical tips for understanding and addressing age-specific challenges were also shared.

4. Behavioral Patterns:

Understanding children's behavior was a focal point of the workshop. The facilitator discussed common behavioral patterns, their underlying causes, and effective strategies for positive behavior management. Attendees gained insights into fostering healthy emotional and social development in children.

5. Parenting Strategies:

The workshop addressed the role of parents in shaping a child's psychological well-being. Parenting strategies that support positive growth and nurture resilience were discussed. The session provided practical advice on effective communication and building a supportive environment at home.

6. Q&A Session:

An interactive question-and-answer session allowed participants to seek clarification on specific topics and share their personal experiences. The open dialogue enhanced the overall learning experience and facilitated a deeper understanding of child psychology.

Conclusion:

The workshop on child psychology held on 28th September 2019 was a resounding success, offering valuable insights and practical knowledge to participants. Attendees left equipped with a deeper understanding of child development, behavior, and effective strategies for fostering positive psychological growth.

Report on Workshop Entitled "Read Fast, Learn & Grow More"

Date: September 13, 2019

Venue: Biyani Girls B.Ed. College, Jaipur

Speaker: Prof. Rajesh Tayal

Introduction:

On September 13, 2019, Biyani Girls B.Ed. College organized an insightful workshop titled "Read Fast, Learn & Grow More." The session aimed to enhance the reading skills of students and provide effective strategies for efficient learning. Prof. Rajesh Tayal, a distinguished speaker, led the workshop, with coordination by Dr. Bharti Sharma.

Event Highlights:

1. Inaugural Address:

The workshop began with a welcome address by Dr. Bharti Sharma, emphasizing the importance of reading skills and continuous learning in academic and professional growth.

2. Expert Insights by Prof. Rajesh Tayal:

Prof. Rajesh Tayal, renowned for his expertise in speed reading and effective learning techniques, shared valuable insights during the workshop. He highlighted the significance of reading as a skill and provided practical strategies for improving reading speed without compromising comprehension.

3. Speed Reading Techniques:

The session delved into various speed reading techniques, including skimming, scanning, and effective note-taking. Prof. Rajesh Tayal demonstrated how these techniques could significantly enhance the speed and efficiency of reading.

4. Interactive Exercises:

Jaipur

Participants engaged in interactive exercises designed to apply the speed reading techniques discussed. These exercises allowed them to practice and experience firsthand the benefits of adopting efficient reading habits.

5. Effective Learning Strategies:

Prof. Rajesh Tayal extended the discussion beyond speed reading, addressing effective learning strategies. He emphasized the importance of comprehension, retention, and application of knowledge in the learning process.

6. Q&A Session:

A question and answer session provided participants with the opportunity to seek clarification on specific topics and receive personalized advice from Prof. Rajesh Tayal. This interactive segment added depth to the learning experience.

Conclusion:

The workshop on "Read Fast, Learn & Grow More" at Biyani Girls B.Ed. College on September 13, 2019, proved to be a highly informative and engaging session. Prof. Rajesh Tayal's expertise and effective communication style, combined with Dr. Bharti Sharma's coordination, created a conducive learning environment. The workshop equipped participants with practical skills to enhance their reading speed and comprehension, fostering a culture of continuous learning. The event concluded with expressions of gratitude to Prof. Rajesh Tayal for sharing his knowledge and insights, leaving a positive impact on the participants' approach to reading and learning.

Introduction:

The seminar on a career in the government sector, jointly organized by Career Power Institute and SSC Adda, unfolded on January 4, 2020, at the esteemed Biyani Girls B.Ed College. Aimed at enlightening students about the myriad opportunities within the government sector, the event promised valuable insights, guidance, and inspiration for those aspiring to embark on a fulfilling career in public service.

Event Highlights:

The seminar commenced with a warm welcome address, setting the tone for an informative and engaging session. The following are the key highlights of the event:

1. Comprehensive Overview of Government Exams:

- The seminar kicked off with an in-depth examination of various government examinations, shedding light on their eligibility criteria, examination patterns, and the unique features of each.

2. Effective Preparation Strategies:

- Expert speakers from Career Power Institute and SSC Adda shared proven techniques and strategies for effective exam preparation. This included valuable insights into time management, study plans, and stress mitigation strategies.

3. Exploration of Diverse Career Paths:

- Attendees gained insights into the diverse career paths available within the government sector. The seminar delved into specific job roles, responsibilities, and the range of opportunities awaiting successful candidates.

