Report on Workshop Entitled "How to Calculate Reliability and Validity of a Tool"

Date: 22nd September 2020

Venue: Biyani Girls B.Ed. College

Conducted By: Dr. Bharti Sharma

Audience: B.Ed. and M.Ed. 1st-year Students

Overview:

On 22nd September 2020, a workshop focusing on the calculation of reliability and validity of assessment tools was conducted at Biyani Girls B.Ed. College. The workshop aimed to educate B.Ed. and M.Ed. 1st-year students about the essential concepts of reliability and validity in educational assessments and provided them with practical methods to calculate these metrics.

Objectives:

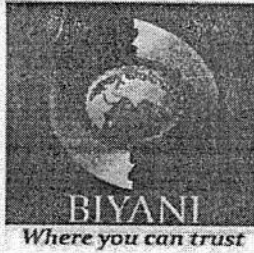

- To introduce students to the concepts of reliability and validity in educational assessment.
- To familiarize students with various methods for calculating the reliability and validity of assessment tools.
- To enable students to apply these methods effectively in their academic and research endeavours.

Key Highlights:

1. Introduction to Reliability and Validity:

- Dr. Bharti Sharma provided an overview of reliability and validity as fundamental principles in assessment and measurement.

Bharti Sharma
Biyani Girls B.Ed. College
Jaipur

- The distinction between reliability (consistency of measurement) and validity (accuracy of measurement) was clarified to the participants.

2. Types of Reliability and Validity:

- Different types of reliability (e.g., test-retest reliability, internal consistency reliability) and validity (e.g., content validity, criterion validity) were explained with examples.

- Participants were guided on when and how to assess each type of reliability and validity depending on the nature of the assessment tool and the intended purpose.

3. Calculation Methods:

- Practical methods for calculating reliability, such as Cronbach's alpha for internal consistency reliability and Pearson correlation for test-retest reliability, were demonstrated.

- Participants were taught how to interpret the reliability coefficients obtained from these calculations and how to determine their adequacy.

4. Validity Assessment Techniques:

- Strategies for assessing different types of validity, including content validity, criterion validity, and construct validity, were discussed.

- Participants were provided with guidelines on developing and administering validation studies to ensure the validity of assessment tools.

Outcomes:

- Students gained a clear understanding of the concepts of reliability and validity in educational assessment.

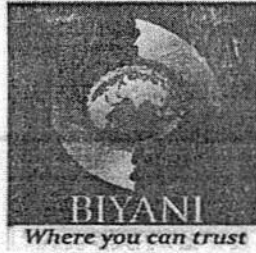

- Enhanced knowledge of various methods for calculating reliability and validity.

- Improved ability to interpret reliability coefficients and validity evidence.

- Students expressed confidence in applying these concepts and methods in their academic and research projects.

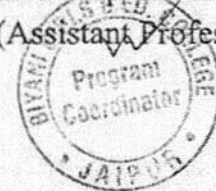

Conclusion:

Signature
Principal
Biyani Girls B.Ed College
Jaipur

The workshop on "How to Calculate Reliability and Validity of a Tool" conducted by Dr. Bharti Sharma at Biyani Girls B.Ed. College provided students with valuable insights and practical skills essential for designing, evaluating, and using assessment tools effectively. By focusing on the calculation methods and interpretation of reliability and validity, the workshop aimed to equip students with the necessary knowledge and skills to ensure the quality and accuracy of educational assessments in their future endeavours.

Report on Seminar Entitled "Data Collection Procedure & Make Data Error-Free"

Date: 30th September 2020

Venue: Biyani Girls B.Ed. College, Auditorium

Speaker: Dr. Arti Gupta

Overview:

On 30th September 2020, a seminar titled "Data Collection Procedure & Make Data Error-Free" was organized at Biyani Girls B.Ed. College, aimed at enlightening the participants about the significance of accurate data collection procedures and methods to minimize errors in data analysis.

Objectives:

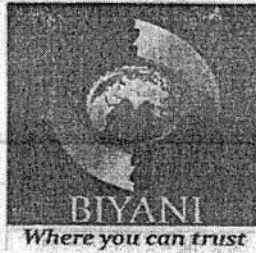

- To emphasize the importance of data collection procedures in research and academic projects.
- To educate participants about common errors encountered during data collection and analysis.
- To provide strategies and techniques for ensuring the accuracy and reliability of collected data.

Key Highlights:

1. Introduction to Data Collection:

- Dr. Arti Gupta provided an introduction to the concept of data collection, highlighting its critical role in research and decision-making processes.
- The importance of systematic and rigorous data collection procedures in ensuring the validity and reliability of research findings was emphasized.

Arti Gupta
Principal
Biyani Girls B.Ed. College
Jaipur

2. Data Collection Techniques:

- Various data collection techniques, including surveys, interviews, observations, and experiments, were discussed in detail.

- Participants were acquainted with the advantages and limitations of each data collection method, enabling them to select appropriate techniques for their research projects.

3. Minimizing Data Errors:

- Dr. Gupta addressed common errors and biases encountered during data collection, such as sampling errors, measurement errors, and response biases.

- Strategies for minimizing errors, such as careful planning, standardized procedures, and pilot testing, were discussed to ensure the accuracy and integrity of collected data.

4. Quality Assurance in Data Collection:

- The importance of quality assurance measures, including data validation, verification, and documentation, was highlighted to maintain data accuracy and consistency.

- Participants were encouraged to adopt best practices and quality control techniques to enhance the reliability of collected data.

Outcomes:

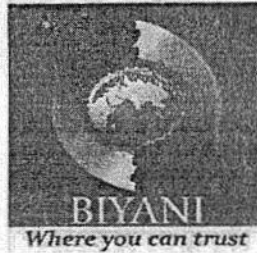

- Participants gained a deeper understanding of the importance of data collection procedures in research and academic endeavours.

- Increased awareness of common errors and biases encountered during data collection and analysis.

- Enhanced knowledge of strategies and techniques for minimizing errors and ensuring data accuracy.

- Participants expressed confidence in applying the acquired knowledge and skills to improve their research practices and academic projects.

Report on Workshop: Developing Teaching Aids through Waste Material

Date: November 23 - 27, 2020

Mode: Online via Google Meet

Conducted by: Dr. Bharti Sharma, Dr. Arti Gupta, Ms. Tripty Saini, Ms. Mukesh Kumari, Ms. Sunita Kumari Sharma, Dr. Meenakshi Sharma, Ms. Pushpa Kumawat

Introduction:

From November 23 to 27, 2020, a comprehensive online workshop titled "Developing Teaching Aids through Waste Material" was conducted via Google Meet. The workshop was organized to empower educators with innovative strategies for creating teaching aids using readily available waste materials. Led by a team of experienced educators including Dr. Bharti Sharma, Dr. Arti Gupta, Ms. Tripty Saini, Ms. Mukesh Kumari, Ms. Sunita Kumari Sharma, Dr. Meenakshi Sharma, and Ms. Pushpa Kumawat, the workshop aimed to promote sustainability and resourcefulness in educational practices.

