BIYANI GIRLS B.ED. COLLEGE, JAIPUR (2020-21)

Report of Employability Skills under "Life Skills" program

Date:-16 Dec 2021 to 24 Dec 2021

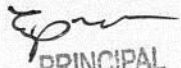

Organizer Rubicon and Biyani Girls B.Ed. College

An online certificate course was organized from 16th December 2021 to 24th December 2021 from 10:00am to 12:00 pm on Employability Skills under "Life Skills" program by Rubicon in collaboration with Biyani Girls B.Ed. College, Jaipur, Rajasthan. 70 students have participated in this program. The Resource Person was Mrs Tamosi M Sarkar.

Content of the workshop:-

The first day session started with brief presentation of workshop by Ms Tamosi. She emphasized on soft skills and communication for career. Various methods of communication and skills were discussed in Innovative and productive ways. Examples:- body language, use of glossary, dressing etc. As the world is changing after the pandemic so she emphasized to have a friendly connection with technology and online job portals.

Further in the session Ms Tamosi discussed about the corporate world. She said a student should increase their knowledge by read, write and listen something on daily basis. She motivated students by saying "**You're a butterfly keep your wings open**". She organized small activities in which students can participate and all the students shared extremely amazing and different ideas. She also came with some writing ideas in which students wrote their Autobiography . Later she divided students in the small groups for group discussion and given a topic to discuss. Both the group from different colleges and different parts of India, discussed so many thoughts and ideas. She analysed

PRINCIPAL
BIYANI GIRLS B.ED. COLLEGE
SEC-3, VIDHYADHAR NAGAR

all the students with their communication and presentation skills. She thrown a light on “Will-Skill- Bill” concept. Given best suggestions for the career.

1. Learning outcomes(knowledge and experience)from the workshop?

- Exposure in Innovative methods for making communication interesting and easy for the students.
- Sharing interesting experiences and stories from day to day life to make the topic relevant and interesting.
- Setting up clear goals for expected learning outcomes.

2. Which aspect of the workshop were found to be interesting and useful for the career?

The workshop whole was enriching and useful. Discussion amongst students from two different colleges and different part of India was very fruitful and resulted to increasing in volunteers.

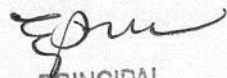

3. Implementation Strategy:-

- By incorporating learning strategies into career development.
- Challenging students in a positive way.
- Practices on practical life and learn how to deal with them.

4. Names of winners:-

Ms. Tamosi have been changed communication style of students and she announced 11 names to praise them and 4 students were winner. Names as follows.

1. Rajshri Ranawat
2. Rajni Pal
3. Aditi Soni
4. Jaishree

Report of Ashvatth Learning Community

BGBC (Biyani Girls B.Ed. College) is run by Biyani Shiksha Samiti in Jaipur since 2006. ALC partnered with the BGBC to implement the program with the students of B.ED., M.Ed., and D.El.Ed courses. A demonstration of the session was conducted with the M.Ed. students in the college before signing the MOU (Memorandum of Understanding). After the first orientation 110 students registered for the program, out of which 59 students were selected, 26 from B.Ed. 1st year, 27 from B.Ed. 2nd year and 5 from D.El.Ed. course for the two batches of Shikshak Chaupal and Blended learning courses. Duration of the Internship: 3 Months - Nov. 2021 to Jan. 2022 (5-6 Hrs per week)

Name of the Interns:

1. Rajshri Ranawat (Biyani Girls B.Ed. College, Jaipur)
2. Preeti Soni (Biyani Girls B.Ed. College, Jaipur)

This internship provided a new learning opportunity for our students which helped the students to get more exposure to the innovative learning methodologies in the education sector. Students build their understanding

ABOUT ASHVATTHA

In the living-breathing forests of society, educators are like trees facilitating the fruits of learning. These bearers of learning need sufficient incubation and nourishment to develop strong roots, i.e. competencies and mindsets required for effective teaching-learning practices. Ashvattha creates this incubation ground for 21st-century teachers through holistic learning experiences.