Report: Workshop on Blue Print and Bloom Taxonomy

Date: January 10, 2020

Venue: Biyani Girls B.Ed. College, Jaipur

Introduction: Biyani Girls B.Ed. College organized a transformative workshop on January 10, 2020, focusing on the Blue Print and Bloom's Taxonomy in education. The workshop aimed to enhance the pedagogical skills of educators, equipping them with the knowledge and tools to design effective assessments and foster higher-order thinking skills among students.

Event Highlights:

- **Opening Address and Context Setting:** The workshop began with an opening address, setting the context for the significance of Blue Print and Bloom's Taxonomy in the education system. The importance of aligning assessments with learning objectives and promoting critical thinking was emphasized.
- **Blue Print Design Principles:** The workshop delved into the principles of designing a Blue Print for assessments. Facilitators explained the process of categorizing learning objectives, specifying the weightage of each category, and ensuring a balanced and comprehensive assessment approach.
- **Understanding Bloom's Taxonomy:** A detailed exploration of Bloom's Taxonomy was conducted, focusing on the hierarchy of cognitive skills – from lower-order thinking skills (remembering and understanding) to higher-order thinking skills (applying, analyzing, evaluating, and

E. Singh
Principal
Biyani Girls B.Ed. College
Jaipur

creating). Participants gained insights into integrating Bloom's Taxonomy into instructional design.

- **Practical Application Exercises:** The workshop included hands-on exercises where participants applied the principles of Blue Print and Bloom's Taxonomy to create sample assessments. These practical sessions allowed educators to actively engage with the concepts and understand their practical implications in the teaching-learning process.
- **Interactive Discussions and Q&A Sessions:** The interactive nature of the workshop encouraged participants to share their experiences, ask questions, and engage in discussions about the challenges and opportunities associated with implementing Blue Print and Bloom's Taxonomy in their classrooms.

Conclusion: The Workshop on Blue Print and Bloom's Taxonomy at Biyani Girls B.Ed. College on January 10, 2020, proved to be a valuable and enriching experience for educators. The event not only provided theoretical knowledge but also equipped participants with practical skills to enhance their teaching methodologies and assessment strategies. The event stood as a testament to Biyani Girls B.Ed. College's dedication to fostering innovative and effective teaching practices among its faculty members.

Report on Self Defence Workshop

Date: January 20 to January 27, 2020

Venue: Biyani Girls B.Ed College Campus.

Introduction:

In an effort to empower and enhance the safety of its students, Biyani Girls B.Ed College, Jaipur, organized a comprehensive Self-Defense Workshop from January 20 to January 27, 2020. The objective of the workshop was to equip the participants with essential self-defense techniques and instill a sense of confidence and security.

Workshop Highlights:

1. Expert Trainers:

The workshop enlisted professional self-defense trainers renowned for their expertise in martial arts and personal safety. These trainers were dedicated to imparting valuable skills to the participants.

2. Theoretical Sessions:

The workshop began with theoretical sessions, focusing on creating awareness about the importance of self-defense, understanding potential risks, and recognizing personal safety strategies.

3. Practical Demonstrations:

Participants engaged in hands-on, practical demonstrations where they learned fundamental self-defense moves. Techniques such as basic strikes, blocks, and evasion maneuvers were covered, ensuring that participants gained a practical understanding of self-defense.

4. Role-Playing Scenarios:

E. P. Singh
Principal
Biyani Girls B.Ed College
Jaipur

To enhance the practical application of learned skills, role-playing scenarios were incorporated. Participants had the opportunity to practice self-defense techniques in simulated situations, preparing them for real-life encounters.

5. Awareness on Personal Safety:

Beyond physical techniques, the workshop also emphasized the importance of situational awareness and personal safety habits. Participants were educated on how to identify and avoid potential threats.

6. Interactive Q&A Sessions:

The workshop encouraged an open dialogue between participants and trainers. Interactive question-and-answer sessions provided a platform for clarifying doubts, sharing experiences, and building a supportive learning environment.

Guest Speaker:

The workshop benefited from the presence of a guest speaker, possibly an expert in self-defense or a law enforcement professional, who shared insights into the broader context of personal safety.

Conclusion:

The Self-Defense Workshop at Biyani Girls B.Ed College was a commendable initiative, fostering a sense of empowerment and preparedness among the participants. By combining theoretical knowledge with hands-on training, the workshop equipped individuals with the skills and mindset necessary for personal safety.