Key Objectives:

1. To introduce educators to the concept of utilizing waste materials for developing teaching aids.
2. To provide practical guidance on identifying, designing, and constructing teaching aids from waste materials.
3. To facilitate collaborative learning and sharing of best practices among educators.

[Signature]
Principal
Biyani Girls B.Ed College
Jaipur

Workshop Overview:

The workshop spanned five days and encompassed a series of sessions, each focusing on different aspects of developing teaching aids through waste material.

Day 1: Introduction and Overview

- Dr. Bharti Sharma and the team provided an overview of the workshop objectives and introduced the concept of waste material utilization in educational settings.
- Participants were acquainted with the environmental benefits and pedagogical significance of repurposing waste materials for teaching aids.

Day 2: Material Identification and Selection

- Dr. Arti Gupta led a session on identifying and selecting suitable waste materials for developing teaching aids.
- Participants learned to assess the availability, durability, and safety aspects of different waste materials.

Day 3: Design and Construction Techniques

- Ms. Tripty Saini and Ms. Mukesh Kumari conducted practical demonstrations on design and construction techniques using waste materials.
- Participants gained hands-on experience in cutting, shaping, and assembling waste materials to create diverse teaching aids.

Day 4: Integration and Implementation

- Ms. Sunita Kumari Sharma and Dr. Meenakshi Sharma discussed strategies for integrating waste material-based teaching aids into lesson plans.
- Participants explored ways to align teaching aids with curriculum objectives and engage students effectively.

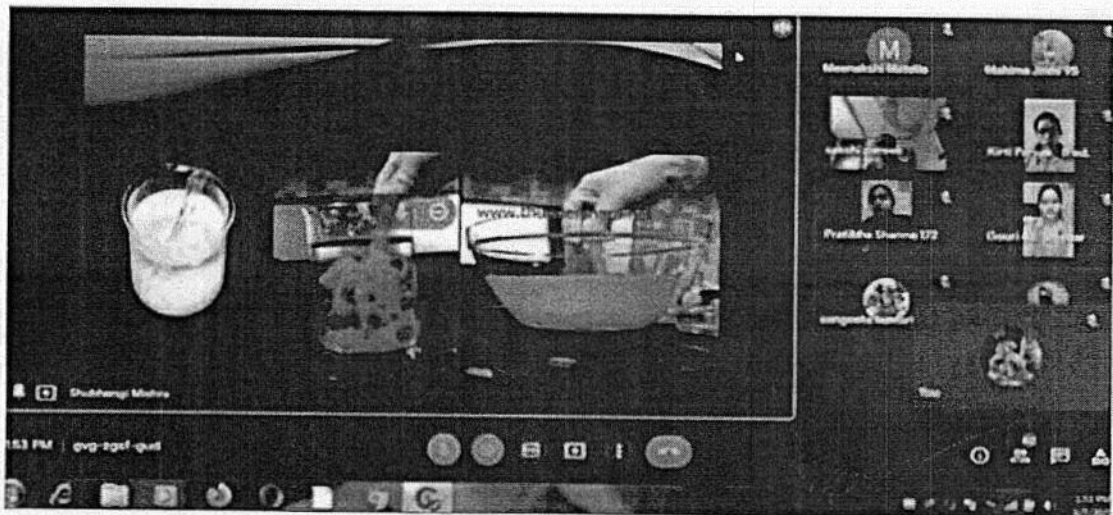

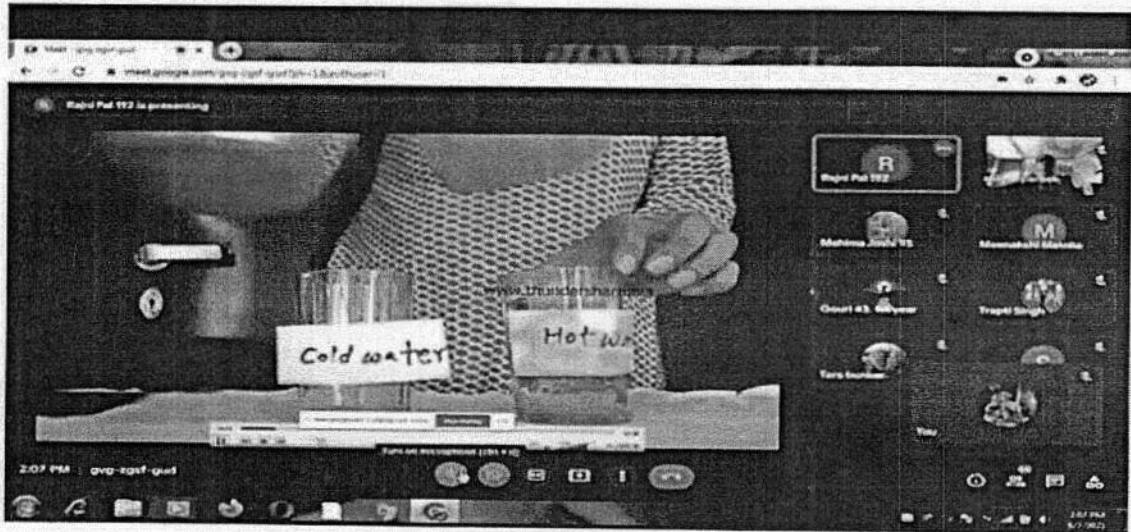

Day 5: Sharing of Best Practices and Conclusion

Workshop Report: Multivariate Data Analysis using SPSS

Date: November 26th to December 2nd, 2020

Venue: Online Mode (Biyani Girls B.Ed College)

Organizer: Biyani Girls B.Ed College

Facilitator: Prof. Manvender Singh Pahwa

Objective:

The workshop on "Multivariate Data Analysis using SPSS" aimed to provide participants with practical insights and hands-on experience in utilizing the Statistical Package for the Social Sciences (SPSS) for multivariate data analysis. Participants learned various statistical techniques to analyze complex data sets, enabling them to draw meaningful conclusions and insights.