We are run by alumni from Harvard, IIT Delhi, TISS, DU and APU and supported by RDNC Mittal Foundation (Alwar, Rajasthan), recipient of multiple accolades from district and state government in the field of education. Collectively, our team has extensive experience in education, teacher training and non-profit management. We are currently running pilot programs with a teacher training institute in rural Tonk (Eminent Girls College) and a career development NGO for rural women in Himachal Pradesh and Jharkhand (Sajhe Sapne).

PROGRAM OVERVIEW

The Re-Imagine Education Teacher Learning Center program is an effort to reimagine the current system of education by establishing centers at the teacher training institute with a student-centered learning approach and making the learners of today, teachers of tomorrow by equipping them with 21st-century skills.

Innovations in pre-service teacher education are the unexplored levers of change that can drastically improve the quality of our education system in the long run. Since we want our next generation to be equipped with 21st-century skills, it is essential that our teachers are prepared to teach in this new education paradigm. This program focuses on building foundational skills which form the basis of higher-order 21st-century skills like critical thinking, problem-solving, digital fluency, empathy, and collaboration.

RATIONALE

Learning is complete and holistic only when a student is able to effectively perform and fulfill his/her responsibilities and duties towards self, school, family, society and the nation. The goal is to enable today's students to be good citizens and responsible human beings who are well aware of their potential and competence. 21st Century Skills enable an individual for his/her holistic development so that he/she can contribute to the progress and development of his or her society/ nation and world.

As of 2018, 11 lakh pre-service teachers graduate every year from teacher training institutes, most of which are functional only on paper. Central teacher eligibility test has an abysmal pass percentage of 25% and teacher vacancies plague our schools, almost 60-70 percent in some states. Scholars and policymakers alike, question the effectiveness of using certifications for assessing teacher preparedness and subsequent appointment.

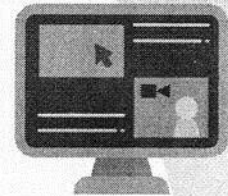

Current pre-service teacher training programs are outdated and disconnected from 21st-century education that requires technology-based teaching and building life skills amongst students. Hence, it is not surprising, that while the National Curriculum Framework (2005) conceptualizes multiple ways of knowledge creation, most instruction continues to be teacher-centered . In 2019, MHRD highlighted the need for teacher training on experiential pedagogies that build on children's existing knowledge.

In the absence of good quality teacher preparation programs, teachers' own schooling and life experiences become the mainstay of their perspectives in the classroom, thereby continuing the naturalized narrative of ability and behaviorist frames of motivation.

OBJECTIVES

1. Build partnerships with Teacher Training Institutes to understand each stakeholder and the system through which a student-teacher goes through during the learning phase.
2. Pilot our three self-paced courses English for Educators, Technology in Education, and Learning Teaching Evaluation, designed to enhance the classroom understanding of student-teachers in real-life classroom situations.
3. Build the capacity of the student-teachers to lead conversations and action on the issues related to themselves and the education in their schools and communities.
4. Connect B.Ed., D.El.Ed and M.Ed. students to internship opportunities and assist in the placement of trained students by conducting preparation workshops, connecting with relevant organizations, learning about online tutoring apps, etc.