Report on Seminar on Data Collection Procedure & Make Data Error Free

Date: February 09, 2020

Venue: Biyani Girls B.Ed. College, Jaipur

Introduction: Biyani Girls B.Ed. College hosted an informative seminar on "Data Collection Procedure & Making Data Error-Free" conducted by Dr. Manish Saini on the 9th of February 2020. The seminar aimed to enhance the understanding of educators and researchers regarding the critical aspects of data collection and ensuring the accuracy of collected data.

Event Highlights:

- **Expert Introduction and Credentials:** The seminar commenced with an introduction to Dr. Manish Saini, an accomplished expert in the field of research and data analysis. Dr. Saini's extensive experience and credentials set the stage for an engaging and authoritative presentation on data collection procedures.
- **Overview of Data Collection Methods:** Dr. Saini provided a comprehensive overview of various data collection methods, including surveys, interviews, observations, and document analysis. He highlighted the strengths and limitations of each method, enabling participants to make informed decisions when selecting an appropriate approach for their research.
- **Focus on Error-Free Data:** The seminar emphasized the importance of ensuring data accuracy and minimizing errors during the collection process. Dr. Saini shared practical strategies and best practices to identify and address common errors, emphasizing the significance of reliable and error-free data for robust research outcomes.
- **Technological Tools and Resources:** Dr. Saini introduced participants to modern technological tools and resources that can aid in error-free data

and data analysis. Dr. Saini's extensive experience and credentials set the stage for an engaging and authoritative presentation on data collection procedures.

Overview of Data Collection Methods: Dr. Saini provided a comprehensive overview of various data collection methods, including surveys, interviews, observations, and document analysis. He highlighted the strengths and limitations of each method, enabling participants to make informed decisions when selecting an appropriate approach for their research.

collection. He discussed the role of software applications, data validation techniques, and electronic data collection platforms in enhancing the quality of collected data.

- **Interactive Q&A Session:** An interactive question and answer session allowed participants to seek clarification on specific aspects of data collection and error prevention. Dr. Saini provided valuable insights and addressed participants' queries, fostering a collaborative and participatory learning environment.

Conclusion: The Seminar on Data Collection Procedure & Making Data Error-Free by Dr. Manish Saini at Biyani Girls B.Ed. College on 9th February 2020 was a highly enlightening and practical session. It equipped educators and researchers with valuable knowledge and tools to enhance the quality and reliability of their data collection processes.

In conclusion, the seminar showcased the college's commitment to promoting research excellence and data literacy among its academic community. Dr. Manish Saini's expertise and the interactive nature of the event contributed to creating a proactive and informed research culture within the college. The seminar on data collection and error prevention stood as a valuable contribution to building research capacity and ensuring the integrity of research endeavors at Biyani Girls B.Ed. College.

Date: February 14, 2020

Venue: Biyani Girls B.Ed. College, Jaipur

Introduction: Biyani Girls B.Ed. College organized an enlightening workshop on "How to Calculate Reliability and Validity of a Tool" led by Dr. Bharti Sharma on the 14th of February 2020. The workshop aimed to enhance the understanding of educators and researchers regarding the crucial concepts of reliability and validity in the context of assessment tools.

Event Highlights:

- **Expert Introduction and Credentials:** The workshop began with an introduction to Dr. Bharti Sharma, a distinguished expert in the field of educational research and assessment. Dr. Sharma's academic background and expertise established her as a knowledgeable authority on the subject of reliability and validity.
- **Understanding Reliability and Validity:** Dr. Sharma provided a comprehensive overview of reliability and validity, emphasizing their significance in ensuring the accuracy and credibility of assessment tools. She explained the theoretical underpinnings of these concepts and their practical applications in educational research.
- **Calculation Methods and Techniques:** The workshop delved into the calculation methods and techniques for assessing reliability and validity. Dr. Sharma guided participants through step-by-step procedures, demonstrating how to apply statistical measures and criteria to determine the reliability and validity of assessment tools.

Jaipur

- **Practical Application Exercises:** Participants actively engaged in practical exercises designed to apply the concepts learned during the workshop. Dr. Sharma facilitated hands-on activities, allowing educators to practice calculating reliability and validity for various assessment tools commonly used in educational settings.
- **Interactive Q&A Session:** An interactive question and answer session provided participants with the opportunity to seek clarification on specific aspects of reliability and validity calculations. Dr. Sharma addressed queries, shared additional insights, and encouraged participants to share their experiences and challenges.