Key Highlights:

1. Introduction to SPSS: The workshop commenced with an introduction to SPSS, highlighting its importance as a statistical analysis tool widely used in research and data analysis across various disciplines. Participants gained an understanding of SPSS features, functions, and applications.
2. Multivariate Data Analysis Techniques: Prof. Manvender Singh Pahwa conducted sessions on different multivariate data analysis techniques supported by SPSS. Participants learned about techniques such as factor analysis, cluster analysis, discriminant analysis, and multivariate analysis of variance (MANOVA).
3. Hands-on Training: The workshop provided participants with hands-on training in using SPSS software to perform multivariate data analysis. Through interactive demonstrations and practical exercises, participants gained proficiency in navigating the SPSS interface, importing data, and executing analysis procedures.
4. Case Studies and Examples: Prof. Pahwa supplemented theoretical concepts with real-world case studies and examples to illustrate the application of multivariate data analysis techniques in research and decision-making. Participants gained insights into interpreting SPSS output and deriving meaningful conclusions from analysis results.

Principal
Biyani Girls B.Ed College
Jaipur

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

5. Q&A and Discussion Sessions: Throughout the workshop, participants had opportunities to engage in Q&A sessions and discussions with the facilitator. Prof. Pahwa addressed queries, clarified doubts, and provided additional insights into advanced topics related to multivariate data analysis using SPSS.

Conclusion:

The workshop on Multivariate Data Analysis using SPSS provided participants with valuable knowledge and practical skills essential for conducting sophisticated data analysis in research and academic endeavors. Participants acquired proficiency in utilizing SPSS for analyzing complex data sets, enabling them to make informed decisions and contribute meaningfully to their respective fields.

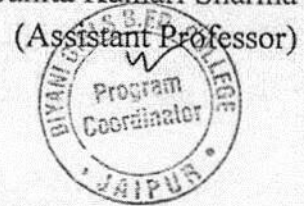

Acknowledgment:

We extend our sincere appreciation to Prof. Manvender Singh Pahwa for his expertise and insightful guidance throughout the workshop. Special thanks to all the participants for their active participation and enthusiasm, contributing to the success of the event.

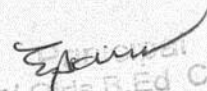

Future Initiatives:

Biyani Girls B.Ed College remains committed to organizing similar workshops and training programs to enhance the research and data analysis capabilities of its faculty and students. Future initiatives will continue to focus on empowering participants with practical skills and knowledge relevant to their academic and professional pursuits.

- Ms. Pushpa Kumawat facilitated a session where participants shared their creations and exchanged ideas for implementing waste material-based teaching aids.
- Best practices and success stories were shared to inspire further innovation and collaboration.

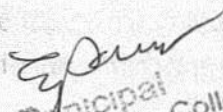

Conclusion:

The workshop on "Developing Teaching Aids through Waste Material" facilitated by Dr. Bharti Sharma and the team proved to be a resounding success in empowering educators with innovative strategies for promoting sustainability and resourcefulness in educational practices. By repurposing waste materials, educators can not only enhance the learning experience but also foster environmental consciousness among students. The collaborative learning environment fostered during the workshop exemplified the collective commitment of educators towards creating a more sustainable and impactful learning ecosystem.

PROGRAM SCHEDULE (26th Nov.-02nd Dec., 2020) (05:30 pm to 07:30 pm)

Day & Date	TOPICS TO BE COVERED WITH HANDS ON PRACTICE ON SPSS
Thursday 26 Nov., 2020	Introduction to Multivariate Analysis: Basic Concepts, Types of Multivariate Techniques, Multivariate Model Building: A Step by Step Approach, Preparing Data for Analysis - Cleaning and Transformation of Data, Practical Hands on using SPSS.
Friday 27 Nov., 2020	Performing Factor Analysis - Why and when to perform Factor Analysis, Types of Factor Analysis, Factor Extraction, Selection and Rotation (Orthogonal and Oblique), Interpretation of Factor Matrix, Labeling the Factors, Certain Issues in Factor Analysis, Practical Hands on using SPSS.
Saturday 28 Nov., 2020	Simple Regression Analysis - Dependent and Independent Variables, Regression Equation, Correlation and Regression, Estimation using Regression Line, Linear Relationships, Statistical Inferences, Assumption of Least Square Method, Practical Hands on using SPSS.
Sunday 29 Nov., 2020	Predicting Values using Regression, Scatter Plot, Amount of Variance Explained, Curvilinear Trends, Causation and Regression, Forecasting with Regression - Detecting Patterns over time, Forecasting using Moving Averages and Trend Analysis - Practical Hands on using SPSS.
Monday 30 Nov., 2020	Multiple Regression Analysis - Regression Equation, Sample Size, Regression and R ² , Amount of Variance Explained, Creating and adding additional variables, Variables v. Variables, Assumptions of Multiple Regression, Regression Modeling and Assessment of Multiple Collinearity and Model Fit, Verification of results - Practical Hands on using SPSS.
Tuesday 01 Dec., 2020	Analysis of Variance (ANOVA) - Comparing three or more means, Assumptions / Conditions of ANOVA, One factor independent measures (One way ANOVA), and Two factor independent using SPSS.
Wednesday 02 Dec, 2020	Introduction and use of other Multivariate Techniques in Social Sciences - Canonical Correlation, Canonical Analysis, Multiple Discriminant Analysis, Cluster Analysis etc.

PEDAGOGY: SPSS software must be installed on the Laptops/Desktop of the participants. (Participants can ask for the SPSS software trial version link to download). All concepts will be explained with the help of Data Sets provided to the participants. Hands-on experience will be provided during the workshop. Participants are encouraged to ask and discuss their problems during the live session.

REGISTRATION FEE DETAILS:

Academicians/Research Scholars/Corporates ₹750/-
(Registration fee includes relevant resource materials along with e-certificate which will be provided only to participants who actively participate on all 7 days and successfully completed the workshop).

Report on National Webinar on "Value Education for Universal Happiness"

Date: November 30th to December 4th, 2020

Venue: Biyani Girls B.Ed. College (Online Mode)

Objective:

The National Webinar aimed to explore the principles of value education and their significance in fostering universal happiness. Through a series of sessions, participants delved into the teachings of the Bhagavad Gita and other relevant topics related to personal and spiritual growth.

Program Details:

Day 1: November 30th 2020 –

Introduction Session on Shreemaad Bhagavad Gita (Chapter 1 to 5) by Prof. Sanjay Biyani

- Prof. Sanjay Biyani conducted an introductory session, focusing on the teachings of the Bhagavad Gita, covering chapters 1 to 5. Participants were introduced to the fundamental concepts and principles discussed in these chapters.