PRINCIPAL
BIYANI GIRLS B.ED. COLLEGE
SEC-3, VIDHYADHAR NAGAR, JAIPUR

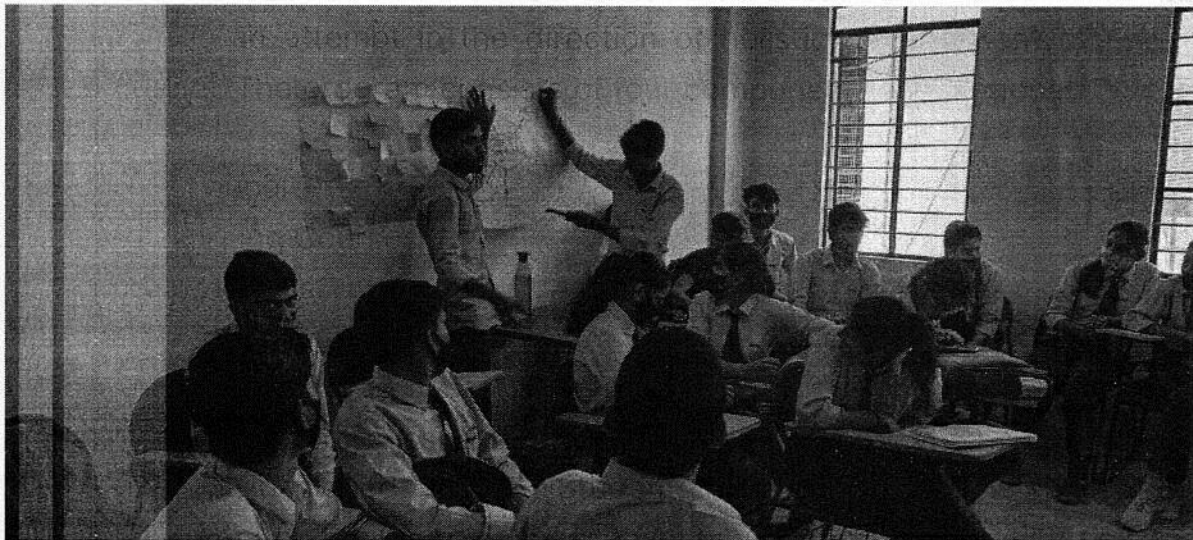

PROGRAM STRUCTURE

This program is an attempt in the direction of holistic development of the pre-service students. The program consists of four components as mentioned:

1. Shikshak Chaupal
2. Blended Learning Courses
3. Exposure programs
4. Field Internships

Shikshak Chaupal is a discussion and training forum on education led by student-teachers and co-designed by us. Students build nuanced perspectives on education and work on their confidence, community, and communication skills.

Duration: 1 hr per week

Re-Imagine Education Teacher Learning Center

Blended Learning Courses are customized training for student teachers using a mix of videos, assignments, and live practice sessions. Topics include English for Educators, Technology in Education, effective lesson planning, etc. Students will build a growth mindset and self-learning capabilities necessary in the 21st century. These courses also included live interactive classes called Mazedar Guruwar.

Duration: 2 hr per week

English for Educators: 6 Weeks

Technology in Education: 8 Weeks

Learning Teaching and Evaluation: 6 Weeks

Glimpses from one of the online session

“मैंने Firki app से काफी कुछ सिखा, हमने जूम पर मीटिंग लेना अथवा विभिन्न तरह की गतिविधियाँ तथा खेल सीखे जो हमें कक्षा में करवाने चाहिए | साथ ही मैंने समूह में दो या उससे अधिक लोगों के साथ काम करना सीखा | हमने हमारे सत्रों में यहाँ भी जाना की कोविड के बाद शिक्षा के क्या मायने है और शिक्षा कैसे होनी चाहिए, इस कार्यक्रम से पहले हमने अधिकतर जानकारी किताब से या अखबार से पढ़ी थी शिक्षक चौपाल में आकर हमें अनुभव करने का मौका मिला |

Communities

PROGRAM IMPLEMENTATION

Initially all four components Shikshak Chaupal, Blended Learning courses, Exposure Program, and Field Internship were offered to the colleges. Keeping resource limitations under consideration, Shikshak Chaupal was provided to a limited number of students interested in the program. To begin the program an introductory session was conducted with each college. In the sessions, students were introduced to the Ashvattha Learning Communities and Re.Ed. TLC Program. The benefits of the program were shared among the students. To demonstrate the approach of ALC (Ashvattha Learning Communities), a session was conducted with them in which students shared about the things they were trying to learn and their questions on education. After the session, interested students registered themselves for the program through a Google Form.

The selected students were registered on Teach for India Firki app for the opted blended learning courses. An orientation session was conducted for students to train them to use the Firki app. As a part of the blended learning course, every week an online meeting has been conducted to address the challenges faced by students and to share the learnings of the week with the group. After the completion of the course, based on their performance in the course and attendance in the Shikshak Chaupal, students got certificates.

