Report on Awareness Program on 'Water Harvesting'

Date: 7 August, 2019

Venue: Biyani Girls B.Ed. College

Introduction:

The Seminar was organized by Lions Club Diamond, Jaipur at Biyani Girls B.Ed. College.

Event highlight:

In Water Harvesting and conservation seminar the Biyani Girls B.Ed. College students demonstrated the Analytical Performance of DEPSOR for the sensitive detection of major heavy metal ions mainly mercury, cambium, lead, zinc and others with detection limits in ppb levels and below the permissible range set by WHO in front of dr. Rajendra singh (Waterman of India) and Jaipur Mayor Vishnu Lata.

Objectives:

Rainwater harvesting provides the independent water supply during regional water restrictions, and in developed countries, it is often used to supplement the main supply. It provides water when a drought occurs, can help mitigate flooding of low-lying areas, and reduces demand on wells which may enable groundwater levels to be sustained.

Conclusion:

The project activities, budget and timelines have been carefully planned to ensure that the system is installed efficiently and effectively.

Report on Go Green Campaign

Date: August 18, 2019

Venue: Biyani Girls B.Ed. College, Campus

Introduction:

Biyani Girls B.Ed. College initiated a comprehensive "Go Green Campaign" on August 18, 2019, with the active involvement of students, faculty, and coordinated efforts led by Ms. Preeti. The campaign aimed to promote environmental consciousness, sustainable practices, and a collective commitment to a greener future. The involvement of Dr. Sanjay Biyani, faculty members, and all students underscored the holistic approach to this environmentally significant initiative.

Event Highlight

Tree Plantation Drive:

The campaign kicked off with a tree plantation drive on the college premises. Students, faculty members, and Dr. Sanjay Biyani actively participated in planting saplings, contributing to the enhancement of green spaces within the college campus.

Green Initiatives in the Curriculum:

The campaign extended its influence into the academic domain by incorporating green initiatives into the curriculum. B.Ed. and M.Ed. students were encouraged to integrate environmental education and sustainable practices into their teaching methodologies.

Recycling Initiatives:

Principal

To encourage waste reduction, recycling initiatives were implemented. Bins for separate waste disposal were introduced, emphasizing the importance of recycling materials like paper, plastic, and other recyclables.

Poster and Art Exhibition:

An exhibition featuring posters and artwork created by students showcased the themes of environmental preservation, sustainable living, and the impact of human activities on the planet. This visual representation aimed to raise awareness among the college community.

Green Pledge:

Participants, including students, faculty, and Dr. Sanjay Biyani, took a collective green pledge to adopt eco-friendly practices in their daily lives. The pledge emphasized personal responsibility and commitment to sustainable habits.

Community Clean-Up Drive:

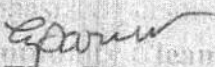

A community clean-up drive involved students and faculty members coming together to clean designated areas in and around the college. This practical activity reinforced the campaign's commitment to a cleaner and healthier environment.

Conclusion:

The "Go Green Campaign" at Biyani Girls B.Ed. College, led by Ms. Preeti and with the active participation of Dr. Sanjay Biyani, faculty, and all students, was a commendable effort to promote environmental consciousness and sustainable living.

Report on Stress Awareness Program

Date: August 29, 2019

Venue: Biyani Girls B.Ed. College, Jaipur

Executive Summary:

The Stress Awareness Program, led by Dr. Sanjay Biyani and organized at Biyani Girls B.Ed. College on August 29, 2019, was a highly impactful initiative aimed at addressing and mitigating stress among students and faculty. Under the coordination of Ms. Sunita Kumari, the event focused on imparting valuable insights, coping mechanisms, and preventive strategies to foster mental well-being.

Event Highlights:

Objective and Purpose: The primary objective of the Stress Awareness Program was to create awareness about stress, its impact on mental health, and to provide practical tools for stress management. Dr. Sanjay Biyani emphasized the importance of recognizing and addressing stress to promote a healthier academic and personal environment.

Engaging Keynote Address: Dr. Sanjay Biyani, a renowned expert in the field, delivered a captivating keynote address that explored the various dimensions of stress, its triggers, and the significance of mental well-being. The keynote provided a foundational understanding for the subsequent sessions.

Interactive Workshops: To facilitate active participation, interactive workshops were conducted, focusing on stress identification, coping strategies, and relaxation techniques. Participants were encouraged to share their experiences, fostering a supportive atmosphere where collective learning took place.

Principal

Biyani Girls B.Ed. College

Report on Cyber Security Awareness Program

Date: December 09, 2019

Venue: Biyani Girls B.Ed. College, Jaipur

Executive Summary:

The Cyber Security Awareness Program conducted at Biyani Girls B.Ed. College on December 09, 2019, was a comprehensive initiative aimed at equipping students and faculty with essential knowledge and practices to enhance their cyber safety. Coordinated by Ms. Bharti Sharma, the event addressed the growing concerns related to cyber threats and promoted a culture of digital resilience.

Event Highlights:

Objective and Purpose: The primary objective of the Cyber Security Awareness Program was to educate participants about the risks associated with cyber activities and impart practical skills to safeguard personal and institutional data. The program sought to create a proactive and informed community regarding online security.