Day 2: December 1st 2020

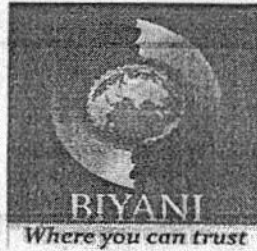

- Session on "Science of Concentration" by Dr. E.V. Swaminathan

- Dr. E.V. Swaminathan led a session on the science of concentration, exploring techniques and practices to enhance focus and mental clarity. Participants learned strategies to improve concentration in various aspects of life.

Day 3: December 2nd 2020

- Session on Bhagavad Gita (Chapter 6 to 10) by Prof. Sanjay Biyani - Prof. Sanjay Biyani continued the exploration of the Bhagavad Gita, covering chapters 6 to 10.

Sanjay Biyani
Prof. Sanjay Biyani
Biyani Girls B.Ed. College
Jaipur

Participants delved deeper into the philosophical and spiritual teachings imparted in these chapters, relating them to contemporary life.

Day 4: December 3rd 2020

- Session on Bhagavad Gita (Chapter 11 to 14) by Prof. Sanjay Biyani
- Prof. Sanjay Biyani conducted another session on the Bhagavad Gita, focusing on chapters 11 to 14. Participants gained insights into the profound wisdom and practical guidance offered by Lord Krishna in these chapters.

Day 5: December 4th 2020

- Session on Bhagavad Gita (Chapter 14 to 18) by Prof. Sanjay Biyani
- The webinar concluded with a session led by Prof. Sanjay Biyani, covering chapters 14 to 18 of the Bhagavad Gita. Participants reflected on the holistic teachings encompassing various aspects of life, including duty, devotion, and spiritual enlightenment.

Conclusion:

The National Webinar on Value Education for Universal Happiness provided a platform for participants to delve into the timeless wisdom of the Bhagavad Gita and related topics. Through insightful sessions led by Prof. Sanjay Biyani and Dr. E.V. Swaminathan, participants gained a deeper understanding of spiritual principles and practical strategies for personal and collective well-being. The webinar served as a catalyst for promoting values-based education and fostering universal happiness in the community.

5 DAYS NATIONAL WEBINAR ON Value Education for Universal Happiness

30 November-04 December, 2020 | Time: 11:30 AM -1:00 PM

KEY OBJECTIVES

- The main aim of the webinar is to cultivate the positive attitude, happiness and reduce the risk of anxiety and depression.
- To experience universal human capacity through spiritual experience.
To help candidates to understand their real self by recognizing their self-concepts, which will lead to increased self-confidence.
- To equip candidates with useful approaches to help in the deeper understanding of self and help and individual to empower themselves.
- To train the attendees on mindfulness and meditation to elicit a stage of deep physical and behavioral relaxation.

REGISTRATION FEE DETAILS

- Academicians / Research Scholar / Students / Corporates / Industrialist ₹200/-
- Registration in this webinar is only first come first basis (only 100 seats are available). All the active registered participants will be provided **E-Certificate** after successful completion of the webinar.

Session Report Entitled "Copywriting Importance in New Media"

Date: December 16, 2020

Venue: Online FB live (Biyani Girls B.Ed. College)

Presenter: Mr. Sanjay Singh

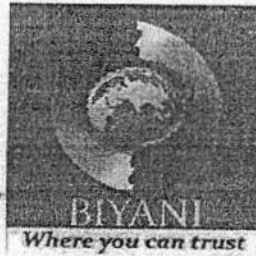

Overview:

On December 16, 2020, Biyani Girls B.Ed. College hosted an online session titled "Copywriting Importance in New Media" with Mr. Sanjay Singh as the presenter. This session aimed to enlighten participants about the significance of copywriting in the context of modern media platforms and its role in effective communication.

Key Highlights:

1. Introduction to Copywriting: Mr. Sanjay Singh initiated the session by providing an overview of copywriting, emphasizing its importance in various forms of media, including digital platforms such as websites, social media, and email marketing.
2. Understanding New Media: The presenter elucidated the concept of new media and its evolution in the digital age. He highlighted the dynamic nature of new media platforms and their potential to reach a vast audience, making them indispensable for businesses and organizations.
3. Role of Copywriting: The session delved into the role of copywriting in new media, emphasizing its power to engage and persuade audiences effectively. Mr. Singh discussed how well-crafted copy can attract attention, evoke emotions, and drive desired actions, such as making a purchase or subscribing to a service.
4. Key Principles of Copywriting: The presenter outlined key principles and best practices of copywriting, including clarity, relevance, authenticity, and call-to-

Esam
Principal
Biyani Girls B.Ed. College
Jaipur

action. He stressed the importance of understanding the target audience and crafting compelling messages tailored to their needs and preferences.

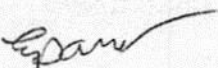

5. Content Creation Strategies: Mr. Singh shared insights into effective content creation strategies for new media platforms, focusing on the use of storytelling, visual elements, and interactive formats to enhance engagement and retention.

Conclusion:

The session on "Copywriting Importance in New Media" conducted by Biyani Girls B.Ed. College provided valuable insights into the role of copywriting in the digital landscape. Mr. Sanjay Singh's elucidation of key principles, content creation strategies, and measurement techniques equipped participants with practical knowledge and skills essential for effective communication in modern media platforms. The session served as a platform for fostering creativity, innovation, and strategic thinking among attendees, empowering them to leverage the power of copywriting to achieve their goals in the digital age.

Report on 15th Anniversary India-Japan Fast in Online Mode - "BICON-2020"

Date: December 19th, 2020

Venue: Biyani Girls B.Ed. College, VDN Campus

Inaugural Session:

- Inaugural Address by Prof. Sanjay Biyani: Prof. Sanjay Biyani initiated the event, commemorating the 15th anniversary of India-Japan Fast in the online mode. He highlighted the significance of the partnership and emphasized the importance of collaboration in education and beyond.
- Address by Honorable Chief Guest Prof. Naveen Mathur: Prof. Naveen Mathur, the former Vice-Chancellor of Jaganath University, graced the occasion as the Chief Guest. He shared insights on the bilateral relations between India and Japan, emphasizing the potential for mutual growth and development.
- Address by Guest of Honor Mr. Syed Shahid Hasan: Mr. Syed Shahid Hasan, Chairperson of the Law Bar Council of Rajasthan, addressed the gathering, underscoring the importance of legal frameworks in facilitating international cooperation and trade relations.

Program Details:

1. Invited Talk by Prof. Ramesh H. Makwana on Teaching as a Career Opportunity: Prof. Ramesh H. Makwana delivered a talk on the prospects of teaching as a career option. He discussed the evolving landscape of education and opportunities for educators in India and Japan.
2. Presentation by Mr. Prashant Pal on Education for Employable Skill Development: Mr. Prashant Pal presented on the critical role of education in

Prashant Pal
Biyani Girls B.Ed. College
Jaipur

fostering employable skills. He highlighted the importance of aligning educational curriculum with industry requirements to enhance students' employability.