Shikshak Chaupal is a co-created space for the student-teacher community, where they can discuss their challenges, questions, conflicts, and celebrations. It was designed such that students take ownership of the space and lead the space with the support of the members. Initially, we conducted a few sessions in the college based on students' questions about education, to build an understanding of the shikshak chaupal. We discussed the experiences of education, ways of learning, relationship with friends, books and education, constitutional values, reservation, and strength-based lens. After a few weeks, students started conducting the shikshak chaupal in the college.

अश्वत्थ का अनुभव मेरे लिए बहुत अच्छा था, मैंने सभी ऑफलाइन कक्षाएँ ली थी, जिसमे मुझे बहुत कुछ सिखने का मौका मिला, सबके सामने अपने विचार रखने का आत्मविश्वास मिला तथा मैंने संविधान के बारे गहराई से जाना और बहुत ही रोचक गतिविधियों के माध्यम से सखा

- **Meenakshi Pareek** (1st Year Biyani Girls B.Ed. College)

Hello my name is khushboo agrawal, I had no confidence to talk in front of an audience but Ashvattha program was very much beneficial for me and helped me building self confidence. Early I didn't know how to connect and communicate with students. I wanted to improve my skill so that I can help my students. I thank to ashvattha for providing me the opportunity to learn all this.

- **Khushboo Agrawal** (2nd Year Biyani Girls B.Ed. College)

1. Biyani Girls B.Ed. College

BGBC (Biyani Girls B.Ed. College) is run by Biyani Shiksha Samiti in Jaipur since 2006. ALC partnered with the BGBC to implement the program with the students of B.ED., M.Ed., and D.El.Ed courses. A demonstration of the session was conducted with the M.Ed. students in the college before signing the MOU (Memorandum of Understanding). After the first orientation 110 students registered for the program, out of which 59 students were selected, 26 from B.Ed. 1st year, 27 from B.Ed. 2nd year and 5 from D.El.Ed. course for the two batches of Shikshak Chaupal and Blended learning courses. The program was paused on 19th June 2022 after the second batch of the blended learning courses due to examinations.

2. Maharshi Dayanand B.Ed. College

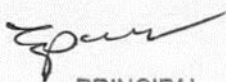

Maharshi Dayanand B.Ed. College was established in 2008 by Maharshi Dayanand Shiksha Samiti. We had a different experience at this college because most of the colleges in which we worked were girls' colleges but Maharshi Dayanand B.Ed. College is co-ed. college. Initially, only Shikshak Chaupal was offered to the college as they wanted to build an understanding of the approach ALC uses in the programs. After a demonstration session, B.Ed. 1st year and 2nd-year students were enrolled in the program. A total of 6 Shikshak Chaupal were conducted with the college after which the program was paused due to the unavailability of students and exams.

3. Sri Balaji T.T. College

Sri Balaji Teachers Training College was established in 2005 by the Sri Balaji Shiksha Samiti. Principal of Biyani Girls B.Ed. College referred us to this college which helped us build a good rapport with the college. In the terms of structure, this college was also different from the rest we worked with earlier. This college has integrated B.Ed. course and it is co-ed. college. After the demonstration session, 47 students registered for the program. A total of 3 Shikshak Chaupal were conducted in the college and students were enrolled in the blended learning courses. The first cycle of the blended learning course could not be completed at this college because of the unavailability of the students due to exams.

4. Sneh T.T. College

Sneh Teachers Training College is co-ed. college and also provides the integrated B.Ed. course to the students. Partnership with this college was built near to the exams of the students, so only a demonstration session was conducted for the students and from the new session, program will be implemented with this college.

INTERNSHIP PARTNERSHIP

Journey Matters Internship: Journey Matters is a learning design venture dedicated to designing social and emotional tools for children. Their offerings stem from the belief that equipping children with the skills to better understand and express themselves, will help them evolve into well-rounded adults, ready to embrace the challenges of tomorrow with confidence.

Journey Matters partnered with ALC for the development of a Social Emotional Learning book in the Hindi language. Three interns were selected through an interview from our partner teacher training institutes as an intern for the content development of the book.