Participant Engagement: The program garnered active participation from students, faculty, and staff members of Biyani Girls B.Ed. College. Interactive sessions, discussions, and real-life case studies were incorporated to engage participants in understanding the relevance and urgency of adopting secure online practices.

Expert Presentations:

Renowned experts in the field of cybersecurity were invited to deliver insightful presentations. These sessions covered a wide range of topics, including common cyber threats, phishing attacks, password management, and the importance of regular software updates. Participants benefitted from the expertise shared by the speakers.

Hands-On Workshops:

Principal

Biyani Girls B.Ed. College
Jaipur

Practical workshops were conducted to provide participants with hands-on experience in implementing cybersecurity measures. This included demonstrations on setting strong passwords, identifying phishing emails, and installing antivirus software. The workshops aimed at empowering participants with actionable knowledge.

Cyber Hygiene Pledge: As a symbolic commitment to practicing good cyber hygiene, participants were encouraged to take a Cyber Security Pledge. This initiative aimed at fostering a sense of responsibility among individuals to follow best practices and share the acquired knowledge with their peers.

Distribution of Educational Materials: Informative brochures, pamphlets, and other educational materials were distributed to all participants. These materials served as quick references for cyber security tips and guidelines, enabling participants to reinforce their learning beyond the event.

Question-Answer Session: A lively question-answer session allowed participants to seek clarification on specific cyber security concerns. This interactive segment facilitated a deeper understanding of the issues discussed during the program and provided personalized guidance to attendees.

Conclusion: The Cyber Security Awareness Program at Biyani Girls B.Ed. College, under the guidance of Coordinator Bharti Sharma, successfully educated and empowered participants in navigating the digital landscape securely. The event not only heightened awareness but also equipped the college community with practical skills to protect themselves against cyber threats.

Report on Self Defence Workshop

Date: January 20 to January 27, 2020

Venue: Biyani Girls B.Ed College Campus.

Introduction:

In an effort to empower and enhance the safety of its students, Biyani Girls B.Ed College, Jaipur, organized a comprehensive Self-Defense Workshop from January 20 to January 27, 2020. The objective of the workshop was to equip the participants with essential self-defense techniques and instill a sense of confidence and security.

Workshop Highlights:

1. Expert Trainers:

The workshop enlisted professional self-defense trainers renowned for their expertise in martial arts and personal safety. These trainers were dedicated to imparting valuable skills to the participants.

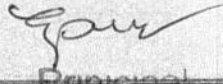

2. Theoretical Sessions:

The workshop began with theoretical sessions, focusing on creating awareness about the importance of self-defense, understanding potential risks, and recognizing personal safety strategies.

3. Practical Demonstrations:

Participants engaged in hands-on, practical demonstrations where they learned fundamental self-defense moves. Techniques such as basic strikes, blocks, and evasion maneuvers were covered, ensuring that participants gained a practical understanding of self-defense.

4. Role-Playing Scenarios:

Principal
Biyani Girls B.Ed College
Jaipur

To enhance the practical application of learned skills, role-playing scenarios were incorporated. Participants had the opportunity to practice self-defense techniques in simulated situations, preparing them for real-life encounters.

5. Awareness on Personal Safety:

Beyond physical techniques, the workshop also emphasized the importance of situational awareness and personal safety habits. Participants were educated on how to identify and avoid potential threats.

6. Interactive Q&A Sessions:

The workshop encouraged an open dialogue between participants and trainers. Interactive question-and-answer sessions provided a platform for clarifying doubts, sharing experiences, and building a supportive learning environment.

Guest Speaker:

The workshop benefited from the presence of a guest speaker, possibly an expert in self-defense or a law enforcement professional, who shared insights into the broader context of personal safety.

Conclusion:

The Self-Defense Workshop at Biyani Girls B.Ed College was a commendable initiative, fostering a sense of empowerment and preparedness among the participants. By combining theoretical knowledge with hands-on training, the workshop equipped individuals with the skills and mindset necessary for personal safety.

allowed for a thorough exploration of the various facets of the "Save Girl Child" theme.

4. Research and Analysis:

Students demonstrated their research and analytical skills by presenting well-supported arguments. They drew on statistics, case studies, and real-life examples to strengthen their positions, fostering a deep and informed conversation.

5. Expressive Communication:

Effective communication skills were on display as participants articulated their thoughts persuasively and passionately. The eloquence of the speakers contributed to the impact of the debate.

6. Judicious Evaluation:

A panel of judges, comprised of faculty members or external experts, evaluated the participants based on criteria such as content, delivery, and overall impact. This ensured a fair and constructive assessment of each participant's performance.

7. Audience Engagement:

The audience, consisting of students, faculty, and possibly external guests, actively engaged in the debate. Questions and comments from the audience added depth to the discussion and fostered a sense of collective responsibility for addressing the issues at hand.

Conclusion:

The "Save Girl Child" debate at Biyani Girls B.Ed. College, coordinated by Ms. Sunita Kumari Sharma, was a resounding success. The event not only provided a platform for students to express their opinions on a critical societal issue but also encouraged critical thinking, research, and effective communication skills.