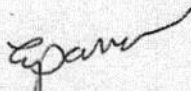

3. Talk by Ms. Anila Choraria on Employing MSMEs and Their Role to Strengthen Bilateral Relations: Ms. Anila Choraria shared insights on leveraging Micro, Small, and Medium Enterprises (MSMEs) to strengthen bilateral relations between India and Japan. She discussed the potential for collaboration and investment opportunities in this sector.

Vote of Thanks by Dr. Ekta Pareek

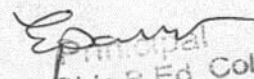

Dr. Ekta Pareek extended her gratitude to all the speakers, guests, and participants for their valuable contributions and active participation in the event. She reiterated the importance of continued collaboration and exchange between India and Japan for mutual growth and prosperity.

The "BICON-2020" marked a significant milestone in the India-Japan partnership, fostering dialogue, collaboration, and knowledge exchange in various domains. Despite the challenges posed by the online format, the event successfully facilitated meaningful discussions and laid the groundwork for future cooperation initiatives.

Organized by: M.Ed. Students, Biyani Girls B.Ed. College

Overview:

On December 28, 2020, M.Ed. students from Biyani Girls B.Ed. College conducted a webinar titled "Cyber Crime Awareness." The webinar aimed to educate participants about the various forms of cybercrime, their impacts, and preventive measures. With the increasing dependency on digital platforms, understanding cyber threats has become imperative for individuals and organizations alike.

Speakers:

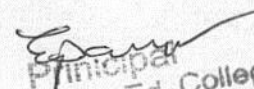

The webinar featured knowledgeable speakers who shared insights into different aspects of cybercrime and cyber security:

1. Himmat Kawer
2. Hama kumarai

Topics Covered:

The webinar covered a wide range of topics related to cybercrime, including but not limited to:

- Introduction to Cybercrime
- Types of Cybercrime (e.g., phishing, hacking, identity theft)
- Case Studies and Examples

Principal
Biyani Girls B.Ed. College
Jaipur

- Legal Aspects and Consequences
- Cyber security Measures and Best Practices

Key Takeaways:

Participants gained valuable insights into the following key aspects:

1. Awareness: Understanding the various forms of cyber threats and how they operate.
2. Prevention: Learning preventive measures to safeguard personal and organizational information.
3. Legal Implications: Understanding the legal consequences of engaging in cybercrime activities.
4. Responsibility: Acknowledging the role of individuals and organizations in ensuring cyber security.

Audience Engagement:

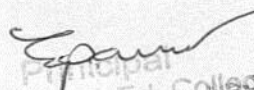

The webinar saw active participation from the audience, with questions, comments, and discussions enriching the session. Attendees expressed their concerns about cyber security issues and shared their experiences dealing with cyber threats.

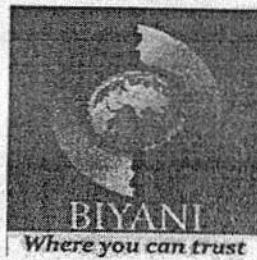

Conclusion:

The "Cyber Crime Awareness" webinar organized by M.Ed. students from Biyani Girls B.Ed. College was a resounding success in raising awareness about the growing threats of cybercrime. By educating participants about cyber risks and preventive measures, the webinar contributed to enhancing cybersecurity awareness among individuals and organizations.

Acknowledgments:

We extend our sincere gratitude to all the speakers, participants, and organizers who made this webinar possible. Special thanks to [Insert names of individuals or organizations who supported the event].

Principal
Biyani Girls B.Ed. College
Jaipur

Future Initiatives:

In line with the success of this webinar, the organizers plan to conduct more awareness sessions and workshops on cyber security. These initiatives aim to empower individuals with the knowledge and skills needed to protect themselves and their organizations from cyber threats.

Report on Session Entitled "Constitutional Rights"

Date: December 29, 2020

Venue: Biyani Girls B.Ed. College (Online Mode - Google Meet)

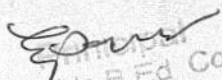

Presenter: Ms. Raju Pansari

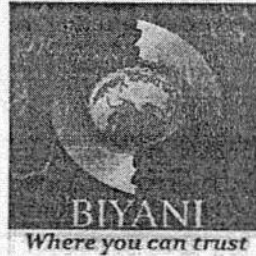

Introduction:

On December 29, 2020, a session titled "Constitutional Rights" was conducted at Biyani Girls B.Ed. College. The session, led by Ms. Raju Pansari, aimed to enlighten students about the fundamental rights enshrined in the Constitution of India and their significance in safeguarding individual liberties and promoting social justice.

Session Highlights:

1. Overview of Constitutional Rights: Ms. Raju Pansari commenced the session by providing an overview of constitutional rights, emphasizing their foundational role in a democratic society. She elucidated the historical context and evolution of fundamental rights in the Indian Constitution, tracing their origins to the struggle for independence and the vision of the founding fathers.
2. Fundamental Rights: The presenter delved into the specific provisions of fundamental rights guaranteed by the Indian Constitution, including the right to equality, right to freedom, right against exploitation, right to freedom of religion, cultural and educational rights, and right to constitutional remedies. She explained the scope, limitations, and legal implications of each right, citing relevant case law and legislative provisions.
3. Interpretation and Enforcement: Ms. Pansari discussed the interpretation and enforcement mechanisms concerning constitutional rights, highlighting the role of the judiciary in safeguarding fundamental freedoms through judicial review and writ

Principal
Biyani Girls B.Ed. College
Jaipur

jurisdiction. She emphasized landmark judgments that have expanded and strengthened the ambit of constitutional rights in India.

4. Challenges and Controversies: The session addressed contemporary challenges and controversies surrounding constitutional rights, including issues of social inequality, discrimination, and infringement of individual liberties. Ms. Pansari encouraged students to critically analyze socio-legal issues and advocate for reforms to ensure the effective realization of constitutional ideals.

5. Role of Educators: The presenter underscored the role of educators in promoting constitutional literacy and fostering a culture of human rights awareness among students. She emphasized the importance of integrating constitutional values and principles into the curriculum, empowering future teachers to uphold democratic values and advocate for social justice.