Duration of the Internship: 3 Months - Nov. 2021 to Jan. 2022 (5-6 Hrs per week)

Name of the Interns:

1. Naina Asnani (Sanjay T.T. College, Jaipur)
2. Rajshri Ranawat (Biyani Girls B.Ed. College, Jaipur)
3. Preeti Soni (Biyani Girls B.Ed. College, Jaipur)

This internship provided a new learning opportunity for our students which helped the students to get more exposure to the innovative learning methodologies in the education sector. Students build their understanding around the child's emotions and expression of the emotions in various situations. Students have shared their learnings from this internship in the testimonials.

मेरा नाम नैना असनानी है, मैं सबसे पहले धन्यवाद करूँगी जर्नी मैटर्स और अश्वत्थ लर्निंग कम्युनिटीस का | जर्नी मैटर्स के साथ हमारी इंटरनशिप बेहद अच्छी रही, उसमें हमने 'अ' से 'ज' तक के अनेक भावों के बारे में जाना और साथ में बनाये भी, जिससे 3 साल से ऊपर के बच्चे जब पढ़ना शुरू करते हैं तब वे अपने भावनाओं को समझ सके महसूस कर सके तथा वो सवाल जो उनके मन में चल रहे हैं वे जान सकें | इसके अंतर्गत हमने काफी बच्चों से बात भी करी और उनके भाव जानने की कोशिश करी ताकि हम 'अ' से 'ज' तक भावनाओं की आसान परिभाषा व अलग अलग परिस्थियाँ बनायें | हमने इस इंटरनशिप के दौरान बच्चों के बारे में बहुत कुछ जाना खास कर उनकी भावनाओं के बारे में जो हमें पहले नहीं पता थी | जर्नी मैटर्स की दृष्टि मैम ने इसमें हमारी बहुत मदद की

PROGRAM OUTPUT

- Approximately ~450 students participated in offline orientation sessions conducted across 4 colleges.
- 335 students registered for the Ashvattha Re.Ed. TLC program across 4 colleges.
- Approximately ~128 students were enrolled in shikshak chaupal across 3 colleges.
- 58 students from Biyani Girls B.Ed. College were enrolled in two blended courses in the first batch of Technology in Education and English for Educators
- A total of 178 students were enrolled in all the blended courses in the second batch of Technology in Education and English for Educators and the first batch of Learning Teaching Evaluation from Shri Balaji Teacher Training Institute and Biyani Girls B.Ed. College.
- 14 Mazedar Guruwar was conducted at Biyani Girls B.Ed. College in both the blended courses in the first batch.
- Across all the Mazedar Guruwar student attendance is ~180.
- A total of 18 offline and online Shikshak Chaupal were conducted across 4 colleges.
- One internship partnership with Journey Matters in which 3 B.Ed. students participated.

PROGRAM OUTCOME

- 68% of participants completed the course and received a certificate for Technology in Education.
- 58.33% of participants completed the course and received a certificate for English for Educators.
- In the second batch of blended courses-
 - Learning Teaching Evaluation: 7.41% participants completed between 25-75%, 18.52% participants completed the course less than 25% and 74.07% did not start the course.
 - Technology in Education: 42.86% participants completed the course less than 25% and 57.14% did not start the course.
 - English for Educators: 10.58% participants completed the course more than 75%, 8.65% participants completed the course between 25-75%, 16.35% participants completed the course less than 25% and 64.42% did not start the course.
- A total of 8 students took the lead and conducted Shikshak Chaupal.

