Message from the Chairman

Biyani Girls B.Ed. College located in the Pink City, Jaipur of Rajasthan to promote technological and professional education of highest standards. I am delighted to see that a team of dedicated and experienced faculty members are toiling hard to take this college to the next level to be at par with the other top colleges. I express all my wishes to them for their best efforts. I am also much buoyed to see the state-of-the-art campus infrastructure with modern teaching and research facilities adding value in teaching learning in line with the vision and mission of the college. It is all the more satisfying to see the college offers career-oriented courses. The college was established in 2006.

Predominantly, the Board of Management feels the college should strategize its road map of success for the coming years. Hence, preparation of “**Strategic Plan**” is the top priority in this direction. Nonetheless, the enthusiastic academic teaching fraternity under the leadership of Academic Director, Research Director, Principal and experienced faculty has exerted their core to prepare the best possible strategies and its deployment plan for the college for the forthcoming years to the benefit not only to the students but rather every stakeholder. I am confident that this team will implement the strategic plans in its total letter and spirit and the society will reap its benefits in coming years.

Last but not the least, I extend my best wishes to the Vice Chairman, President, Deans, Faculty members, Staff and Students and Extended Family of Biyani Girls College for their contribution and putting whole hearted efforts to see College at new heights.

Preface

Since the inception of the college, it becomes sacrosanct for BGBC management for having a well-planned and systematic strategic planning to achieve the Vision of the college set- forth to attain growth and success in every sphere of college's functions and operations. The present **"Strategic Plan & Deployment"** is based on to address future possibilities through which the college would progress in order to meet its goals and objectives and to reach pinnacle of success.

The first section of the aforementioned document discusses the college's vision and mission, as well as key value, long term & short term goals of the college. The goals of the college, ever since its establishment, is to build up perennial growth by the involvement of each responsible stakeholder poised to contribute in this specific task with utmost sincerity and dedication. To attain outcomes of the college's strategic goals, the responsible team of professionals ensures the continuous growth in its teaching and learning process through a well-structured SWOC (Strengths, Weaknesses, Opportunities and Challenges) analysis.

This aforementioned **"Strategic Plan & Deployment"** will serve as the driving force for BGBC in achieving its mission of becoming an academically excellent institution which would provide to the society many qualified young teachers, who will contribute in the development of the nation in the years to come henceforth.

Vision

Biyani Girls B.Ed. College aims towards "Women Empowerment"

Mission

"To provide the best professional education opportunities in a progressively enhanced manner"

Core Values

"The Biyani Girls B.Ed. College continuously with absolute determination strives to pursue quality in higher teaching and learning through innovative and globally accepted methods".

The college believes that one of the finest methods to create a nation is to impart education and disseminate information at par with the best of the global education standards amongst youth, with which the college set- forth its Vision to implement with Late Shri Jugal Kishor Ji Biyani's ideology.

The BGBC's core values revolve around following factors:

- a. Excellence commits us to challenge ourselves to utilize our God-given gifts -- intellectual, social, physical, spiritual and ethical.
- b. Compassion compels us to stand with and embrace others in their suffering that, together, we may experience God's liberating and healing presence.
- c. Sensitize students and faculty commitment towards community development and serve to the society by maintaining equanimity.
- d. Integrity gives us the ability to realize the greater good in our actions and programs and challenges us to look at our work and ourselves holistically and as one united with others across the globe.

Weaknesses:

- Being established in heart of the pink city, Jaipur there is less scope for the expansion of the main campus of the college building.
- Despite considerable efforts in promotion and awareness campaigns, desirable results erode due to strictness in the attendance monitoring of each student on daily basis.

Opportunities:

- Support to the faculty members and constantly encouraging them to pursue Ph.D, and Research, for their professional accomplishment and enhancement of their qualifications and academic prodigies.
- Encourage more entrepreneurial development skills amongst the students and regular sensitization sessions for them to pursue it.
- Welcome each year many reputed corporate and industrial houses willing to provide placement to our students. In future also college looks forward to adding on this number in many folds owing to strong connection and relationship with industry.
- Strong alumni base to help with employment opportunities and career development of junior student as referrals.
- Opportunities to establish collaboration with reputable international and national institutes to transfer knowledge on sharing basis.
- Explore faculty-student exchange program with prestigious domestic and international universities.
- Explore opportunities in research activities and partnerships with universities.

Challenges :

- Students coming from different language, cultural origins and different states take time for their improvement and adjustments which becomes impediments in the teaching and learning process of the college.
- At times it is realized that keeping pace with rapid changing technological development difficult.
- One of the challenges students commonly face in college is missing home while transitioning from school life to college life which is most likely for hostellers.
- New alternatives to college and getting degrees while sitting at home results in the decline of students attending college on regular mode.

Students equipped with alternative, marketable credentials have discovered that college is no longer the only point of entry into the job market.