Conclusion:

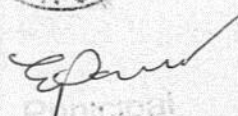

The session on "Constitutional Rights" led by Ms. Raju Pansari at Biyani Girls B.Ed. College provided students with a comprehensive understanding of fundamental rights and their significance in the Indian constitutional framework. Through insightful discussions and case analyses, students gained insights into the legal and philosophical foundations of constitutionalism, enabling them to appreciate the role of constitutional rights in shaping democratic governance and protecting individual freedoms. The session facilitated active engagement and critical reflection, equipping students with the knowledge and skills to become informed citizens and conscientious educators committed to upholding constitutional values.

Report on National Seminar on "Quality Enhancement Strategies for NAAC"

Date: 1st March 2021

Organizer: IQAC Cell, Biyani Girls B.Ed. College

Presenter: Dr. Dharmadhikari N.S.

Educationist & Member, UGC, NAAC Commission, Pune, Maharashtra

Introduction:

The National Seminar on "Quality Enhancement Strategies for NAAC" was organized by the Internal Quality Assurance Cell (IQAC) of Biyani Girls B.Ed. College on March 1, 2021. The seminar aimed to provide insights and strategies for enhancing the quality of education and institutional performance in alignment with the National Assessment and Accreditation Council (NAAC) guidelines. Dr. Dharmadhikari N.S. an eminent educationist and member of the UGC and NAAC Commission, Pune, Maharashtra, presented key strategies and best practices for achieving excellence in higher education.

Key Points Discussed:

1. Overview of NAAC Accreditation:

Dr. Dharmadhikari provided an overview of the NAAC accreditation process, emphasizing its significance in evaluating the quality and excellence of higher education institutions. He elucidated the criteria and parameters used by NAAC for assessment, including Curricular Aspects, Teaching-Learning and Evaluation, Research, Consultancy, and Extension, Infrastructure and Learning Resources,

Principal
Biyani Girls B.Ed. College
Jaipur

Student Support and Progression, Governance, Leadership, and Management, and Innovations and Best Practices.

2. Quality Enhancement Strategies:

Various strategies and approaches for enhancing the quality of education were discussed. Dr. Dharmadhikari emphasized the importance of aligning institutional goals with NAAC criteria, fostering a culture of continuous improvement, and promoting stakeholder engagement. He highlighted the role of effective leadership, faculty development programs, and student-centric initiatives in ensuring quality enhancement.

3. Best Practices and Case Studies:

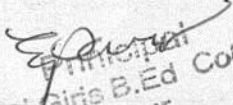

Dr. Dharmadhikari shared best practices and case studies from accredited institutions that have successfully implemented quality enhancement strategies. These included initiatives such as curriculum revision based on industry feedback, establishment of Centres of Excellence, adoption of innovative teaching methods, and implementation of outcome-based education.

4. Self-Assessment and Documentation:

The seminar stressed the significance of self-assessment and documentation in the NAAC accreditation process. Dr. Dharmadhikari elaborated on the importance of maintaining comprehensive documentation of institutional activities, achievements, and initiatives. He provided guidelines for preparing the Self-Study Report (SSR) and highlighted the need for accurate data collection and analysis.

5. Question & Answer Session:

The seminar concluded with a vibrant question and answer session, where participants had the opportunity to seek clarification on various aspects of NAAC accreditation and quality enhancement strategies. Dr. Dharmadhikari addressed

Principal
Biyani Girls B.Ed College
Jaipur

Where you can trust

queries related to assessment criteria, documentation requirements, and effective implementation strategies.

Conclusion:

The National Seminar on "Quality Enhancement Strategies for NAAC" provided a valuable platform for educators and administrators to gain insights into the NAAC accreditation process and strategies for enhancing institutional quality. Dr. Dharmadhikari N.S.'s expertise and guidance equipped participants with practical tools and best practices to navigate the accreditation journey effectively. The seminar underscored the importance of continuous improvement and stakeholder collaboration in achieving excellence in higher education.

Report on Workshop Entitled "Concept Mapping & Lesson Planning"

Dates: 15th February to 20th February 2021

Venue: Biyani Girls B.Ed. College Auditorium

Conducted by: Dr. Shipra Gupta and Ms. Tripti Saini

Overview:

The workshop on "Concept Mapping & Lesson Planning" held from 15th February to 20th February 2021 at Biyani Girls B.Ed. College Auditorium was a comprehensive and interactive event aimed at enhancing the pedagogical skills of the participants. Led by Dr. Shipra Gupta and Ms. Tripti Saini, the workshop provided valuable insights and practical guidance on effective lesson planning and the utilization of concept mapping techniques in teaching.

Workshop Highlights:

1. Theoretical Foundations:

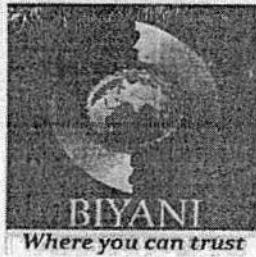

- Dr. Shipra Gupta commenced the workshop by providing a theoretical overview of concept mapping and its significance in educational settings.
- Participants gained an understanding of the principles underlying concept mapping and its applications in facilitating learning and knowledge organization.

2. Practical Demonstration:

- Ms. Tripti Saini conducted practical sessions wherein participants were guided through the process of creating concept maps for various subjects and topics.
- Hands-on activities enabled participants to apply the learned concepts and develop their own concept maps, fostering a deeper understanding of the methodology.

3. Lesson Planning Techniques:

Principal
Biyani Girls B.Ed. College
Jaipur

- Dr. Shipra Gupta elucidated on the importance of effective lesson planning in achieving learning objectives and engaging students.

- Participants learned strategies for structuring lessons, incorporating diverse instructional methods, and catering to the needs of diverse learners.

4. Group Exercises:

- Group exercises were conducted to encourage collaboration and brainstorming among participants in devising lesson plans incorporating concept mapping.

- Participants engaged in lively discussions, shared ideas, and received constructive feedback from peers and facilitators.

5. Feedback and Reflection:

- Throughout the workshop, participants received feedback from the facilitators on their concept maps and lesson plans, facilitating continuous improvement.

- A reflection session was held at the conclusion of the workshop, allowing participants to share their learning experiences and insights gained.

Achievements:

- Participants acquired practical skills in creating concept maps and designing effective lesson plans tailored to diverse learning contexts.

- Enhanced understanding of pedagogical techniques and strategies for promoting active learning and student engagement.

- Positive feedback received from participants regarding the relevance and applicability of the workshop content to their teaching practice.