English for Educators - Second Cycle

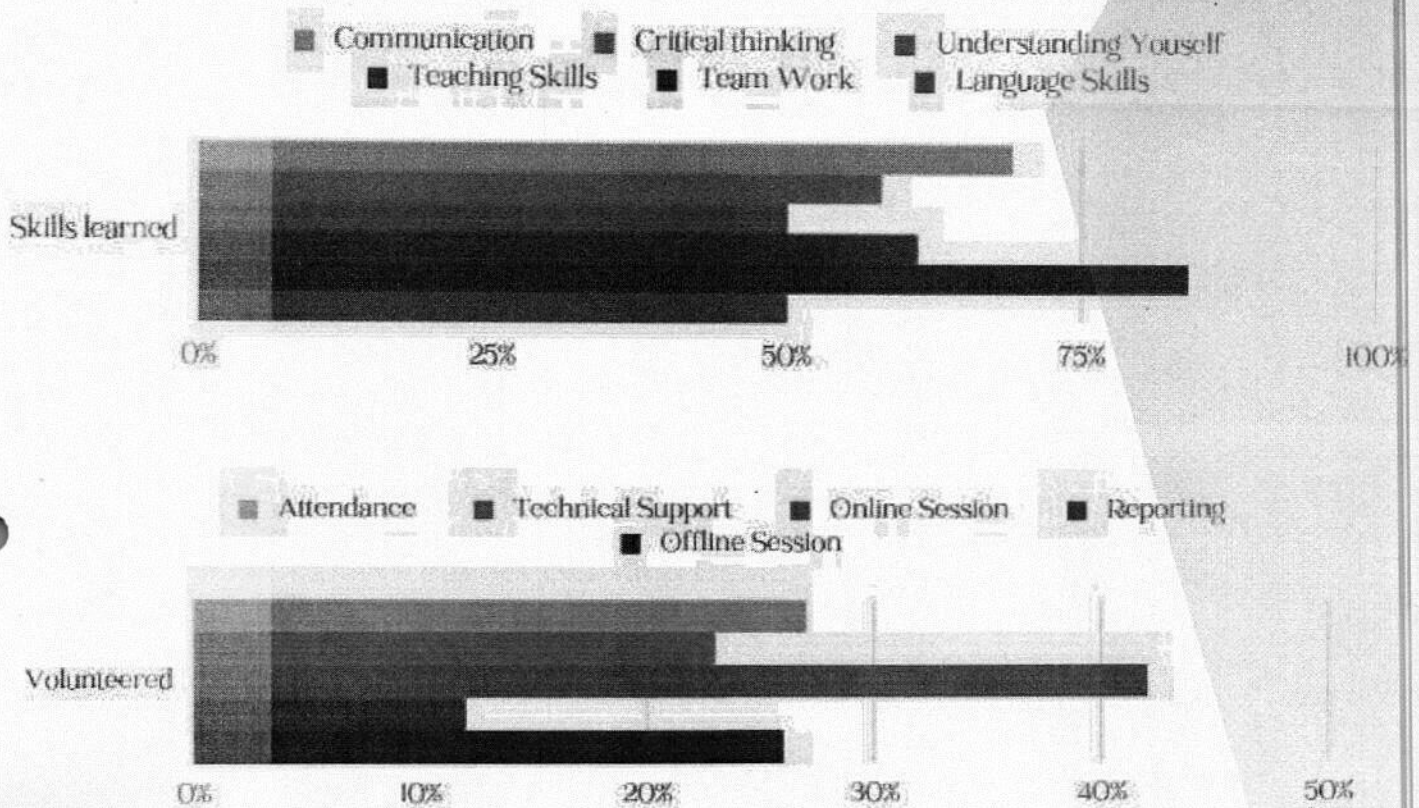

IMPACT

- Students have started taking the lead in their learning, they performed 3 mazedar guruwar sessions for online courses.
- Students applied the learnings of the sessions like energizers, classroom culture, and classroom management in their school classrooms during the internship.
- Implementation of SEL activities in the classroom by students to build relationships with students.

Re-Imagine Education Teacher Learning Center

LEARNING

College Level

- The yearly calendar from educational institutes helps in better strategic planning and execution of the program. The yearly calendar should contain working days, holidays, vacations, tentative exam schedules, practicals, college events, and programs.
- We need to understand B.Ed. syllabus and its implementation by the college to understand the student's work pressure in daily life.
- We should find and provide paid internships to the students to build a strong partnership with colleges.
- Initially colleges are willing to do only short-term MOU and in year-long MOU we will need to have a strategic plan of implementation considering exams, practicals, internships, holidays, and events.