Conclusion: The Workshop on "How to Calculate Reliability and Validity of a Tool" by Dr. Bharti Sharma at Biyani Girls B.Ed. College on 14th February 2020 was a highly informative and practical session. It equipped educators with valuable skills and knowledge to assess and enhance the reliability and validity of assessment tools used in educational research.

In conclusion, the workshop exemplified the college's commitment to promoting research literacy and methodological rigor among its academic community. Dr. Bharti Sharma's expertise and the interactive format of the event contributed to creating a supportive and informed research culture within the college. The workshop on reliability and validity calculations stood as a valuable contribution to building research capacity and ensuring the quality of assessment tools at Biyani Girls B.Ed. College.

Report on Stress-Free Healthy Life

Date: March 3, 2020

Venue: Biyani Girls B.Ed. College, Jaipur

Speaker: Dr. Neha Pandey

Introduction:

Biyani Girls B.Ed. College organized an enlightening seminar on "Stress-Free Healthy Life" by Dr. Neha Pandey on March 3, 2020. The event aimed to equip students with valuable insights and strategies to manage stress effectively and lead a healthier life. Dr. Bharti Sharma efficiently coordinated the seminar, ensuring its success.

Event Highlights

Expert Speaker - Dr. Neha Pandey:

Dr. Neha Pandey, an expert in the field of mental health and wellness, served as the distinguished speaker for the seminar. Her qualifications and experience added credibility to the information shared during the session.

Understanding Stress and Its Impact:

Dr. Neha Pandey began by providing a comprehensive understanding of stress, its sources, and its impact on mental and physical well-being. The session aimed to create awareness about the importance of managing stress for overall health.

Holistic Approach to Wellness:

The seminar emphasized a holistic approach to wellness, encompassing mental, emotional, and physical health. Dr. Neha Pandey discussed lifestyle factors, nutrition, and mindfulness techniques that contribute to a stress-free and healthy life.

Interactive Session:

Report on Seminar Entitled Energy Conservation Habits

Date: March 09, 2020

Venue: Biyani Girls B.Ed. College, Jaipur

Speaker : Dr. Meenakshi Sharma

Introduction:

Biyani Girls B.Ed. College organized a significant seminar on Energy Conservation Habits, featuring Dr. Meenakshi Sharma, on March 08, 2020. The event aimed to create awareness among students about the importance of energy conservation and instill responsible habits to contribute to a sustainable future. Ms. Puspa Kumawat efficiently coordinated the seminar.

Event Highlights

Expert Speaker - Dr. Meenakshi Sharma:

Dr. Meenakshi Sharma, an expert in the field of energy conservation and sustainability, served as the distinguished guest speaker. Her qualifications and experience added credibility to the information shared during the seminar.

Overview of Energy Conservation:

The seminar commenced with an informative overview of energy conservation, emphasizing its significance in addressing environmental challenges and reducing the carbon footprint.

Identification of Energy-Wasting Habits:

Dr. Meenakshi Sharma discussed common energy-wasting habits prevalent in daily life. The session encouraged participants to reflect on their personal habits and identify areas where energy conservation practices could be implemented.

Practical Tips for Energy Efficiency:

Principal
Biyani Girls B.Ed. College
Jaipur

Practical tips and strategies for energy efficiency were shared during the seminar. These included simple yet effective measures that individuals and communities can adopt to minimize energy consumption in both residential and academic settings.

Role of Education in Energy Conservation:

The seminar explored the pivotal role of education in promoting energy conservation. Dr. Meenakshi Sharma highlighted how educational institutions can serve as catalysts for change by instilling energy-conscious habits in students.

Interactive Session:

An interactive session allowed participants to engage with Dr. Meenakshi Sharma, asking questions and seeking advice on incorporating energy conservation practices into their daily lives. The open dialogue facilitated a deeper understanding of the subject.

Call to Action:

The seminar concluded with a call to action, urging students to take the lead in fostering energy conservation habits within the college community and beyond. Participants were encouraged to become ambassadors for sustainability.

Conclusion:

The Seminar on Energy Conservation Habits at Biyani Girls B.Ed. College, coordinated by Ms. Puspa Kumawat, was a noteworthy initiative to raise awareness about responsible energy usage. Dr. Meenakshi Sharma's insights and practical tips provided students with actionable steps to contribute to energy conservation. The coordination efforts ensured the success and impact of this informative seminar, promoting a culture of sustainability within the college community.