Conclusion:

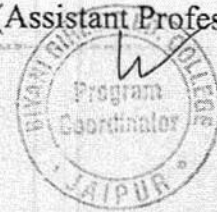

The workshop on "Concept Mapping & Lesson Planning" conducted at Biyani Girls B.Ed. College Auditorium from 15th February to 20th February 2021, under the guidance of Dr. Shipra Gupta and Ms. Tripti Saini, was instrumental in equipping participants with valuable pedagogical skills and strategies. The interactive and participatory nature of the sessions facilitated meaningful learning experiences,

Report: Developing Entrepreneurial Skills

Date: May 26, 2021

Venue: Online (Facebook Live)

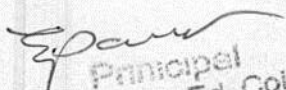

Presenter: Mr. Chintan Bakshi

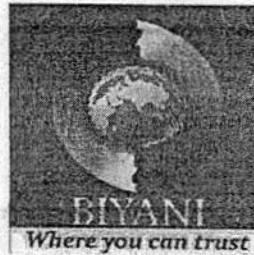

Overview:

On May 26, 2021, an insightful webinar titled "Developing Entrepreneurial Skills" was conducted online via Facebook Live. The webinar aimed to educate participants about the essential skills required for entrepreneurship and inspire them to pursue entrepreneurial ventures. Mr. Chintan Bakshi, an experienced entrepreneur and business mentor, served as the presenter, sharing valuable insights and practical advice based on his expertise in the field.

Key Highlights:

1. **Introduction to Entrepreneurship:** Mr. Chintan Bakshi commenced the webinar by providing an overview of entrepreneurship and its significance in driving innovation, economic growth, and job creation. He emphasized the role of entrepreneurs in identifying opportunities, solving problems, and creating value in society.
2. **Identifying Entrepreneurial Opportunities:** The presenter discussed strategies for identifying entrepreneurial opportunities and evaluating business ideas. He encouraged participants to observe market trends, identify unmet needs, and leverage their skills and passions to generate innovative business concepts.
3. **Building a Growth Mindset:** Mr. Bakshi emphasized the importance of cultivating a growth mindset in entrepreneurship. He discussed the mindset shifts required to embrace challenges, learn from failures, and persist in the face of obstacles on the entrepreneurial journey.

Principal
Biyani Girls B.Ed. College
Jaipur

4. **Essential Entrepreneurial Skills:** The webinar focused on developing essential entrepreneurial skills, including creativity, critical thinking, communication, problem-solving, and resilience. Mr. Bakshi provided practical tips and exercises for honing these skills and adapting to the dynamic nature of entrepreneurship.

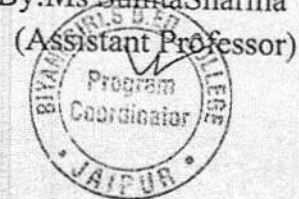

5. **Strategic Planning and Execution:** The presenter discussed the importance of strategic planning and execution in entrepreneurial success. He introduced frameworks for setting SMART (Specific, Measurable, Achievable, Relevant, Time-bound) goals, developing business plans, and implementing effective strategies to achieve objectives.

6. **Resource Mobilization and Networking:** Mr. Bakshi highlighted the significance of resource mobilization and networking in entrepreneurship. He shared insights on accessing funding opportunities, building strategic partnerships, and leveraging networks for business growth and expansion.

Conclusion:

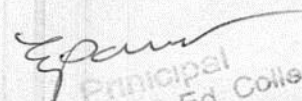

The webinar on "Developing Entrepreneurial Skills" facilitated by Mr. Chintan Bakshi provided participants with valuable insights and practical guidance for embarking on entrepreneurial ventures. Through engaging discussions and actionable advice, participants gained a deeper understanding of the essential skills, mindset, and strategies required for entrepreneurial success. The webinar served as a source of inspiration and empowerment, motivating participants to harness their creativity, passion, and resilience to pursue their entrepreneurial aspirations and contribute to economic development and societal progress.

Report on Workshop Entitled "Art of Living"

Date: July 5th to July 7th, 2021

Venue: Biyani Girls B.Ed. College

Conducted by: Mr. Rohin Varma

Introduction:

The workshop titled "Art of Living" was organized by Biyani Girls B.Ed. College from July 5th to July 7th, 2021. The workshop aimed to delve into the essence of living a fulfilled life through various facets of art, including but not limited to, mindfulness, creativity, and emotional intelligence. Renowned expert Mr. Rohin Varma led the workshop, promising an enlightening and transformative experience for all participants.

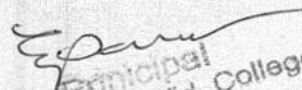

Workshop Content:

The workshop spanned three days, each day dedicated to exploring different aspects of the "Art of Living."

Day 1: Mindfulness and Self-awareness

Mr. Rohin Varma initiated the workshop by introducing the concept of mindfulness and its significance in contemporary living. Through interactive sessions and practical exercises, participants learned techniques to cultivate mindfulness in their daily lives. The day's sessions emphasized self-awareness, encouraging participants to understand their thoughts, emotions, and behaviors deeply.

Day 2: Creativity and Expression

Principal
Biyani Girls B.Ed. College

Biyani

The second day of the workshop focused on unleashing creativity as a means of self-expression and personal growth. Mr. Rohin Varma guided participants through various creative exercises, including art therapy, writing prompts, and improvisational activities. Participants were encouraged to explore their creativity without inhibition, fostering a supportive and non-judgmental environment.

Day 3: Emotional Intelligence and Well-being

The final day centered on emotional intelligence and its role in enhancing overall well-being. Mr. Rohin Varma facilitated discussions on emotional awareness, regulation, and empathy. Practical strategies were provided to manage stress, build resilience, and cultivate positive relationships. Participants engaged in reflective exercises to integrate newfound insights into their lives.

Key Outcomes:

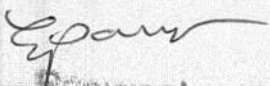

Enhanced mindfulness and self-awareness among participants. Unleashed creativity and expression through various art forms. Improved emotional intelligence skills for better self-regulation and interpersonal relationships. Participants gained practical tools to promote well-being and resilience in their personal and professional lives.

Conclusion:

The "Art of Living" workshop conducted by Mr. Rohin Varma at Biyani Girls B.Ed. College proved to be an enriching and transformative experience for all participants. Through insightful discussions, experiential learning, and practical exercises, participants gained valuable insights into living a fulfilled and purposeful life. The workshop served as a platform for self-discovery, creativity, and personal growth, leaving a lasting impact on all who attended.