Re-Imagine Education Teacher Learning Center

- We need to engage teachers and principals in the program through workshops, conferences, or seminars.

Student Level

- Shikshak Chaupal should be more classroom contextual and more practical to cater to all the challenges being faced by the students at the time of internship at school for example students engagement, classroom management, etc.
- We should have a student engagement plan for the telegram. We should engage students at least thrice a week.
- Need to have a proper regular mechanism to take updates from the students about their course, and shikshak chaupal. Most of the students, especially female participants, feel hesitation in sharing their challenges and learnings. Most of them feel comfortable with one to one feedback. We can create a mechanism of individual update through message, call or form.
- A student learning tracker is required to help design the shikshak chaupal and mazedar guruwar to support at the individual level, and also to track implementation of learnings during the internship.

Organization Level

- A strategically prepared timeline for the online course helps in on-ground execution.
- The program needs to have more elements aligned with their education or career. For e.g. REET, college syllabus, and practical.
- Strong implementation of norms, roles, and consequences. For e.g. facilitator had to speak with the college coordinator on the weekly basis for the consequences and updates.

NEXT STEPS

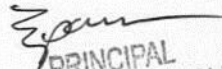

- We have to prepare a yearly calendar with support from educational institutes which will lead to better strategic planning and execution of the program. The yearly calendar should contain working days, holidays, vacations, tentative exam schedules, practicals, internships, SUPW camps, college events, and programs.
- To prepare a communication strategy and material for colleges with whom we meet for the first time.
- To find and prepare a list of the organization and prepare a plan to collaborate for the paid internship.
- To prepare a plan for the advocacy of the TLC as prescribed in the NCFTE.
- To prepare a plan with a timeline to link TLC with CLC.
- To certify the TLC program.

PARTICIPANT'S TESTIMONIALS

“

मैंने Firki app से काफी कुछ सीखा, हमने जूम पर मीटिंग लेना अथवा विभिन्न तरह की गतिविधियाँ तथा खेल सीखे जो हमें कक्षा में करवाने चाहिए | साथ ही मैंने समूह में दो या उससे अधिक लोगों के साथ काम करना सीखा | हमने हमारे सत्रों में यहाँ भी जाना की कोविड के बाद शिक्षा के क्या मायने हैं और शिक्षा कैसी होनी चाहिए, इस कार्यक्रम से पहले हमने अधिकतर जानकारी किताब से या अखबार से पढ़ी थी शिक्षक चौपाल में आकर हमें अनुभव करने का मौका मिला |

- **Poonam Gupta** (2nd Year Biyani Girls B.Ed. College, Jaipur)

“

नमस्ते, अश्वत्थ संस्था से जुड़कर मुझे बहुत ही आनंद का अनुभव हुआ। एक इंटरन होने के नाते से शिक्षक प्रशिक्षण से संबंधित कौशलों को परिमार्जित करने में मुझे अश्वत्थ का सहयोग मिला। अश्वत्थ के सभी टीचर्स का व्यवहार बहुत ही सहयोगी एवं मित्रवत था। अश्वत्थ की कक्षाओं हर बार कुछ नया सीखने को मिलता था। प्रत्येक बार सीखने के अलग-अलग प्रकरण होते थे। इन प्रकरणों को मनोरंजनात्मक तरीके से समझाया जाता था। अश्वत्थ की कक्षाओं द्वारा बहुत सी शैक्षिक तकनीकी से रूबरू करवाया गया। अश्वत्थ कक्षाओं में सिखाई गई इन शैक्षिक तकनीकीओं को मैंने अपनी बीएड इंटरशिप के दौरान अप्लाई किया। इससे मुझे बच्चों की मानसिकता को समझने में भी सहायता मिली। मैं धन्यवाद करना चाहूंगी अश्वत्थ संस्था के समीर सर, आरुषि मैम और शिवांगी मैम को , जिन्होंने बहुत ही सहयोगी एवं मनोरंजनात्मक तरीके से हमें शैक्षिक तकनीकी को समझाया।