Acknowledgment:

Report on Workshop: "Construction & Validation of Data Gathering Tool & Analysis & Interpretation of Data" (Online Mode on Zoom App)

Date: July 21st to 24th, 2021

Venue: Biyani Girls B.Ed. College

Speaker: Dr. Sampark Acharya, (Assistant Professor, Rajasthan Shikshan Parsikshan Mahavidyalaya Jaipur)

Program Details:

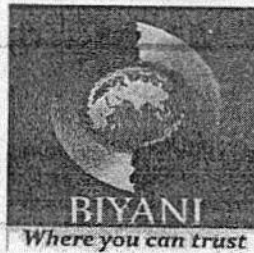

Day 1: July 21st, 2021 - Construction of Likert Scale, Item Analysis, and Reliability and Validity

- The workshop commenced with an in-depth session on constructing Likert scales, focusing on the appropriate design and implementation of these measurement tools.
- Participants engaged in learning about item analysis techniques to evaluate the effectiveness and appropriateness of survey questions.
- Discussions on reliability and validity were held, emphasizing the importance of ensuring the consistency and accuracy of data gathered through various research instruments.

Day 2: July 22nd, 2021 - Sample Selection Technique

- Participants delved into the intricacies of sample selection techniques, exploring various methods to ensure representative and unbiased samples for research studies.
- The session provided insights into sampling strategies, including random sampling, stratified sampling, and convenience sampling, among others.

Pragati
Biyani Girls B.Ed. College
Jaipur

Day 3: July 23rd, 2021 - Construction and Validation of Interview Schedule
- The focus shifted to the construction and validation of interview schedules, with participants learning the process of developing structured interview protocols.
- Practical guidelines were provided for ensuring the reliability and validity of interview instruments, along with strategies for conducting effective interviews.

Day 4: July 24th, 2021 - Chi-square Analysis
- The workshop concluded with a comprehensive session on Chi-square analysis, a statistical technique used to assess the association between categorical variables.
- Participants gained an understanding of the principles and applications of Chi-square tests, including contingency table analysis and interpretation of results.

Conclusion:

The workshop on "Construction & Validation of Data Gathering Tool & Analysis & Interpretation of Data" provided participants with valuable insights and practical skills essential for conducting robust research studies. Through interactive sessions and hands-on activities, participants gained proficiency in designing research instruments, selecting appropriate sampling techniques, and analysing research data effectively. Dr. Sampark Acharya's expertise and guidance contributed significantly to the success of the workshop, equipping participants with the necessary tools and knowledge to enhance their research endeavours.

Report on Session on "Item Analysis" by Dr. Bharti Sharma

Date: 24 August 2021

Venue: Biyani Girls B.Ed. College, Jaipur

Introduction:

On August 24, 2021, Biyani Girls B.Ed. College organized a session on "Item Analysis" conducted by Dr. Bharti Sharma. The session aimed to provide insights into the process of analysing test items to evaluate their effectiveness in assessing students' knowledge and skills. Dr. Sharma, an esteemed expert in educational assessment, shared her expertise and practical knowledge with the faculty and students attending the session.

Key Highlights:

The session on "Item Analysis" covered the following key topics and highlights:

1. Importance of Item Analysis:

Dr. Bharti Sharma began by emphasizing the significance of item analysis in educational assessment. She elucidated how item analysis enables educators to evaluate the quality and effectiveness of test items, identify items that discriminate well between high and low performers, and improve the overall reliability and validity of assessments.

2. Types of Item Analysis:

Participants were introduced to various methods of item analysis, including difficulty index, discrimination index, and distractor analysis. Dr. Sharma

[Signature]
Principal
Biyani Girls B.Ed. College
Jaipur

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

explained how these statistical measures provide valuable insights into the performance of test items and assist educators in making informed decisions about item selection, modification, or elimination.

3. Interpretation of Results:

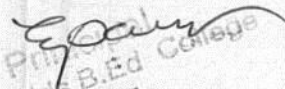

The session delved into the interpretation of item analysis results and their implications for assessment practices. Dr. Bharti Sharma guided participants through the process of interpreting difficulty and discrimination indices, identifying problematic items, and refining assessment instruments to ensure their alignment with learning objectives and standards.

4. Practical Applications:

Participants engaged in hands-on activities and case studies to apply the principles of item analysis to real-world assessment scenarios. Dr. Sharma facilitated discussions on best practices for designing reliable and valid test items, avoiding common pitfalls, and enhancing the quality of assessments through systematic item analysis.

5. Q&A Session:

An interactive question and answer session provided participants with the opportunity to seek clarification, share their experiences, and exchange ideas with Dr. Bharti Sharma. Participants posed queries related to item analysis techniques, interpretation of results, and strategies for improving assessment practices.

Principal
Biyani Girls B.Ed. College
Jaipur

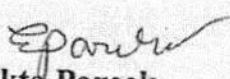

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

Conclusion:

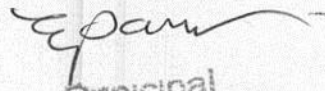

The session on "Item Analysis" conducted by Dr. Bharti Sharma at Biyani Girls B.Ed. College proved to be informative and insightful, providing participants with valuable knowledge and practical skills in educational assessment. By equipping faculty and students with the tools and techniques for conducting effective item analysis, the session contributed to enhancing the quality and validity of assessments at the college. Such professional development initiatives play a crucial role in fostering excellence in teaching and learning practices.

BIYANI GIRLS B.ED. COLLEGE, JAIPUR

4. Case Studies and Examples: Dr. Pratibha Sharma shared real-life case studies and examples to illustrate the practical application of IPR concepts. Participants gained a deeper understanding of IPR through these practical examples, enabling them to relate theory to real-world scenarios.

5. Q&A Session: A dedicated question and answer session were conducted at the end of the workshop, allowing participants to seek clarification on specific IPR-related topics. Dr. Pratibha Sharma addressed the queries raised by participants, providing clear and comprehensive explanations.

Conclusion:

The workshop on Intellectual Property Rights proved to be informative and and intricacies of IPR. The expert session by Dr. Pratibha Sharma equipped participants with practical knowledge and understanding to navigate the complexities of intellectual property protection.

Acknowledgment:

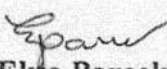

We extend our sincere gratitude to Dr. Pratibha Sharma for sharing her expertise and insights during the workshop. Special thanks to all the participants for their active participation and engagement, contributing to the success of the event.

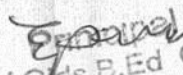

Future Initiatives:

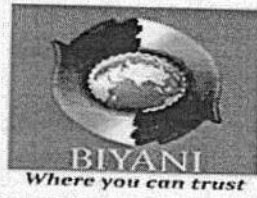

Biyani Girls B.Ed College remains committed to organizing more such workshops and sessions to enhance awareness and understanding of emerging trends and topics in various domains.
